APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesus transmits the Words of the Virgin Mary:

Live the Love of God, dear children, and the world will achieve peace. This is My main desire for this Christmas of Our Lord.

In the birth of this inner Light, dear children, I want you to be able to open your heart more so that God can completely fill you and thus carry His Project forward in every one of your days.

I come here as the Mother that can do anything, as the Mother that stretches out Her arms and Her hands to take up Her children, just as She took Jesus up in Her arms when He was in the manger.

But today I want to have each one of you on My lap, each being of this planet that does not live in peace, that does not practice love and does not move forward with their mission in these definitive times.

I need you, children, to continue by My side, even though you do not know My Plans, even though you doubt them, even though you do not understand them.

Through the Plans of God, I bring you and give you all My Love, the Love of a Mother Who understands, Who accepts and, together with Her children, experiences the suffering of the planet and its humanity.

Today I come surrounded by the Angels of God, those angels that will announce the new times, the new stages and the new cycles. Thus, on the inner planes, they are sounding their trumpets, for they are who announce, on the eve of this time, the Return of Our Lord.

I come to leave within you, dear children, a seed of Light, of understanding, but also of supplication, so that you learn every day, through your transformation and surrender; so that you allow the Plan of God to be accomplished at each new step.

It is on the souls of this Earth that the concretization of the Plan of God depends, and of its continuation throughout time. Thus, you are called to experience something that you have never experienced and have still not learned.

So you must go through these times with courage, and experiencing love in each minute, each second, in all the moments of your life, so that your spirits, dear children, are enriched with what is real, so that love may lead you to be transparent, so that all believe that their path is truly a surrender.

On the path of prayer, you will find a key, a fortitude and the impetus to transcend tests and the times that will come.

Do not cease drinking from the fount of charity and good examples.

Allow the Piety of God to transform you through each new service, each opportunity for expressing surrender and love.

My Son has come to be born, in this time, in simple hearts. My Son has come, in this year, to finish concretizing His awaited Plan of Return to the world.

When you do not manage to take the steps in the Plan of God, you stop the Plans of the Creator.

Our Hands and Our Sacred Hearts untiringly give of themselves to help the children of God to feel safe on the path of surrender, renunciation and sacrifice.

Not everybody will experience that which I ask of you, but it is possible to do it and experience it. Each unconditional surrender of your hearts moves the Heart of the Father, and He once again entrusts His Plan of Mercy and Redemption to you.

No longer think, dear children, of the whole world, that you were fallen stars. Now, with the impulse of your inner Christ, be redeemed stars in the firmament. Be stars more brilliant and radiant than the great Star of Bethlehem, for in your hearts exists the Gift of the Fear of God; there exists His Divine Essence, which is still not understood by the world.

To experience this mystery, dear children, I bring you the gift of My Immaculate Heart, so you may enter into It without fear and with confidence.

In My Heart exists the Fire of God, which transforms all things.

In My Heart exists the Dwelling Place of God, which gives refuge to all, especially wounded souls, uninspired and suffering souls; souls that do evil and do not know how to get out of that.

I come to offer you, dear children, on this Christmas, the great Present of God: My Immaculate Heart, so that it may be a living flame in your lives, which illumines, purifies and transmutes all things.

Believe, dear children, that it is possible to achieve transparency, consecration, and surrender to the Plan of God.

The angels with their trumpets announce the new cycles, the new teachings and the experiences that will come to your paths to someday make you free of yourselves, free of arrogance, free of pride, free of vanity, free from sin and from the lie.

As untiring and perpetual Mother, I wish to make you in likeness to My Immaculate Heart, make you true at each step in life and with each brother or sister you encounter on your paths.

In this way, beloved children, in this time, we will build unity between souls and hearts; a Sacred Unity, which is feared by My adversary because it is unknown to it.

The essence of Unity is the Love and the Truth that will always save you, which will always be your lifeline, that will always help you and aid you in these difficult times.

I need, dear children, for you to see My Work as a global work, like the great Work of Jesus, the Redeemer, Who comes in this time to prepare you inwardly for His Return.

After more than two thousand years, Our Words will not only be Messages, but the reality. You will see what I tell you being fulfilled. For this reason, so that you may be participants in the moment of the Return of Our Lord, strengthen your trust and your belief in the faithful Messenger of God.

I come walking as a Pilgrim Mother through the times, the centuries and the years, to announce this awaited moment in each place of the planet.

You, together with Me, dear children, have a great mission which you will not understand for the rest of your lives; you will only end up understanding it after this life, when everything has already happened as requested by God.

You are part of a transitional mission, of the passage from an old time to a new time.

You, my children, are the first cell in My Work that is taking shape to generate life in new souls. Thus, dear children, you will not understand everything nor will you know it, no matter how much you believe you do.

Be humble on the path of transformation and you will reach the Kingdom of the Heavens, which still have the doors open for sincere hearts, for hearts that cry out in truth for Mercy and Redemption.

