MESSAGE FOR THE MONTHLY APPARITION OF THE LADY OF THE MOST HOLY ROSARY OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I come to the world as the rain that blesses the planet. I bring, from the Kingdom of God, the key for every being, that will open the door to learn how to love and to forgive.

In My Heart the promise of saving My children is fulfilled and, in My arms of Light, I put each one of the creatures of God.

Dear children, in this cycle that begins, I come to thank you for the Vigil of Prayer carried out yesterday. My Heart rejoiced when all of you made yourselves available to serve, aware that I would not descend to the world, even though My Spirit was among you and My inner joy filled the hearts that opened to hear My Message.

Therefore, My children, today I am here and I will be among you all the time you allow Me. Remember, little children, that you are already walking and learning how to take the first steps as the good hearts that you are.

Today, My request for prayer not only extends throughout the whole world, but also to all Christians who are being unjustly mutilated and disappearing in the East.

I ask you to pray wholeheartedly and offer the Most High a plea for Mercy so that the families of the East, who are being disintegrated and separated, may receive the spiritual help they need.

I supplicate to all praying beings in America and the world that, through the strength and infinite power of prayer, you may help change the cruel destiny that other consciousnesses will live due to the injustice and evil of the hearts closed to God.

As the protector of the essences of the world, I come on this day of joy and also of sorrow, asking you for an immediate collaboration for the gravest faults that humanity commits day by day.

The enemy has imposed on humankind separation and the lack of brotherhood and peace. Therefore, under the spirit of Love and before the Justice of God is poured over the world, I come to awaken you and call you to constantly work for peace. This will allow all souls of the East who suffer, to receive a little of the Mercy of Christ.

The world is on the verge of spiritual collapse and the nets of evil are increasingly trapping the attention of My children. With a spirit of prayer and wisdom, today I will descend to Aurora to ask you for a greater awakening, so that at least a part of the most conscious humanity may banish the ideas to destroy the Purpose of God.

The more the souls of the world know about My summoning and pray wholeheartedly, the less will be the supreme action of Justice. Direct your petitions to God for the priests, for the bishops and for the religious of the Church of Christ, many of whom are allowing themselves to be convinced by

the things of the world and not by the true search for the Love of God.

Entire nations promise to modify the laws of the Earth, as Uruguay has done it, and this attracts unjust consequences for many poor hearts. Sin has become a mode and tendency, and the lack of reconciliation and penance is generating alliances with the ideas of the enemy.

Only through those who are willing to defend and protect the call, can the Will of God be able to be fulfilled and the pride of the ungrateful humankind cease to act.

While My maternal Grace fills you, internally embrace the Graces that I pour out, because these are already the last ones that will awaken the new apostles of Christ.

I am grateful for the sincere response of all the children of God!

Who blesses, loves and guides you,

Your Mother Mary, Lady of the Most Holy Rosary of Peace

Attentive to the emergencies of Heaven!
