MONTHLY APPARITION OF THE VIRGIN MARY IN THE CITY OF CARACAS, VENEZUELA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

With the imposing sweetness of My Heart, I return to this nation to bring peace. With all the sweetness of the Heart of My Son, I come to close your spiritual wounds, to bring a cure to your souls; I come to bring healing to your souls.

Dear children, listen attentively to My Message, because while I am here with you, the Universe of God is with all of you and with each child, in each corner of this nation.

Dear children, I come to strengthen your faith; I come to bring hope, gladness for everybody.

Dear children, live in My Faith; proclaim My Faith to the world. I come to free you from this captivity that has become interminable.

Dear children, listen to My Voice with your heart. My Words decree new Laws for your lives. My Heart proclaims the greatness of the Love of God in you.

Dear children, feel My Immaculate Heart. Listen to My Voice within your hearts. Thus, a divine energy, at this very moment, will come to you to establish peace. Believe in My Peace, because My Peace is invincible and is possible. In this way, dear children, you will help your fellow beings in this whole nation, which must also be consecrated to My Immaculate Heart.

Dear children, see the example of the children of Colombia who, in their greater devotion and peacefulness, received My Immaculate Heart with an intense and infinite joy, for the times that will come.

Dear children, it is not the first time that you hear My Heart and that I am present in your lives, walking meekly beside each of you. I come to have your lives flourish. I come to wake up what is truest that exists in your essences. This, dear children, is called the Inner Christ, something that nothing and no one will be able to erase, because Christ lives in you. He and His Heart are invincible; if Christ lives in you, you are invincible hearts.

I come to bring you a miracle of Love, the miracle of My merciful Heart that is present at this moment, enveloping the spirit of your nation so that the doors to redemption can be opened.

Dear children, experience this moment as a great sacrifice. Let your hearts no longer have sorrows. Let your hearts be joyful in participating in this communion with My Immaculate Heart.

Dear children, I am present here and in the home of each of My children who, at this very moment, receive My Words in their hearts to be able to unify their lives with the Sacred Spirit of God.

Dear children, feel My Heart to be the only reason for your lives. Concentrate your paths through My sanctified Heart, so that many more souls, just like yours, will be able to wake up at this moment to the call of redemption of My Heart.

Dear children, in spite of what may happen, in spite of what you are experiencing, do not desist. What is most sacred within you is the purity of God, is the purity of the Sacred Hearts that come to reignite your inner flames so that the doors to the Light may be opened.

Dear children, no longer fear; I am with you. Believe this is possible above all things, any thought and feeling or action that can torment you.

Dear children, with My feet, step on the evil serpent, for it will stop causing hearts to suffer.

May all those evils that exist and disturb hearts disappear from this reality; for those evils cause you to fear, cause you to distance yourselves from the Heart of God.

I am your Intercessor, I am your Mother of Coromoto, I am the Mother of your people Who comes to ignite the true purpose of your lives in your hearts; what you know as a sacred mission; what you, since your birth, came to accomplish in the name of the Celestial Father.

Dear children, while I am with you, many uncertain doors are being closed so that your hearts and your minds are able to hear the Voice of God, can feel the Kingdom of God, which is infinite, powerful, invincible, glorious and blessed for each of you.

Dear children, as your Lady Untier of Knots, I come to release the knots of your consciousness, because everything that happens begins and ends in the consciousness of all My children. But if your hearts truly love, truly forgive, truly become reconciled, this will soon end.

Dear children, in you I come to reactivate your affiliation with God, something that can never disappear. You come from the Universe, you come from a greater and infinite Source that is called the Love and Unity of God. This can never be cut off by anything.

Dear children, believe in the affiliation with God. Hold tight to that affiliation with the Most High; in this way, your cells full of fear will be reignited through the gladness of My Spirit, of My Spirit of Peace and of Change, of Mercy and of Forgiveness that today I again bring to your land.

Dear children, My Son sent Me to you and I send you out to preach peace; to carry the relief, calm, serenity that you have in your hearts, the great Christic principle that is called the Power of Love. If Love lives in your hearts and if you believe in the Love of God, why do you fear, My children? Is not God more powerful than all humankind?

The false kingdoms will fall to your right and your left. As My Son said in Jerusalem: "No stone will remain upon stone."

Woe to those that cause evil and do not look to the Heart of My Son! Woe to those poor human beings! Who will pray for their conversion on the day of the Final Judgment?

Dear children, I come to announce Heaven to you from My Heart. I come to free you of your sins and faults through the power of My infinite Mercy, sacred Source of Love that My Son gave Me at the foot of the Cross.

Carry your cross. Do not fear, My children; there will not be more weight than that which you can bear.

I come to free your paths. I come to open the doors of Heaven, in the spirit and the soul of each of you. If you called Me, today I am here among you, My children, because God deeply desires it.

Be forerunners of the Mercy of God. If your acts are merciful and you carry charity to all souls, without fearing what may happen, many things in this nation will be freed.

A large part of the horror today is released by My Holy Heart, together with the hosts of Light that eternally praise the Father, together with the Archangel Michael, Who buries His Sword in this soil so that souls may be freed.

Happy are those who believe in what I say, for they will see the result in their lives. That is the great miracle that I bring you today, My children; the miracle of the Love of God that can never be extinguished in your cells. As long as you believe in love, you will be invincible and will not fail.

Dear children, throughout time, I have been at the culminating moments. Throughout time, I brought you a Message of Peace. Dear children, listen to the Voice of My Heart that pours out Its Mercy over your beings.

