WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My very dear children,

As it was one hundred years ago, today I gather you again close to My Heart to ask you to pray, more than ever, for peace.

For this reason, your Heavenly Mother comes from Heaven, seeing that invasion, hatred, destruction and war between brothers has been established again in Eastern Europe.

With urgency and in supplication, I come to ask you to unite in one voice and one heart, offering to My Immaculate Heart, beginning February 28, a special Novena for Peace and the End of War in Eastern Europe.

Once again, the venom of impunity quickly expands over Europe, and the most underprivileged are forced to migrate.

The world believes it knows about control and the power of weapons.

After one hundred years, the Queen of Peace, from Fatima, cries for the scourging that is being caused to the Creator and the most oppressed families.

I ask you to unite in prayer with Me, because the blue tyrant wants to impose lack of pity and chastisement upon those who do not yield to his dark plans.

Children, unfortunately, we are reaching the expected end, a moment when the greatest and most unknown pain will come to the world.

Pray with fervor, and, in a true commitment, be together with Me in this fierce spiritual battle, when your Heavenly Mother will step upon the foolish and evil head of the serpent.

I am grateful to you in advance.

Who blesses you at this crucial moment,

Your Mother, the Virgin Mary, Rose of Peace
