WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NAZARE, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

Like the breeze from the sea and from all the oceans, I come to this blessed place to bless you and give you My Peace.

On this day, I come to repeat the final call of My Son: may hearts awaken in His Redemptive Love.

For this, My children, you must seek the Inner Christ within yourselves. It is very urgent and fundamental that this be present within you so that the planet can be sustained, not only in its spiritual balance, but also in its material harmony.

Through recent events of the current pandemic, souls have become confused, many are disoriented and most do not know, at this moment, which path to follow.

Tell everyone they are My children, that I am here as the Servant and Lady of the world so that, through the Light of My Heart, many more may reach God, may return to the Celestial Father.

Beloved children, this is My main Message to all: let the love that trusts be reborn in the center of your being so that the Father, the Son and the Holy Spirit may have a favorite dwelling in the heart of My children.

For this reason, all those who pray to the Mother of God should continue doing so, because the Return of the Lord is near, and most of My children must be awake.

I thank you for responding to My call!

Who blesses you and accompanies you,

Your Mother, the Virgin Mary, Rose of Peace
