APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF THE HOLY SPIRIT, CORDOBA, ARGENTINA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My very dear children, one hundred years after being in Fatima, today I am here among you, with this humanity, for this beloved planet which from the beginning has been a part of a project greatly appreciated by God, which must be concretized in this end of times.

Today I come here, dear children, with a special Message that is born of My Immaculate Heart, to announce it to all the souls of the Earth, especially those who are the favored ones of Your Celestial Mother.

Today I am not here alone, dear children, but also with the Presence of the Father and the Son; and this Sacred Trinity, which is being established today in this Marian Center, benefits many souls in the world, resolves many planetary situations, dissolves many evils that were about to happen.

With the love that comes from My children of the world, with the love that comes from your hearts, I can transform this humanity and this planet into the spiritual and physical model that God expects. It is enough, dear children, that you follow the indications of your Celestial Mother so that My Immaculate Heart not only continue to triumph in your lives, but also on all the planet.

The Message that I want to bring to you and bring you closer to today is about the important events that took place yesterday in the Sanctuary of the Aparecida, and today in the Sanctuary of Fatima in Portugal, moments in which the souls most appreciated by My Immaculate Heart went to meet with your Celestial Mother, not only to implore and plead with Her for healing, but also to pray with Her to stop new events on this planet, just like a hundred years ago.

I want to tell you, dear children, that with the two meetings carried out, both in Brazil and in Portugal, many situations that perhaps your minds are not able to understand today, were stopped.

Thus, today I invite you to place My Words in your hearts, because it will be the place where they will truly be perpetuated and cause the sacred virtues of the Divine Family of Nazareth to grow in you.

With the meetings that took place on these two days, not only Argentina was aided, but also the whole world, but especially the places of the world where nuclear and atomic tests are done, which are at the point of being activated in humanity.

But this was stopped in the thoughts of those who idealize it, as well as in those consciousnesses who carry it out.

Humanity does not have control in their hands or in their actions. Power itself is held by Our Creator, although humanity knows absolutely nothing about it.

See how simple, dear children, can be the act of love that can be born of your hearts for the Celestial Father, and everything that He must do on this planet and with this humanity.

The souls of Asia were also helped, especially those that face annihilation and torture; and in truth I tell you, dear children, that these events also cause My Immaculate Heart to suffer.

But I gather up the strength to continue to come to the world through your prayers and your presences. This is what motivates Me to continue coming to the world, because I know that on this planet, in spite of there being imperfect souls, there are true hearts that want to work for the good and for peace.

On this afternoon, dear children, when your Celestial Mother unites this Marian Center with the Marian Center of Fatima in Portugal, I want you to be able to fully understand how important the meetings, the calls and the convocations are that Our Sacred Hearts are doing in these critical times through the Pilgrimages for Peace, of which the aim and the primary reason are to avoid there being many more disorders in the world than those which already exist, many more revolutions than those occurring, and mainly, avoiding the continuation of the human massacre of this humanity.

I want you to feel in your hearts the true call of My maternal Heart, just as you have felt it since the last Marathon of Divine Mercy up until today; taking care, accompanying and carrying out each detail to be able to honor God Our Creator, who continues yet to be very offended and who today is repaired by the prayers of your hearts, by the pleas of your souls and by the true intentions of your spirits.

To follow the steps of the Celestial Mother in these times, dear children, means to make new decisions in your lives and experience great changes, changes that you have never experienced before in this life, for the main reason of helping the evolution of this planet and the survival of this humanity.

I would like, dear children, that from your hearts a vow of commitment to Me be born every day, so that I may perform through you the thousands of wonders and of miracles that I still want to carry out in your consciousnesses and in the whole planetary consciousness.

Through these pilgrimages for peace, the Divine Messengers untiringly and unconditionally come to build on the surface of this planet the bases that will be used in the future for the New Humanity.

We know, dear children, that your humanity of the surface is going through a great and definitive transition. I ask, dear children, that you not fear what Our Hearts have announced, but rather you live Our Message daily, so that future events be diverted, dissipated and transformed by the light that can be born of your hearts.

I can no longer see souls suffering in the world and how consciousness of this humanity daily decides to take other steps that separate them from God, and especially, from the universe of His Love.

Thus, I invite you on this afternoon to renew your vows, so that you may be more merciful and carry this so needed Mercy to the world to be able to close the wounds of many hearts and lives, and bring the peace that the world so needs in these times.

I would like, dear children, that these wonders, these miracles of love that we can do together through these meetings of prayer, which greatly help the planet through the avoidance of catastrophes, will be able to be repeated.

May these meetings be able to be renewed, may they be able to give you the impulse to live your inner transformation, and in these times, find the path of return to Christ.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

It is in this way that I reveal to you that My Mission in this world, together with each of you, is much broader, deeper and more infinite than what your hearts imagine or know.

