WEEKLY MESSAGE OF THE VIRGIN MARY, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

With joy in My Heart, I return to Fatima after so many moments lived with you in South America.

Once again, Europe will be helped, so that the gaze and the heart of My children may be upon the Purpose and within the Will that God has for this part of the planet.

At once, I would like to express to My children My best vows of fulfillment for all that we will experience while being in Europe, with the aim of relieving and exalting the Heart of God.

Dear children, this cycle in Europe will bring to all an opportunity to fulfill and carry forward that which the Father so much hopes for.

As of now, may My European children be quite open of heart so that the sacred Sanctuary of Fatima may indicate to them the next stage, the next path to tread in this school of forgiveness and redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, the Virgin Mary, Rose of Peace
