**MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF CÓRDOBA, ARGENTINA,
TRANSMITTED BY THE QUEEN OF THE HOLY SPIRIT TO THE VISIONARY FRIAR ELÍAS**

Dearest children of Cordoba and of the whole world:

In the name of the Love of Christ, Your Lord, I gather you to renew you by means of the Source of the gifts of the Holy Spirit.

My Immaculate Heart attracts to your lives the gift of Piety, the gift of Strength and the gift of Science; these three gifts will be the ones that will renovate the life of the consciousnesses that participate in the Plan of God and in consequence, many hearts will see themselves benefited when My servants live and work through these three gifts.

As Queen and Mother of the Holy Spirit I call you on this day to reinforce the efforts in the mission of the prayer of the heart. My Divine Spirit will guide the steps of the souls who are willing to be active representatives of the Spirit of God on Earth because, in this time, only through the strength and the wise power of the Holy Spirit will be resolved many confusing situations.

Now the Holy Spirit embraces you and welcomes you in the Essence of the Love of God, so that in this era your walk in the Plan of God is totally defined and confirmed.

New soldiers must arise from the planetary chaos, for this My Holy Marian Spirit will accompany the servers that lovingly diffuse the Science and the Life of the Holy Spirit.

My Heart invites you to think and interiorize in the heart the gifts of the Holy Spirit. The Holy Spirit wishes profoundly to be a part of your lives and to transform that which still has not been transformed; for this your determination will be necessary, so that He may work.

Beloved children of Cordoba, in this way My Immaculate Heart returns to your dwelling places to light the Fire of the Holy Spirit. Only in the Holy Spirit of God may you find the inner strength and the determination to proceed accomplishing the Plan of the Father.

Cordoba and the North of Argentina have the mission of representing the Holy Spirit through His gifts and of being groups of pioneering souls of the divine gifts.

Through the daily prayer to the Holy Spirit and the invocation of the Supreme Consciousness of the Spirit of God, new and renovated sources will arise for the conversion and the redemption of the hearts of your nation.

The Celestial Universe of the Holy Spirit waits for you, so that the gifts that Argentina needs to live and to profess from the heart may descend and be materialized through your lives.

The Queen of the Holy Spirit comes from Heaven to give you this luminous impulse of devotion and of loving work dedicated to God the Most High.

May this day, of encounter and of celebration with the Holy Spirit of God be the reason for the renovation and the confirmation of your lives to the Sacred Universe.

I thank you, dear children of Cordoba for having trusted once again in My call!

I bless you in the name of the Holy Spirit of God,

Your Holy Mother Mary, Queen of the Holy Spirit
