WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today, My prayers are directed to all those who continue to go through this pandemic and especially to those who lost their lives due to it, in a way unexpected for all.

Today, I ask you, more than ever, to join Me in prayer so that your Celestial Mother can free from the earthly plane those who were imprisoned and were unable to continue their ascension path.

Therefore, My beloveds, the prayer of the heart, made with love, is the great key that opens all doors and that grants not only peace, but also the liberation of souls from spiritual prison.

I would like, at this time, for all the relatives who have lost a dear and loved one to be at peace and seek relief in My Heart of a Mother, because My promise is to intercede for the souls who traumatically suffered from this pandemic.

I ask you to be obedient and take care of yourselves so that, little by little, this planetary situation may be appeased, and so that such precious souls of this world may no longer be allowed to be removed from their earthly path due to unexpected consequences generated by this pandemic.

My dear children, may faith never weaken within you. May faith and trust in the Heavenly Father grant you the much-needed Grace of healing.

Remember that I am here, and I am your Mother, the Mother who loves you eternally.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
