EXTRA WEEKLY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED FOR THE 12th MARATHON OF THE DIVINE MERCY, IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Take care:

That your encounter with Me does not become part of a routine, because without perceiving it you will be losing a great part of My Glorious Kingdom of Love.

I come to dedicate to you a special and precious time. I come to pour over you a time of Graces and of Consolation. May this era in which all are immersed be a moment of preparation and of reflection to be able to reach wisdom in all the things of life.

I know that many have gone through a shipwreck during these last three weeks in which they did not find a port; but today I ask you if in truth you have sought Me, if in truth you have found Me or if you have called Me.

The Lord sends Me to give you a message of preparation and of warning, due to the inner thoughts that have touched strongly the sphere of Our Heavens, due also to the fear that evil imposes over those who are Mine.

For this, may in this new Marathon all your vows be renewed, so that in the definitive moment you may find an answer in all things.

I come to open the eyes of your consciousnesses; I wish that My Apostles of redemption may be renewed, so that in the end of the days they may be living testimony of My Father upon the face of the Earth.

Do not fear for those friends of yours in whom you trusted that have left My Boat in the last port through which I have passed to call new souls; My Omnipresent Spirit will always take care of those who once were a part of My Cenacle of Love.

May in truth this Marathon help you to find the spiritual food for your lives, may your real reason before all that is happening inside and outside the souls, be the path of Love and of Peace, so you may reach inner patience.

I place all in test, because the time indicates that the fruits must already be offered before the Thrones of the Creator. Do not fear to know the power of surrender, it will bring you to live the truth and in this way the lies and the wiles of life will be dissolved from night to morning.

I hope that this Marathon may be restorative and healing, because many of you need help, comfort and especially love to face the new cycles that will come.

Seek to live the Will and soon you will perceive how many different things than the Greater Will your beings realize. Untransferrable and immediate obedience may or may not save your lives, it will depend on the confidence that your consciousnesses realize when they receive the call.

Today I have come to reveal to you My honest Truth, because it is time to rapidly mature through the heart; in this way you will not lose yourselves in the superficial things and your hearts will emerge victorious by means of the wise intelligence that you may apply in each step that you take in this life.

It is time to prepare yourselves and to help the brothers and sisters, so that they too may live this preparation. I will not be able to say to you what will happen, all has been written, and in this way will be accomplished.

The wrong decision of a consciousness may change the course of the plans that were predicted by the Most High. I come in time to help you to meditate and to grow from within.

I thank all the Marathon participants for persevering through faith and for answering My call of Mercy.

Under the Wisdom of God, be blessed.

Thank you for seeking the Essence of Light of My Heart!

Christ Jesus of the Divine Mercy
