APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I am the Empress of Peace and where I am present, I institute the Kingdom of God for My children of humanity.

I am the Empress of Peace and where I am present, all that is around Me belongs to God and His Purpose.

I am the Empress of Peace and leave nobody behind. I take care of, protect and welcome all My children into My maternal Heart.

I am the Empress of Peace and, for My children, I seek the common good, unity, brotherhood with all the universe, with that which is unknown, with that which is far outside of your knowledge and your understanding.

I am the Empress of Peace Who comes today for the nations of the world, for those nations that are lost and that are submerged in their own profound chaos.

I come with the Government of the Celestial Universe and with all that belongs to It, with all that vibrates within this Universe, and with all the consciousnesses that participate in this Celestial Government in all that is created.

It is thus, that I come to bring you that which is most infinite, which is very far from the eyes of humankind, that which nobody has yet understood, which is real, that which is perpetuated throughout time, which makes redemption possible.

I am the Empress of Peace and the New Aurora, I am the Divine Spirit that can dawn in the soul of each being, which can transform that which is not transformable, which can elevate that which has still not been elevated to God, that which with Its Divine Energy can transfigure that which has still not been transfigured.

I come toward My children so that you may be bearers of peace and walk together with your Universal Empress, Who in this time comes to this world and this humanity to be able to renew you, redeem you and save you from your planetary decadence.

At each meeting with the Empress of Peace, I bring you a new opportunity, which you call blessing and Grace that is born from the depths of My Being and My Consciousness for all creatures.

In this way, today I come with the Scepter of God in My hand to continue establishing here, , in this place, that which belongs to the Father and to His Divine Will.

I come to liberate that is oppressed. I come to give Light to all that is dark and in the shadows. In hearts, I come to reignite that which you have always believed from the beginning, when you were touched by the hand of God and by His Divine Energy, when you awakened to the Truth.

I come to help you, dear children, as the Empress of Peace, so that you may go through the end times with valor, courage and fortitude.

I come to give your hearts that which they need to be able to spiritually mature and to thus take sure steps toward My Son, the Redeemer.

I come with the Celestial Government who has always governed all the world and all the universes. I come above all the governments that exist in this humanity and in others.

I thus come to establish the Laws that started Creation and life, the gestation of the essence of Love, the pure and the immaculate that exist in each inner self of each creature.

With My Celestial Government and with all My angels, I come to purify the essences of the world so that they no longer become dark.

In each of them I come to place and to sow that which will be part of this New Humanity that is coming, after its purification.

I am that Light of Aurora Who accepts everything, welcomes and understands everything.

I am the Empress of peace, Who always listens to you, Who always encourages you, Who always motivates you and gives you the impulse to continue forward, to move beyond yourselves and to demonstrate to the world that it is possible to live redemption and conversion, as Saint Joseph lived.

I come to bring you from the universe all that is true, that which must descend from the sublime and superior worlds in these times of chaos, that which must reach the souls, immediately, so they may be strengthened and continue to be firm in the Steps that Christ is indicating in the deserts of this world.

I come to teach you, as Empress of Peace, to cross the dryness of these times; the darkest night of all times, of all centuries and all the decades that have gone by.

You only need to glimpse your inner essence, your divine flame, your original purity that will never be lost, that can never be interfered with nor touched by anything that does not come from the Light.

I come to ignite thus, in you, the New Aurora, through My maternal and universal Consciousness.

I come to make that which was dry bloom. I come to give life to what was dead. I come to bring a special Grace to those who need it most, so they may feel saved and rescued by their Universal Mother.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I come, My children, to a world in darkness, where the majority of My children still have not discovered how great it is to be in My Heart and serving the Plan of God with Me.

I come to demonstrate to the world that, in the midst of darkness, it is possible to build an unbreakable fortitude; that when souls fear, in the four corners of this world there are places where Love reigns and brings balance to the fear and despair of hearts.

I come to once again erect the spiritual fortitude of My children, so you may understand I did not abandon you, but rather that I want you to be examples of an inextinguishable fortitude in a world where darkness seeks to take hold of souls and hearts, day after day.

