**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Elevate your gaze towards God so that through My Immaculate Heart you may find the Divine Purpose. The world is asking for help for Redemption. Therefore, dear children, awaken the flame of prayer in your hearts. Thus you will build the path for the conversion of all souls.

My beloved children, I search for you so that you may constantly live in the Love of God, and it is in this Love of the Father that your hearts will be able to uplift the consciousness in the name of humanity.

Dear children, I wait for you in prayer so that together we may walk towards the Heavens of the Lord. There you will discover the keys of peace and love. For this reason, dear children, I present Myself daily to you so that you may grow as souls and as one only heart which can radiate a Greater and Pure Love, necessary for many creatures.

Your prayers must not only be a constant dialogue with God, but they must also respond to the emergency of the souls and of the world itself that awaits the hour of His Mercy.

For this, beloved children, prepare each day of prayer as a unique day of communion with the Celestial Father. Turn your eyes towards the Heavens so that the Divine and Unfathomable Grace may be the solution for many souls.

Dear children, seek to be in God and in the Divine Father, thus you will be able to find the Light for each inner moment. Carry the flame of peace in your hearts so that, through love, it may be propagated through the world, in the same way that Light is.

Thank you for responding to My call.

Peace for all My children.

Mary, Mother of the Divine Conception of the Trinity
