WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May the Sacred Protective Mantle of My Son, at this moment, heal and protect all those who continue to go through this pandemic.

My consolation and love of a Mother are within each heart that, at this moment, experiences disease and suffering.

This is why I ask, in a special way, that the Sacred Mantle of Christ may heal and relieve those who need spiritual and physical help, because souls must come out strengthened after this experience with the pandemic.

My Heart and My Life pray for you at every moment, asking and begging the Father to send His healing angels so that they may be by the side of the sick people and so that, through the angelic help, souls may have enough strength to go through this new school that all of humanity, since two years ago, has been facing.

As a Mother, I also pray for other causes that aggravate the situation of the planet and humanity. I pray for all the movement that nature fiercely carries out so that, in the inner planes, order and peace may be established, for climate change to no longer be the reason or cause for thousands of this who are displaced and underprivileged.

I also beg God for the most vulnerable and I ask for the Blessed Protective Mantle of Christ to protect and safeguard those who violently experience the end of times.

This moment, dear children, leads everyone to consider and think of others, not as a problem, but rather as the need to bring them love, support and, not only spiritual, but also material refuge.

When a fraternal consciousness really exists in this humanity, I assure you that many situations will be solved, meanwhile, the most vulnerable are subjected by those who take advantage of the chaos and disseminate it throughout the world.

Let us pray with greater fervor. May God hear the prayers of all His children.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
