

Prayer to Affirm Unity

On [December 24, 2015](#), the Virgin Mary said:

"And thus, dear children, I want to always see you united, in joy, in sadness, in brotherhood, in tribulation, in chaos, and in the triumph of My Immaculate Heart. (...)

Untiringly seek unity among all beings of the Earth, because today I reveal to you the Mystery of the Birth of Jesus. (...)

In an act of humility and of reparation, we will again pray to God. But, dear children, on your faces I want to see the joy of communing with the Child King so that sadness, hate, lack of understanding, and disunity among hearts disappear; and that, in the name of My Immaculate Heart, before My Most Holy God, you promise to strive every day for this Sacred Unity that is disappearing from the Earth."

We are a sacred family.
We are future seeds of the New Humanity.
We are worthy children of God.
Amen.
Amen.
Amen.