Today, My children, I come to this place to broaden your understanding, not only in relation to these times, but also in relation to the mission that each of you has with Me.

I called you here not only to heal your lives, your souls and your spirits; above all, I called you, My children, so that united with Me, we may heal the wounds of this planet, heal its wounds that go beyond the Kingdoms of Nature, that go beyond the consciousness of this planet, beyond the human consciousness and reach the Heart of God, wounded daily by the outrages that His children commit out of a lack of awareness, out of ignorance and a lack of love.

Today I call you to a reparation of the Heart of God and of human life, of the consciousness of the Kingdoms of Nature and the spirit of this planet which untiringly sustains you, although you do not see it, do not know it, do not know about its mission or its perseverance.

Today, children, I come to share with each of your hearts, the pain I feel for this world, not only so that you suffer, so that you feel this pain in your hearts, but so that your consciousnesses wake up to know the planetary need, which is beyond your homes and the sorrow that your hearts may experience.

There is so much in this world to be repaired, to be healed and to be redeemed, My children, that I need you to hear My call and that you simply pray with Me for the redemption of this humanity.

In the face of all that is happening in this world, it is so little that I ask of you, that you pray for peace, that you not only pray for yourselves, but for all of humanity, and that you also serve, that you provide an example and testimony of the change God makes in your lives every day.

I want, My children, to expand My Kingdom of Peace beyond Fatima.

(The transmission is interrupted because of an electrical outage)

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Do not worry, dear children, for My divine and universal Presence is powerful and transformative, and everything that I can touch is liberated.

Everything is in universal order. Everything is under My immovable and non-transferable Peace.

Continue to listen to My Message.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

What I want to tell you is important for the confirmation of your spirits upon a unique path, which not only leads you to peace, but also builds the triumph of My Immaculate Heart on this planet.

For this reason, in the same way that at this moment I ask that you have an immutable peace, and that with Me, it be invincible, irrespective of interferences or the chaos there may be on this planet; within you, My children, I want to build true disciples of peace and companions of Christ, so that My Kingdom may expand out through this world beyond the sacred places I founded and that, through each of you, My Peace reach the four corners of this Earth.

In this way, children, I come on this day to reveal the importance of you being confirmed in My Plan, which in truth, is the Plan of God, a single Plan for the redemption of this planet, for the renewal of this universe, as well as for all of creation.

I want to lead you through simple things, simple actions and real transformations so this Plan may be accomplished.

For this reason, I ask that today, at My Feet you give up all human will and ambition which does not build what I hope to build within you. Like warriors of this time, that you place your swords at the service of God so that they do not fight for some other reason, but rather for the establishment of peace. And that, in Fatima as well as in Lourdes, as well as in Aparecida or in Aurora, My army be a single, invincible one, because it acts together with God for the reparation of His Heart and for the transformation of this planet.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On this afternoon of Grace, I also come to bless those who will be consecrated as new children of My Heart.

Thus, you will now take, dear children, the water of this basin, blessed by the Holy Spirit, so it may be sprinkled over those who will be consecrated by a priest, as a symbol of consecration and of renewal, closing the doors of the past and opening the doors, the new doors, to the Celestial Kingdom.

May this consecration mean to live the commitment with God in a perpetual and eternal way, so that all that surround your lives and paths may also be able to receive the Grace of being consecrated someday to My Maternal and Immaculate Heart.

In this place, and through this new army that is being consecrated today, I want to see true warriors of peace who, in Argentina, make the importance of this Marian Center and the spiritual task it carries out be known, when souls simply place their feet on this place, for this will help more souls in this Argentina to once again recover the light of love and mainly experience the path to their

redemption.

Friar Elías del Sagrado Corazón de Jesús:

Let us fetch the water. Sister Amerisa, if you would, please.

Let us prepare at this moment and in the Presence of the Most Holy Mary for this consecration of the new Children of Mary who will represent Argentina and the future which this nation must live as part of a New Humanity.

So be it.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Beloved and Almighty Lord, yesterday, through Your faithful Servant, You deigned to bless this small and humble source so that from here the New Christs may emerge.

Friar Elías del Sagrado Corazón de Jesús:

We will ask the new Children of Mary who will be consecrated to stand, place their hands in a sign of reception and let us prepare for this consecration.

We will intone the hymn of your consecration.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

When a soul is consecrated to God, it can mirror the Divine Attributes of the Creator on the surface.

Divine Thought is done through the souls that are consecrated, to find again in each moment the love of the universe and all of Creation.

I leave here, dear children, with the joy of having accomplished this important call through you.

I invite you and I call you to accompany Our Sacred Hearts until the end of this pilgrimage, through which many more things will be avoided.

So be it.

I bless you, under the authority that My beloved Son granted Me and under the authority of the Supreme Celestial Father.

In the name of the Father, the Son, and the Holy Spirit. Amen.

I thank you for responding to My call.

See you soon!
