MESSAGE FOR THE MONTHLY APPARITION IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY MARY, QUEEN OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children of Mine:

My Heart is filled with Joy and My Spirit rejoices when the souls answer to My call.

To this end today I wish to consecrate all the homes of the world to My Immaculate Heart. For this I come to ask you that an image of the Queen of Peace may be placed in the entrance of each house with the goal of protecting and helping all the families. If you do this you will be saying to the enemy that your dwelling places belong to God and that nothing that is not similar to the love of the Father will be able to reign there.

Dear children, you do not know how much I long to have you near My Heart and to listen to your prayers. Because of your loving answer God has permitted Me to continue to guide you in the way that many mothers in the world do.

For this I wish, dear children, that all the mothers that have already had children, in the same way that I have had Jesus, may be consecrated to the Spirit of My Maternity. In this way in your homes will reign peace and the unity in the times that will come.

Children of Mine, you do not know how much destruction and despair there is in the bosom of the families. The enemy and its modernities have succeeded to substitute the Word of Life, the Bible with the Internet, prayer with the uncontrolled word, fasting with incessant gluttony and, principally, true love of the heart has been replaced by lying and falsity.

To avoid the law of God upon many of My children I come to ask that all the moms look to My Heart and that they may feel My example of peace and humility.

You My dears, do not even imagine how much wickedness the enemy instills in the families, to the point of reaching destruction and disunity among the beings. But My sword of light descends from Heaven to cut all the evil and to establish the Love of God, that is Law and is Life.

As long as the Marian Centers in the world which I have founded at different times, are islands of salvation, so I ask you to be a true spiritual family; a family that seeks all the time to live the commandments of God and a life of love and prayer. In this way you will relieve My Immaculate Heart.

But remember My children, that the adoration to the Most Holy Eucharistic Body of My Son will establish, over the kingdom of the Earth, an opportunity of being able to receive a Greater Grace.

When you decide to place the sacred image of the Queen of Peace on the door of your houses, I promise you:

- To distance you from all material and spiritual evil.

- To unite you to the Spirit of God.
- To create in the homes true temples of prayer.
- To pour the Graces that your hearts need.
- To pray for you day and night.
- To establish the Kingdom of God in each member of the family.

So that the promises of the Queen of Peace may be accomplished I ask lovingly of all the moms of the world to recite to Me the following prayer, in order to reach My Maternal Spirit.

Prayer to reach the Maternal Spirit of Mary

Sacred Virgin Mary,
who gestated in Your Womb the Love of God,
and from Whose Womb was born the Supreme Life
that gave Itself to us in Mercy and Redemption.

O Sacred Mother!
Queen among all the mothers of Earth,
permit that we may live Your Maternity
so that, for the days to come,
we may recognize the face of Your Beloved Son Jesus
in the faces of our children.

Amen.

I thank you for answering to My call.

I bless you, I adore you and I love you,

Mary, Queen of Peace and of all the moms of the world