I come to tell you that where God placed His Heart, evil cannot reach. On a sacred soil consecrated to the life of the spirit, the Plan of the Creator will triumph, and there I will institute the Islands of Salvation. And when souls drown in the ignorance and the illusion of this world, it will be those humble places, that imperceptibly grew on the planet, where they will find a refuge, a shelter; where they will find the air that they will breathe and will bring them back to life, because they were dead in life and did not perceive it.

I come, children, to build the miracles of the end of times, which will be an unbreakable faith in the heart of My little ones. My fortitude will be in the world, like a firm arm that lifts up the souls that fell into the abysses of discouragement and despair.

Those strengths that I build in each of you who heed My call and who, in spite of yourselves, seek to respond to the Celestial Designs that I bring to you, as a pattern of new life, to build the New Humanity.

I come carrying Peace for a world at war so that, through My children, My soldiers and My companions, this Peace may be instituted in the world.

I come to invite you to transcend the human impulses in yourselves that emerge from within, to live a Higher Purpose and a greater consecration.

I do not only come to announce that the world is in darkness and that hearts are becoming lost in the abysses of the enemy of God. I come, children, to erect in you the Celestial Church in order to restore the religions of this world and unite them in the true Church of My Son; where competition and separateness do not reign, but rather love, fellowship and unity among creatures.

I do not come to tell you something that is utopian, which is a dream in the heart of those who love God. I come to build a reality in those who persevere, in those who will overcome their miseries and, their retrograde and degenerate human condition, with the daily effort of loving God, their brothers and sisters, and the Kingdoms of Nature.

I come, children, to show you a Plan that must be designed through your lives. I come to make you an offer and not just accept the offerings of your hearts.

I place all your requests in My hands and I transform them into roses to carry them to the Feet of God; but I also ask something of you; I ask that you be firm, true and transparent; I ask that you be humble in order to overcome the arrogance of this world; and I ask that you be simple and free of yourselves, to establish a true freedom, which in no way resembles that which humankind seeks as being free.

I come to ask you to unite as one army, as I see you when I contemplate you from Heaven.

I come to ask you to strengthen yourselves and thus strengthen the Islands of Salvation that I am building, so that, in the near future, you may also find in them a support and the rescue of your souls and essences.

I come to ask you, dear children, to listen and follow the Voice of the Universe that resounds through the Word of your Celestial Mother, because the end times of illusion on Earth are coming; and all, all those who committed to God since the beginning, must take up the Seal that God gave them from the beginning in their hands, and place it in front of them, as a symbol of their complete adherence to this Plan of Salvation.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My most ardent and urgent desire, as Empress of Peace, in response this afternoon to the Will of Emmanuel, is that here, in this Marian Center, the Blue Cross be built.

It is a request that I emit to all of Uruguay and the Southern Cone, in order to establish here a greater time of peace and of opportunities for the most lost souls.

If this should be accomplished, just as I request, I will return here with a greater impulse, even stronger than the one I gave ten years ago.

Remember, dear children, that the cycle has already changed and that we are in the last stage of the great planetary definitions.

Let it be fulfilled, then, the advent of the Blue Cross of Emmanuel, and may all that does not belong to the Light around this Kingdom of Aurora be dispelled, in order that your people and this nation awaken from what they have erred.

Let nobody lose the hope of reversing the most impossible cases, for if I am here, Who am your Mother, it is possible to change everything in time.

So be it.

I bless these elements in the name of My Son, so that you may avail yourselves of them, in renewal and in healing.

I bless your souls so they may receive peace, so they always remember that here they will find a refuge in the Heart of God.

Let the banners of the New Aurora be raised.

Let the suns awaken to the call of the universe and the self-summoned assemble to form the first rows in the Return of Christ.

May the prophecy of your Universal Mother be fulfilled and that all participate in an eternal communion with the Creator.

I thank you and today I go in Peace because here I find a place where I can always place My feet as it was in the beginning, in the origin.

In the name of the Father, the Son and the Holy Spirit. Amen.
