MESSAGE FOR THE VIGIL OF PRAYER OF THE MOST HOLY QUEEN OF PEACE AND SUPREME LOVE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS

Hear Me son, hear Me daughter,

Take from My Heart the Light that belongs to you; in this way, in the dark night, you will strengthen your little spirit.

Gather within yourself the wise powers of prayer and participate in the commands of Heaven.

Stop crying before Me; you know that I am your powerful Mother of the Universe; you know I am your incandescent Star that perpetually shines for the good and for the peace of the whole world.

Listen carefully; you know that My powers are emanations of infinite Love; you know that My Light comes from a cell of the Light of God.

I am the Mother of all souls, I am the Star that illumines the castaways during the night, I am the Patroness of all the nations of the world.

Enter now the universe of My Peace, stay there without expecting anything in return, because the Lord will reveal His precious Greater Will to you. On this day, let your arms be open so that I, your Mother, can embrace you and draw you closer to My Immaculate Heart, where only Peace, Purity and Mercy exist.

Stay close to My Spirit, and feel the breath and the breeze of the Luminous Bird that, through Its Divine Rays, brings the living signs of Mercy, forgiveness and conversion.

You can address Me in complete trust; I will always be your Shield against the innumerable attacks of life. Submerge now into My restoring Source, let your Immaculate Mother wash your face and your feet, so that soon, the new being at the Thrones of the Most High may be reborn.

Walk at My side, for in this way, I will walk at your side; thus, I will be able to point out the sure steps to you when you simply remember to unite with My Heart in prayer.

Today, I would like to transmit this message to all My children, but many have lost an absolute faith in the Universal Mother.

For what I have said, let no heart become sad, but rather, be joyful for being able to be aware of My great motherly Task.

Follow the steps that My bare feet have taken; enter now into the Sacred Temple of the Heart of God, and receive the Love in this time that will heal your past and your heart.

Remember, I am your precious Mother. My beauty comes from the Divine Love of God. My purity comes from the sublime essence of celestial roses. My virginity comes from the first Project of God.

Follow My example, be in likeness to Me. Transcend the barriers that you have put in place in your life. I will help you to become free from the ties that shackle your walking.

I will cut the chains with the sword of Mercy and I will give you the torch of Universal Light; in this way, you will become consecrated to Me as a new soldier who out of love, will give their life for their friends. Whoever gives their life and their time for their brothers and sisters will be a good apostle of Christ, an apostle of redemption.

Look to infinity and glimpse the greatness of the stars in the firmament, and confirm your faith every day; the one who is in God, can do all things in spite of the falls and errors.

Stand up and walk toward My Son. He awaits your prayer, so that the new apostles may emerge.

Gladden your day; the Kingdom of God is drawing closer and will bless you now and always. The Doors of Heaven are open for those who simply say 'yes'.

I thank you for entering today into My motherly Heart!

Mary, Queen of Peace and the Supreme Love of God
