**MESSAGE FOR THE VIGIL OF PRAYER IN THE MARIAN CENTER OF AURORA, URUGUAY,
TRANSMITTED BY MARY, QUEEN OF PEACE AND OF LOVE TO THE VISIONARY FRIAR ELÍAS**

My Dear children:

Praised be My Son, Jesus, in your hearts, and in the most lonely hearts of the world!

With joy, dear little children, I listen today to your pleas, pleas that are born from your love for Me and today I give you My Maternal Love so that you may guard it in the depths of your beings.

As I have already told you, My little ones, the world is living without peace and it will only be the imperious strength of your prayers that will change the course of the events. If you, in love and in devotion, unite yourselves to My Immaculate Heart, Peace will be able to be established for one more time in the heart of all beings.

Today in the Peace, and in the Good, I invite you to be mediators, I invite you to be builders of the new and awaited humanity of God, that which will live the essence of the laws and of the commandments because at the end will reign Eternal Love as it is in Heaven.

Dear children who pray, day by day, I call you to pray as I also call you to fasting and this I repeat to you because I know that many of you have difficulty to live these principles of sacrifice for humanity. Each one of you guards in the heart the freedom of choice. I ask you to give to Me what in truth you are able to give Me. I Am your Immaculate Mother and I know, for example, what it is that you now need to be able to be united to God.

The true sacrifice will be for you to do something for your world which darkens, day by day, from the immense amount of actions and faults that the souls commit. For this, month by month, I descend from Heaven with the hope of Peace for all of My children and of the victory of the Plan of Christ upon the Earth.

From now on, My dears, you will be those who will define the future path of the New Humanity. For this, unite yourselves to My Son Jesus and live through the source of His Blessed Grace and Mercy. This will allow that the consciousness of the world may be alleviated, the Love of God to be present, and the hope of My Immaculate Heart.

Dear children, these are no longer normal times, I beg you to awake to My call because in Merdjogorje, during this month of June, will complete one more year of the presence of My Eternal Grace among you.

I pray for the children of the world who are not born so that those responsible for bringing these souls to the world may achieve forgiveness and reconciliation with God. I pray so that the suffering may end in the hearts that are disturbed and without peace. I pray infinitely so that My children from the America's and the world become aware of My Maternal presence at the end of these times.

I Am the Queen of the Sun, I Am the Star of the Morning who, as in Fátima, announces to you Peace and the life of daily prayer.

My children, I guard in My Heart your pleas. Let us pray so that many more hearts may awaken in time.

May these two next months represent for all of the pilgrims the prayer retreat in the heart and the meditation upon all that you have lived with Me.

I thank you all for having listened to My Maternal call!

Thank you, dear children!

Who blesses you and loves you from the Heart of God,

Mary, Mother and Queen of Peace
