APPARITION OF THE VIRGIN MARY IN THE CITY OF GOIÂNIA, GOIÁS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On this night of Graces, I want to give My blessing to the world, mainly to the hearts that are empty, so they may all receive the Peace of God.

From the heart of Fatima and with joy, I gather you all in the Sacred Cenacle, in the Presence of My beloved Son Jesus and the faithful and most chaste Presence of Saint Joseph, for as the Sacred Family of the universe, We radiate Our Stars of Light, which Our Consciousnesses conceived of and opened the doors to the world, directly toward the path of redemption.

On this evening, My Immaculate Heart gladly and joyfully celebrates the lit candles, the souls that wake up to the path of conversion and of peace. And although you know, My children, that the whole world suffers and endures, today the Queen of Heaven brings a unique opportunity for all, opening the doors of the heart to you so that your lives definitely find the soul, sacred precinct of God, where your King wishes to rest at the moment of His great Return to the world.

Today, the angels of Lys assemble and deliver peace to the most distant places of the planet, especially to all those souls that do not follow My religion and do not know My divine Face. But the Mother of the World, the Lady of the Stars of the universe, the Queen crowned by the Crown of God, in the presence of all the Angels and Archangels, together with Her Son, celebrates the mass of redemption, the re-encounter with the spirit of love in all lost souls.

Thus, on this night of Graces, not only the Sanctuary of Lys is lit up, but all the hearts that devotedly awaken their inner mirrors to radiate the codes of love and of peace to the world.

Today, in truth, dear children, I feel united with each of you. In this way, your sins are liberated, and all the stains of suffering are alleviated.

I am present here, among you, My children, as the Queen of Peace, as the Queen of Love and of Mercy, as the One who had been among you in Nazareth, gestating the Son of God in Her Womb, and bringing the opportunity of change for the whole world.

I am that Woman clothed in the Sun, announced in the Apocalypse of John, who brings the moon under Her feet, announcing hope to this world that suffers, and opening the door for you for the Return of My Son, the firstborn Son of God, your Jesus, King Jesus.

Thus, open your hearts and let your faults be forgiven, through the Communion that all My children, far and wide in the world, on communing with My beloved Son, received His Most Sacred Redeemer Body, in a perfect and divine union with His mystical and divine Spirit. The Graces and Mercies of God descend to this world through the hearts of the Guardian Angels.

Thus, on this evening, I also invite you, beloved children, to dispel all problems from your minds, the Grace of your conversion is close.

The Archangel Michael, together with the Archangel Saint Gabriel, unite at this moment to radiate the power of My Immaculate Heart to the world. Happy are those who feel My maternal Presence, in spite of not seeing Me; for God still wishes, beloved children, that I use certain instruments throughout this humanity so My Word may be announced to the world, which is the Message of Christ, your Savior, which will always bring you peace and hope in these difficult times.

But today, in My universal and maternal reign, My sacred hands sustain the scepter of Peace to bring the world the true Justice of God, and in this way, all hearts can be harmonized with the Law of the Creator.

Feel the Rays of My Immaculate Heart, so that one day, beloved children, you are able to understand the Laws of the Creator; those that are greatly assaulted by ungrateful hearts that do not want to listen to My Son, neither in Confession nor in Communion.

But you, beloved children, more aware of the spiritual and higher life, will be able to raise to Heaven all the hearts of the world as a sacred offering, which before this end time, must wake up to the call of the Mother of God.

Today I am among you, strengthening the cenacle of the heart; reminding you that you must continue to pray every day, especially in this time of tribulation, which begins to take place within people, and which expresses on the outside of this material life.

I want you to leave here alert and prepared, and that all the hearts united with Me at this moment, in the Sacred Sanctuary of the Kingdom of Lys, may be able to live a good life, of reconciliation and peace, experiencing repentance, strengthening their faith in Christ, renewing the Sacraments and living a life of fraternity, so that at least, My children, a part of this race is able to concretize the advent of a New Humanity.

Some hearts already live this New Humanity in the depths of their souls, waiting for the great promise of the Promised Land that will come to aid all from the Celestial Universe, through the New Jerusalem, which will be formed by the disciples of My Son, those latter-day saints, who will proclaim the last word before the great door in this humanity is opened.

Thus, today, My children, I not only contemplate your needs, the lack of love in your hearts and the strengthening of faith in your lives; I come to bring you a Message of hope, but also a Message of warning: the hour has come for praying with the heart every day and of not wasting time on superficial things.

Feed your spirits and minds with the sacred Word of My beloved Son. Study the Gospel. Visit the Bible every day. Read the Messages and practice them, so that your lives may be an example of charity and service, through the tasks of love and the spirit of redemption.

Today, before you is the New Aurora, that which always shines in the inner firmament of the hearts that invoke it, in the Sacred Presence of the Father-Mother Creator Emmanuel, which unites you with My Divine Heart so you may experience the opportunity for redemption.

Liberate your faults and debts and find again the path to the Kingdom of God.

For this reason, today I am here, in Goiânia, so that the State of Goiás, together with Mato Grosso, may establish new groups of prayer to pray for the Kingdoms of Nature, mainly for the Animal

Kingdom, which is greatly punished by all. That debt must be balanced.

For this reason, today I leave you all with the responsibility of responding to this call of My Immaculate Heart, and that you wake up to an awareness of Genesis, in which God, from the beginning, since Adam and Eve, provided all the necessary things to live without any need to assault the Animal Kingdom or any Kingdom created by your God.

