SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

A universal call for peace and good in the world

From the center of the universe, in the Heart of Our Eternal Father's Light, My voice proclaims a request to all souls today: that they listen attentively to the Words of the Mother of Heaven.

August the 8th already marked the change of a cycle. This great change which includes your small planet is being guided from the Spiritual Universe. The entire universe, all galaxies, stars and suns of this and other universes are entering the new gateway that will lead you to find the final and profound awakening. This will demand from your world the balm of serenity, of meekness and mainly of peace, while you participate in its purification.

Perversity will be purified by Divine Justice. The lie will be purified by the Power of God. The annihilation of innocent souls and subversion will be purified by the Wrath of God. The destruction of a fruitful life, in this and other Kingdoms of Creation, will be purified by Redemption.

All causes that disturb the equilibrium of humanity, and those that became fashionable and control entire regions, will be purified by the Rays of the universe and by all its root energies such as Liberation, Transmutation, Redemption, Transcendence, Transfiguration and Light as an autonomous synthesis of all.

The new cycle which has already begun will demand from hearts a life moderately consecrated, a life totally surrendered and of a spirit of unity and not of selfishness, if indeed anyone is to be saved from the imperious light of the rays of the Central Sun.

Through omnipotent Truth, I come to prepare you for all that you have never before seen, for what you have never before believed, and for what you have never before known in your reality of the world. Therefore, your Mother of the World will give the last signs, which will indicate the culminating moment of your preparation before the times of purification to come.

What was hidden for decades will be known. What was the secret of a few will be revealed by the Law itself. What was poorly done will be news everywhere. Nothing will remain the same as before. For those who have not sought the Kingdom of God, it will be too late.

Whoever has persecuted and offended the Servants of Christ will fear to see the great Hand of God. Whoever has slandered and cursed the Sons of God will have no cave or corner in which to hide. Whoever has loved material life and disbelieved in the existence of spiritual life will not be able to be present at that time. Whoever has doubted will believe for what they will see. Whoever has instilled rules or regulations conditioning the union of the faithful with God will be removed from the throne upon which they sat.

There will be no one and nothing that can stop the descent of the true reality. The lamentations will be of the false, for they will lament for not having listened. The tears will be of the perverse for having wronged the lives of so many.

The only dogma will be that of the Coming of Christ and the meek will see the Great Lord. The indifferent will be removed to another universe and the Earth will be restored during the thousand years of peace.

Therefore, My children, purify what you are, do not keep anything that makes you falsely strong, and do not be skeptical, for the Wrath of God will be just. The cup is no longer just overflowing, it is overflowing so much that even the Blood of the Chalice is despised by humanity.

It will not be enough at this time to have good faith, to go to church and go to confession; whoever does not truly seek a clean, dignified and fraternal life will not be able to be happy. Blessed are the peacemakers, because they will inherit the Promised Land, and this will cease to be an emblem, it will become truth and reality within all those who will repopulate the New Earth.

There is no time to lose. Accept that you never changed and that your humanity preferred to grow old quickly rather than wanting to change in the name of Love.

I come to give you the Design of God, but I also come to make you rethink before the new time that has already begun.

I am your Mother and I desire that you listen to Me with the ears of the heart, thus, you will understand the essence of everything and soon you will be columns of Light in a time of great changes.

I thank you for accompanying My call!

Who reveals to you the book of the Apocalypse,

Your Mother Mary, Rose of Peace
