**MESSAGE FOR THE APPARITION OF MARY, QUEEN OF HEAVEN, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS**

Dear children,

That heart which is a part of My Marian army in the world should not fear anything, for your hearts will receive the Mantle of My protection over your beings. The soul that lives My call should not fear, because My Voice will always echo in the heart of all devotees.

Dear children, today I call on you to sustain the flag of peace and of redemption of the Virgin Mary and of My Son Jesus, for in this time, valor and deep love will be necessary to be able to live in the Divine Laws. Today, let your souls congregate like in the Cenacle of the Virgin Mary so that, just like the apostles of Christ, you will bear the living Flame of the Holy Spirit over your heads.

My children, let this Holy Spirit inspire you to speak the language of the heart so that, united with Its Gifts, you may be given the impulse to walk in the apostleship.

While humanity sleeps, while humanity suffers and despairs over the life it now experiences, because of the lack of faith in families, and above all, because of the lack of prayer, I invite you to gather up the inner strength of your hearts so that, united under a single fraternal spirit of love, the Lord hears the urgent pleas of all His children.

Dear children, as Mother, I not only guide you, but I am also your Celestial Mediator, and once again I hope you will experience faith through My absolute trust in the Lord.

Dear children, it is urgent that the souls on the surface of this world do something for their own spiritual home, which is the planet, a creation that the Father gave them and which has been outraged.

See, My children, how important it is to live through the inspiration of the Holy Spirit, so that It may repair the causes by which the Kingdoms of Creation are in subjection in the world, from their existence until now.

As hearts of My Immaculate Heart, I wait for you so that, from your consciousness, you respond through prayer; collaborating with everything that is life manifested all over the Earth, such as the brother and sister Kingdoms, Kingdoms that have given you the opportunity of life. Through the Holy Spirit, dear children, contemplate all the needs for reparation and love that the little lower brothers and sisters expect from you.

Today, as Mother, I speak for all the Kingdoms of the Lord, especially for the plants, which suffer the outrage when their life is removed from the Earth.

Today, I speak for the minerals, which endure the suffering of the destruction of the precious riches God created.

Today, I speak for the animals, that suffer the oppression of humankind, and which have their lives taken from them.

With the powerful Holy Rosary in My hands, I pray for those children that have depredated and offended Creation. I pray for humanity, so that through the divine power of prayer, it may awaken in time to the unreal "reality" in which it lives. I constantly pray to My Son, so that His blessed Mercy may intercede in time with God, especially for the Kingdoms that suffer.

Dear children, God has given you, as the Human Kingdom, the opportunity of ascending through love and spiritual awareness.

Today I ask that you not become tired of praying, so that the miracle of the love of Jesus Christ can awaken in all those who daily sleep in the illusion.

My children, as you will see, My call is universal and celestial, because it is time for reparation, it is time to cry out for Divine Mercy, it is time for infinite forgiveness.

I thank you for responding to the call for prayer for all the Kingdoms of the Earth; most especially, as from now, My Heart is grateful for the spiritual guidance on the Kingdoms which will be given to the young souls in Lavras, Minas Gerais, Brazil.

Thank you for responding to My call for the reparation of the world!

Who places you in the Mercy of Christ to pray for you,

Mary, Mother and Queen of Peace and of Sublime Creation
