DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE city of Florianopolis, Santa Catarina, Brazil, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

To My beloved youths

My dear children,

It is a victorious joy for My Immaculate Heart that today you gather together to take the first steps in the Youth Campaign for Peace.

It is at this critical time of the planet that the young people will have the doors of the universes open, so that God may welcome into His Heart the prayers of all His children.

Thus, dear children, for today's meeting, your Heavenly Mother will be inspiring you spiritually, so that the new apostles of Christ may begin to work for peace.

On this day, when the Mercy of God descends to humanity, dear children, open your hearts to receive the Christic seed of redemption in your inner world.

It was also in this month, dear children, that I called you to be consecrated to My maternal Heart; today I also call on you to become part of the flocks of the apostolate that, through the youths, will proclaim the coming Return of Christ.

In today's meeting, My children, you will already be able to lay the foundations for the first Youth Festival for Peace, to be carried out in Florianópolis during the month of July.

Remember, My children, that the month of July is the month of young people over the whole world, when you will unite with the important impulse of pleading for the Mercy of God for the planet.

Through the first Youth Festival in July, the bases of the meeting will become clearer to everybody.

This festival will have the mission of alleviating the planetary consciousness through prayer, art and music.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