Dear children, affirm your commitment to Me. I come to stretch out My hand to you so that you may hold tightly to it, not feel any fear, but rather that you be able to walk firmly toward that sacred purpose of the New Humanity.

Dear children, do not forget to pray for your brothers and sisters, mainly for those that are no longer in this country, so that God may grant them the Grace of being able to return to their true people, to their true purpose from the heart of Venezuela.

I come to make your hearts beat. I come to bring you the fire of My devotion, something that can never be put out if you pray with Me, with that fervor that is characteristic of you.

Dear children, ask of Me what you want.

Dear children, I am your Mother of Grace. Grace is what you need to be able to be reborn in your heart, to be able to revive your spirits for the sacred mission that I entrust to you today.

Dear children, I am the Mother of all the indigenous peoples. And here, in the past, there were sacred peoples that commended their soul and their divinity to God. Recover those sacred principles. Recover the indigenous consciousness of love. In this way, Roraima will shine, and you will be participants in this sacred mission of changing hearts, not through words, but rather through a simple act of peace and of love.

What you are experiencing today is because of a lack of Love for God. God is full of Love for you. God has need of your hearts, My children, so that you may become peace-makers of the great Redeemer of all times.

Thus, in this month of October, the month of the Holy Rosary, I bring you the revelation of My Immaculate Heart. Today, I place on My hand the Blessed and Immaculate Heart of Mary as a sacred offering, which will always beat within you when you allow it. Who will be able to take away My Heart from within you? Nobody will ever be able to.

My Heart is divine, is sublime, and becomes stronger and more powerful when My children pray from the heart.

Dear children, the beast fears these things. The Love of the Mother of God is invincible and infinite in Its hope. If you believed in these simple things, My children, it would not matter that you have nothing to eat. What is most important, My children, is that your soul and your life will be nurtured by the Spirit of God. Who lives through the Spirit of God will never thirst, will never be hungry.

Dear children, if the saints from the past, in deep fasts and abstinence, managed to live through the Eucharist, do you believe in the power of the Communion of Christ?

Dear children, where Christ is, evil is not. If Christ is in you, God is in you and I also, My children. That is invincible for the times that will come.

Blessed are they who cry, for they will be consoled.

Blessed are those who are good of heart, for they will be rewarded in the Kingdom of God.

Blessed are the humble and the peaceful, for they will always achieve joy. Let that joy, My children, that nurtures you all the time, never go out; in this way, you will gladden the Heart of God, that is quite offended by the injustices of the world.

I offer you My Heart as a Rose of Light, the Spiritual Heart of your Mother, that beats in the whole universe, listening to the pleas of Her children, radiating all the Love of the universe to all those who believe in inner rebirth.

If in your hands there is a lit flame, do you believe that this is the symbol of peace? Do you believe that a soul is being alleviated? That is possible when you live in faith. I come to bring you the Gift of My Faith, which is something invincible. When it is lived in the heart, faith will always triumph. And My Heart will triumph in you when you believe in faith, because faith is the Love of God, is the Unity of God, is the compassion for all the universe.

Dear children, today, not only those who are here ask for you, but also the whole world, all My very dear children that at this moment, are united with the proclamation of My Heart.

I come to bring you the advent of the Spirit of Christ, that Spirit that will help you to walk in these times of tribulation. Continue to pray, honoring the Heart of God, so that in this way, He may also glorify you.

Let us pray:

Adonai,

Mercy, Mercy, Mercy,
Redemption, Redemption, Redemption
for this planet.

Amen.
(seven times)

Dear children, in the gladness of My Spirit that conceives of peace and redemption, today I would like to especially consecrate the Children of Mary, these children who will be consecrated in My Celestial Presence. Let those who will be consecrated come here; I am waiting for them.

Dear children, when your voices sing, Heaven immediately responds to the request of hearts and the pleas of souls that seek peace.

Today, I come from Heaven, as your Patroness of Coromoto, to bless you, just as I did the last time, placing My hands on your heads.

I implore the Almighty for the Grace of His Light and His infinite Mercy, which will make you strong and invincible; and thus, in spite of any consequence, you will always be free.

Remember, My children, that you must be worthy children of God; and if today you become worthy and consecrated to My maternal Heart of a Mother, it is because you are giving your 'yes' through this consecration so that the spirit of peace, unity and love among the hearts of the world may be established.

If you, My children, are generators of the Love of God, the Love of God will triumph and My work will be accomplished, at least in the Americas.

I pray for you. I pray for this people. I pray for this country, together with the Guardian Angel of this nation, and in the presence of the celestial choirs, of Christ and of the Most Chaste Saint Joseph.

In this sacred triangulation, with the power of infinity of the Cosmos, I establish, My children, the definite consecration of your spirits and souls, in the name of the Father, the Son and the Holy Spirit.

Sing. Now you are Children of Mary.

I thank you for responding to My call, and remember that through your lives, My Immaculate Heart will triumph.

I love you and bless you, in the name of God.

Friar Elías del Sagrado Corazón:

Brothers and sisters, we want to leave a little story with you about what happened during the prayer work.

When we were working with the prayers we were reciting, the angels, at the request of Our Lady, began to go through each corner of Caracas and strong beams of Light began to draw close to the souls that most needed it.

In the essence, in the heart of each brother and sister, they placed a molecule of Light. Something that came directly from the Creator. It was something powerful, luminous and invincible.

And when that molecule of Light that they placed in each brother and sister ignited, everything that was around which was dark, disappeared. And a sort of positive spiritual strength was engendered within each one, and manifested through the heart as the Love of God. It was as if it was something that renewed each one.

Thank you, Lord, for all that you give us!
