MESSAGE FOR THE APPARITION OF THE MOST HOLY MOTHER MARY, LADY OF AKITA, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS

Today, My Heart listens to the supplications of the innocent and the poor.

Today, My spiritual Soul embraces those who have suffered the most from chaos and destruction.

Today I announce Myself to your hearts as the Lady of Akita, to remind you that My Immaculate Heart belongs to the entire world and today, especially, to all of Asia.

Dear children, I remind you that once, not so long ago, the Lord sent me in pilgrimage to Japan to transmit an important call to conversion, prayer and peace.

Today, in a time of great emergencies for all, My Son Jesus has asked Me to tell you the truth as the good Mother of all, although the truth may be painful as it was for Me in the Mount Calvary.

I want to help you, assist you, prevent you and advise you that, in this cycle, it will be necessary to transform yourselves so that the world may also transform itself and become consecrated once again to the original Project of God.

Beloved children, you have seen that your planet suffers with each new movement and that these catastrophes take away the precious and innocent lives of many souls.

This is why today I ask you, My dear ones, that you open your eyes to the call of the Light that comes from Heaven. While you, without perceiving it, share My Kingdom of Peace, on the other side of the world souls die and disappear from the surface of the Earth.

God desires to spread the absolute devotion to My Immaculate Heart, and in Akita, Japan, I have transmitted an important call to transform the actions of the consciousnesses, just as since 1981 My Voice made Itself be heard in all of Africa through the Apparitions of Rwanda.

Now, I am among you. Would it be for some reason? What is it that your Most High Father wants to say to you through My Holy Presence, in South America as well as Medjugorje?

As it has always been, humanity matures after everything has happened, but now, I ask you that, out of love, you awaken in time for the Truth that Heaven wants to reveal to you; it will be this Sacred Truth that will prepare you for the return of My Son to the Earth.

Dearest children of Mine, today I also invite you to love the sacrifice you make for the reparation of the offenses committed against the Sacred Heart of Jesus. Today, I call on you to make a little more effort, although it may seem to you that the forces of the inner will disappear.

Little ones, the world is coming to a culminating moment, because after My Apparitions, here in South America and in Medjugorje, the times on Earth will change and humanity will have to prepare for the Universal Judgement.

Now, on the eve of my special arrival to the Marian Center of Aurora, on this 13th day, the Lady of Heaven prays for the innocent and condemned souls, saying:

Prayer for the innocent souls

*Prayer to be recited on Mondays and
Thursdays to help in the relief of the worldwide situation.*

Most High Lord of Mercy,
contemplate within Your Powerful Heart,
the need for peace and for redemption
in all souls that live upon the Earth.

Oh, Savior of Mine!,
God of Love and of Truth,
Separate my children from the eternal punishment
and elevate, with My Offer, the lost hearts.

Oh, Wise Father of Light!,
find in each essence the Light that comes from you
and accept the offerings of love
that we deposit on Your Sacred Altar,
because together with My Son Jesus Christ,
the King of kings and Lord of absolute Love,
we promise, now and always,
to consecrate Your loving humanity.

Listen now, Lord, to Your faithful Messenger.

Observe with Your paternal Gaze,
the flight of the Bird of the Holy Spirit;
because the rays of Pity and of Compassion,
that flow out from Your Most Holy Heart,
will redeem all of the Earth
so that, together with Your Angels and Archangels
We may glorify You for all eternity.

Amen.

I thank you for always responding to My sacred call!

Who blesses you always,

Your Mother Mary, Lady of Akita