I not only come for you, a sleeping humanity, announcing Myself from the Sacred Kingdom of Fatima, waking up your essences, which must be united with God all the time; I also come for the Younger Kingdoms, which co-exist with you all the time, which are injured and assaulted by the violent hands of humankind, without the least respect for the Law of Creation.

You, who live here and know about the massacres of the Animal Kingdom, I invite you, dear children, to seek a natural life, avail yourselves of that which God gave you from the beginning; feed your stomachs with healthy, divine and sublime things; leave the Kingdoms in peace, let them evolve. They need you all the time and so that the Law does not fall upon this very deaf and blind humanity.

I come to warn you, dear children, about a door, an opportunity: open your eyes to the call of your Mother from Heaven.

There is no time to lose. Do not be involved any more in modernity, do not be instruments of My adversary. Use your higher intelligence, wake up your sleeping cells so that God is able to work through your hearts and lives.

Humanity owes much to the universe; but as I come from you and you come from My Heart, I am part of this humanity since the beginning. I bring you the Truth and Justice so that you may recognize them and live with simplicity.

Beloved children, today all the universe assembles so that, from the Kingdom of Lys, souls leave renewed in hope and faith. And when you, beloved children, stop doing some things in your lives, attitudes that lead you to perdition, you will be able to understand My Message and will truly believe that everything I tell you today is part of the Will of God. In this way, you will change your lives, united every day with the Holy Rosary, elevating your spirits in perfect Communion with My resurrected Son.

So, open your eyes and stop sleeping. Come out of this sleep, this torpor. Wake up, in the same way the apostles woke up in Gethsemane, when they had to accompany the agony of My Son.

But today, I bring you a little of the Mercy of God, because I interceded for all of you so I could tell you all these things.

When humanity changes, and at least a small part of this humanity lives the last Message from Heaven, I will be able to say, My children, that you will already be prepared to receive Christ. And even though that is about to happen, My Immaculate Heart, your Solar Eagle, will continue to fly over this humanity through the sacred pilgrimages, so hearts may wake up to the Call of God and stop offending Him all the time.

Dear children, what happened in Fatima was very important; but what happens here today, in this place, is radiated to the whole world, to the world of the soul, the essential world of all hearts.

This is My testimony for all. This is My Message of warning for the whole world: change, change soon. Do not live a superfluous life. Repent in time, confess, commune with My Son and you will be saved by My Most Sacred Heart. In this way, I will be able to count on many warriors of peace who will fight, with the rosary in their hands, in the culminating time of the tribulation, in which they will be united in prayer and in spirit, in union with My Immaculate Heart, waiting for the Return of the Christ to the world, when all of humanity, from East to West, will wake up and recognize the Universal King.

On this day, My children, in which your hearts withdraw into My maternal Spirit, I am present here, filling you with My Peace and with My Love; I am present in Fatima with all My children, in all the homes that are united with Me at this moment, in all the orders consecrated to God, and I am also in Kibeho, working in the heart of Rwanda for all of Africa.

Thus, beloved children, as you know My different Aspects of Light, with which I have appeared to different hearts, to bring a Message of peace and of hope throughout the centuries; today I wish, beloved children, as your Lady of the Most Holy Rosary, that you hold in memory My Message of Peace, My Message of instruction, which comes from the Will of God and His Supreme Power. My Message is strong and intense, with the hope that your cells wake up to the call to redemption and conversion of hearts and of families.

On this evening, beloved children, place your aspirations in My hands. In the silence of the heart and the word, tell Me inwardly what it is that you need, I hear you through the silence.

And now that I have received your pleas, place your left hand over your heart and inwardly proclaim your consecration to My Immaculate Heart.

I am the Lady of the Divine Verb, and I am with all those who are consistent with God, in humility and simplicity, in reverence and love.

Today, I consecrate all these sacred images so they may be the icon of your hope, of the Mercy of God, through your Lady, the Celestial Lady.

On this evening, new children will be consecrated and I hope, will walk by My side, carrying the flag of peace. In spite of the shaking of the ground, My Heart will support those who are faithful to My maternal Spirit. I will not leave you alone, you will not walk alone, My omnipresent and universal Spirit will always fill you.

Friar Elías del Sagrado Corazón de Jesús:

Let those children who will be consecrated come here. In the presence of Our Most Holy Lady the Virgin Mary, we will listen to "Our Lady of Kibeho."

As your Lady of the Divine Verb, the Most Holy Rosary of Fatima, as the Queen of Peace and Mother of all humanity, united in the heart, I consecrate you, dear children, under the omnipotence of My Son Jesus, in the name of the Father, the Son, and the Holy Spirit. Amen.

Dear children of the United States, My hope of reaching your nation is latent in My Heart. Through your steps, My task will be concretized, and once again, My Immaculate Heart will triumph.

I thank you!

Song: "Our Lady of Kibeho"

Friar Elías del Sagrado Corazón de Jesús:

At the request of Our Lady of the Most Holy Rosary, we will all stand to sing the Hymn of the Sanctuary of Fatima, today, May 13.

We remain standing, quiet and in silence, and after this song, we will prepare for a break, still remaining in the Presence of Mary, to celebrate Communion together. Let us begin.

Song: "Hymn of the Sanctuary of Fatima"

Brothers and sisters present and those who are gathered together in the Marian Centers, we will begin this ceremony of Communion after this meeting with Our Lady, responding to Her request to commune with the Body and the Blood of Christ.

Afterwards, the Sacrament of Communion is celebrated with various priests of the Order.

Friar Elías del Sagrado Corazón de Jesús:

Thank You, Mother, for all that you give us!