On this evening, your Heavenly Mother prepares Her next mission to Peru and Ecuador. As from now, dear children, I invite you to accompany Me in the concretion of this design, which comes from the Father and is being pronounced through My Immaculate Heart. Peru and Ecuador will be the preamble to Asia and Africa.

My Work is still not finished, but later it will withdraw, thus fulfilling the time that God has allowed Me to live among you and with you. That will be the moment in which you must be My living Message on the surface of the Earth. It will be the moment in which all the teachings of Our Hearts will not only be in the books, but alive in your lives.

It will be the long-awaited moment to help and aid the souls of the world, the nations and the continents that will experience their great and last purification.

When this is about to happen, dear children, be alert in vigil, adoration and prayer, because the Return of My Son will be near.

The Blue Crosses He has requested to be installed in the Marian Centers will be the sign and will, at the right moment, indicate His arrival. Thus, they must be lighted so that souls can recognize where the Redeemer will come and where He will assemble the nations and the peoples to speak to them again and announce His last Good News.

Thus, dear children, let the advent of the Christs of the last days be accomplished.

Let this inner Christ which has been born in the hearts of the world, which lives in faith and in prayer not only dwell within, but in this time, express in each detail, in each moment, as in each prayer. In this way, beloved children, you will allow the preparation of the Earth and the planet for His Return.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Thus, understand that what I come to build in this world though you, is unknown to you.

For this reason, on this evening, My children, I bring you a part of the Plan of God for this Work, for your lives, for your hearts that must be fully united with Mine.

I reveal a part of this mission to you which you so aspire to know so that, being aware of it, you walk toward that destination, you walk toward that goal.

Today I give you My Immaculate Heart as a unique offering, because of a request of the Creator, so that in this way, My children, in the renunciation, the surrender, the void and the silence of My Immaculate Heart, you are able to accomplish all the things that I announced to you today.

For your lives, this new cycle will represent a cycle of greater surrender, of greater renunciation and of greater silence.

My Heart will begin to go silent together with yours so that, in this way, My children, you prepare this world with an example, with the living example that you are servants and companions of the Sacred Hearts and of the Creator of all the Universes.

This is why you are being so intensely purified. This is why the Universe has you facing tests and challenges unknown to you, so that in this way, children, you may find the void, you may find the Father within your inner self.

Today, I come to deprive your spirits, minds and hearts of your personal skills, of the vanities and pride of this world, so that you make space for My Immaculate Heart.

Let It enter into your essences, your bodies, like a new cell that will change not only your consciousnesses and your spirits, but also your flesh and the depths of your human condition, so that you may be free of the old being, the old human.

Let My Heart enter into yours like a new heart; let it pulsate a new cycle, a new being; one that in truth, My children, is what you are since the beginning.

Let My Heart bring you the Grace of renewal and that, with this Grace, you discover that the true triumph of the Redeemer is built from the inside outward; that this Work is what I am building from the inside outward.

The Creator asked Us to transform your lives completely; transform your beings and your hearts; with the fire of the Divine Spirit of God, burn your old vestments so that you may be dressed with the robes of humility, barefoot to the past on this Earth and in other worlds so that, in this way, children, you may be in likeness to Him Who walked barefoot in this world, and with Me you prepare for His Return, which is close.

Believe in the Return of the Redeemer. Feel that He can arrive at any moment and, in this way, aspire every day to be ready to see Him face to Face, without fear, without shame; because today My Immaculate Heart cleansed you, redeemed you, forgave you your faults, and invited you to a new life and a new cycle, together with Me, the Redeemer, your Universal and Divine Father, and

all those that respond and will eternally respond to the command of His Voice.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Before withdrawing to the Universe of God, I want to tell you, dear children, that I will always tell you the truth, no matter how hard or difficult it may seem.

When you are unable to hear Me, understand Me or accept Me, pray from the heart and allow your hearts to expand, and in this way, the fire of My Divine Spirit will embrace you like a mystery, will bring you wisdom and understanding; above all, it will bring you peace.

Before withdrawing to the Universe of God, I have also come to consecrate the new Children of Mary, whom I ask to come forward, because they will be the first in this cycle who will experience the transforming Fire of God in the name of all of humanity, knowing that it will be necessary, beloved children, that you always remain firm in service and in prayer so as to be able to persevere and transcend these definitive times.

Today I will bless the new children of My Immaculate Heart with the balm of My motherly Light, so that this Light also expands through the world and the places that are in most need of Redemption and of Mercy, in the hearts that still do not listen to God.

Place your hands in the position of receptivity to ask the Eternal Father, beloved children, to make you strong, persevering and that in this cycle, you learn to transcend errors, faults and sins, so that the inner Christ may always shine in the soul of each being of this planet, so that the Love of God and His consolation always prevail, and in this way, the flocks of the Lord are gathered when He calls all of you for the second time.

I bless you and consecrate you as children, servants and slaves of My motherly Heart, in the name of the Father, the Son and the Holy Spirit.

Lift up the song and the hymn of your consecration to Heaven, so that as Mother of Providence and Grace, I take this offering to the Feet of Our Father, the Creator.

I thank you for responding to My call and I leave you in the light of Aurora.

So be it.
