

Rosary for the Salvation of the Kingdoms of Nature

AUDIOVISUAL

During the Vigil of Prayer on July 24, 2014, at the Marian Center of Aurora, Paysandú, Uruguay, Our Lady presented Herself as the Queen of Peace.

She came crying for those who lose themselves, day after day, who do not experience God, and who do not have the strength to follow Him. She asked us to pray for all of them. However, in spite of everything, She was very happy on that day.

The Virgin Mary showed us some truths about this world, many situations that happen with the Kingdoms of Nature within different parts of the planet that we are not conscious of.

She said: *"For God to not pour out His rage and His justice upon the world, I come to give you the Rosary for the Salvation of the Kingdoms of Nature."*
