DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF CAMPINAS, SÃO PAULO, BRASIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

May the Glory, the Grace and the Peace of Jesus Christ be in your hearts, and let nothing and nobody prevent the propagation of Peace; because the time will come for the ceasing of spiritual wars, and hearts will fervently support the banner of Christ so that the people may reconcile, so that souls may receive universal forgiveness and absolution.

Nothing will remain unfinished; on the contrary, My beloved Son will come to the world under the sovereign Power of God to dismiss the kingdom of the enemy. Only, that sacred defeat will take it by surprise, because the Lord of the Universe will bury His sword in the essence of evil and all darkness will dissolve in a matter of seconds.

Believe in this, because the sacred Name of Jesus will triumph in the planetary life.

I thank you for responding to My humble call!

Who blesses you,

Your Mother Mary, Rose of Peace
