### Weekly Message of the Most Holy Virgin Mary, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to Mother María Shimani de Montserrat

My beloved children of the Marian Center of Aurora and of the whole world,

Thank you for being with Me today, preparing the heart of this Marian Center for receiving all the children of the world that will come here.

I have lovingly observed how My soldiers have prepared this house of Mine, the house of the healing of the soul and the spirit, the healing of the heart.

In these coming days, My beloved ones, in which many of My children in need of peace, conversion and healing will walk through this holy field, I want you to open your hearts and have all of your love available to receive all your brothers, sisters and pilgrims as I have taught you.

This new cycle that is beginning, on this seventh year of meetings with Me, will mark a before and an after in your consciousnesses, since the fruits of your task will begin to be mature, so as to give them to those who hunger and thirst for real love, for Mercy, for charity and for healing.

In this blessed August, just like six years ago, an intense period of work will begin for everybody, in which My visit to all My children of the Americas, My beloved Americas that have waited for Me for such a long time, will be concretized.

After My coming as Our Lady of Guadalupe, Our Father waited for My children to be more mature to deeply understand this call Heaven is making, so that you may prepare the Return of the Redeemer.

That time has come and all souls celebrate the great Good News, that My Son is coming and My soldiers prepare the table for the great ceremony that the Savior of souls will share with all those that give their lives to Him.

Thus, prepare the heart and the house to receive those that will commune of the Mercy of Christ and My maternal Love, so that together we may eternally glorify God.

All I ask, My beloveds, is that each of the souls of My pilgrims be received as if it were the Soul of My Son; may each consciousness that enters this house find in the gaze of each brother and sister, the Light that Christ has for them.

Later on, when everything has happened, your consciousnesses will understand how important this has been, that you are preparing with such love and dedication.

I wait for you in My Immaculate Heart, like just another pilgrim, to cross the new bridge toward definite salvation.

I love you and bless you always,

Mary, Mother of the Divine Conception of the Trinity
