**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

*Peace, Peace, Peace on Earth! Peace!*

My children need redemption, conversion and reconciliation with God. The Supreme Father calls you to the penance of the heart. He calls you to the hour of reflection as souls of humanity. The one who listens to the call will be saved and Mercy will embrace their soul. But many hearts still do not hear how important the conversion of the heart is in these times. If My Immaculate Heart talks to you about conversion, it is because you have not yet purified the heart sufficiently.

For this reason, dear children, I invite you to pray in groups so that communion with My Son may manifest itself in your lives. Many souls must recover the alliance with Christ, even more, those that unite to the principles of the world. I call all those hearts lost in the vices of the world to the hour of reconciliation. They do not have the strength in their heart to get out of the path they are traveling. This is why I invite you to pray for all of them so that God in His Mercy may be able to rescue them.

Dear children, the world is in a final time of change; this is a universal truth that many hearts still do not want to see. For this reason, the moment has come to exercise all that has been taught so that your hearts, as instruments of the Father, may be the emanation of peace for the world.

Dear children, in this reflection and call for reconciliation, you will be building the bridge toward fraternity among the hearts of all humankind.

I keep you within My Heart. Let us pray and let us cry out for the presence of My Son so that He, by sending His Mercy to the world, may awaken hearts to the call.

Thank you for responding to My call.

Love: a divine spring of Light for hearts.

So be it.

Mary, Mother of the Divine Conception of the Trinity
