WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

Keep fervently praying the Rosary, for the Divine Justice to be placated, so that the mistaken humanity does not continue to pay the punishment it is receiving.

I, as the Mother who sustains you from Fatima, ask you again to not only pray for peace and for the end of conflicts; I also ask you to pray for the impossible causes so that a greater number of My children may awaken from this dream in which many are found.

My heart suffers from seeing that so many believing and religious children doubt whether the path they tread will lead them to meet My Son; but My enemy weaves a dark web that feeds on greedy, insensitive and even apparently peacemaking souls.

For this reason, My beloved children, I ask that your prayers may not be mere repetitions, but rather prayers that allow you to speak to God and console His Heart, wounded by the offenses of the world.

For this reason, I am again in Fatima, to lead all My children who accept it, toward the essential center of their inner purity, because humanity has lost not only its purity but also its innocence.

As the Mother of the Most Holy Rosary, I come once again to pray with My children so that there may be better conditions and opportunities to intercede for this suffering humanity.

I thank all those who pray with Me with fidelity, responding to My supplications that lead you toward the Peace of Fatima, the Light that leads you toward Peace.

Your Mother, the Virgin Mary, Rose of Peace
