WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Build within yourselves, every day, through the prayer of the heart and acts of love, a strengthened inner space for God.

There is no other path, at this moment, to be able to find a safe way out. Only by building an inner enclosure of love will you allow the Living God, the One who created you in His image and likeness, to come and live within you.

My children, as part of the creator universe that this humanity is, I invite you on this day to remember that, without an inner world, strengthened in faith, prayer and charity, souls will not have the means they need to face these unknown times.

Therefore, as a Mother who loves you and wishes all of humanity well, announce to all that this is the path to find God within the heart.

I thank you for responding to my call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
