APPARITION OF THE VIRGIN MARY AND SAINT JOSEPH AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I hear the voice of those who cry out for an opportunity, and through My Most Pure Womb, which gestates new things in all hearts on Earth, today I bring you the Spirit of the Nativity of the Lord so you may feel the Peace, the Good and the Mercy that are expanding throughout the four corners of the planet.

Today the prayers were gathered up by My angels and are being poured out as Grace upon the hearts most in need of the infinite Presence of My Son.

But today, I am not alone here, dear children, I am with the Presence of Saint Joseph and all the angels that guide Us toward the infinite Purpose of God, with all the Guardian Angels that pray for your souls and for your families.

A greeting is sent, a greeting of Peace is emitted from the Heart of the Universe, the Heart of Adonai.

Today, My Son is with you, open your hearts to be able to receive Him with humility and in peace. Do not cease, dear children, to seek He Who gave you life, He Who died for you and Who still pours out His Mercy upon the world, in spite of the wars and confrontations, in spite of the exiled families or the families that have experienced the flood in Uruguay.

The Spirit of God is attentive to the need of all His children in the world.

Today, dear children, offer this time of transition so that peace may reign, mainly in those that do not seek it. Today, My eyes gently look at your hearts. Today, My hands touch your heads, just as I touched the small Head of Jesus, to feel the Presence of the One God among all.

Today, My Heart speaks to all the inner Christs, which emerge from the depths of your hearts to bring Peace and Light to the planet. It is that Light, dear children, it is that Christ which you must always seek, in spite of the time of tribulation.

Today, dear children, you stand before the sacred spiritual Manger which reminds you of the Birth of the Messiah, the incarnation of the Mercy of God in the world and the sacred opportunity for all souls.

While I give you My Words of Love and of Peace, place all My children in your hearts, all those who distance themselves from God on this night, for today My feet step on the head of the evil serpent, for the Grace of God triumphs through the Light of My most pure Womb, which renews you, which assembles you in Love and Truth.

Today, take each other's hands, all of you, just as I take the hands of My Husband, Saint Joseph, before the Celestial Kingdom and all the universe assembled on this sacred ground.

Aurora again rises in unredeemed hearts. Debts are forgiven, accounts are balanced, and the scales are in their just law through the loving giving of Our Sacred Hearts.

Honor God in the Highest. Bring Peace to Earth for all suffering spirits, for the souls that cry out for the Mercy of God, for those that suffer in darkness, for all those that are in the deepest spiritual loneliness, for the children and the sick in hospitals, for those who exiled themselves from their homes in order to find a new path of hope.

Congregate, through this union, the Spirit of the Peace of Christ, the healing of hearts, the Peace for all beings on Earth.

And now, dear children, place your sublime intentions in My most pure Womb, so I may gestate them and your beings may be born again through the redemption of the Lord.

Star of Bethlehem, circle the universe!

Star of the Brotherhood and of the holy fraternity, shine in the hearts that open to find peace!

Let us pray to God. Let us pray to His Mercy so His Rays may be poured out on those that most suffer in these times of chaos.

Prayer: Our Father.

And thus, dear children, I want to always see you united, in joy, in sadness, in brotherhood, in tribulation, in chaos, and in the triumph of My Immaculate Heart.

Now listen, through the softness of Our Words, to the Chaste Heart of Saint Joseph. That man who offered himself for all of you, so that the Project of God could be accomplished in the whole world.

Sister Lucía de Jesús transmits the Words of Saint Joseph:

On this night I only tell you to be humble of heart, for it is in humility that your most genuine aspirations will become real.

Seek the path of simplicity, for it was in the simplicity of this night, in the pure joy of your hearts, that the skies opened again for the Earth, in forgotten spaces of the world, where the Light of God was no longer able to shine.

Discover, dear children, that on this night, simplicity reigns in your hearts.

Discover the mystery of living with pure joy, of being like children that express themselves exactly as they are and offer it to the Creator, so that purity can reign again in the heart of humankind.

The Presence of God in the world is unknown to many, and little by little, humanity must again recognize that God is the Supreme Father of all the creatures of this Earth so that, united with Him, His Kingdom may be established in this world and unity again be a reality among all the Kingdoms of Nature, today including the Kingdom of the Angels and the Archangels, those that wait for you day and night so that with them you learn to create Light, to praise God, to build His Kingdom of Infinite Peace on this Earth.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, if your arms are tired, that is what you must feel. Untiringly seek unity among all beings of the Earth, because today I reveal to you the Mystery of the Birth of Jesus.

The unity of My Heart with the Heart of Saint Joseph, and with all those who assembled for this task, made the salvation of humanity possible.

In an act of humility and of reparation, we will again pray to God. But, dear children, on your faces I want to see the joy of communing with the Child King so that sadness, hate, lack of understanding, and disunity among hearts disappear; and that, in the name of My Immaculate Heart, before My Most Holy God, you promise to strive every day for this Sacred Unity that is disappearing from the Earth.

Let us pray:

We are a sacred family.
We are future seeds of the New Humanity.
We are worthy children of God.
Amen.
Amen.
Amen.

And now, place your hands on your heart, because Christ was again born in the hearts who today cried out to Him and sought Him from any place on this Earth.

I thank you, and we thank you for having responded to Our call.

Let the sound bowls and the bells ring. The King has been born in the tabernacle of the heart of all beings.

Proclaim this greatness to God. Praise His Name for the centuries to come. So be it.

While We rise, carrying the pleas of all beings, let us sing. Today a night of Peace is established.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.
