APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCIA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Be still, dear children, be still.

I am present, doing a work with the world and your hearts are participants in it. An essential work for Peace and for the victory of the Kingdom of God in humanity.

I am so grateful, dear children, for this offering at the foot of My Altar. Offering of My children, of My most little children, for in My eyes, dear children, you are the littlest in the deepest essence of My Heart.

Today, I come as the Queen of Peace, as the Lady of the Universe, as the first Spokesperson of the cosmos for the planet.

Today, I want to tell you, dear children, that God has heard your offerings, the sincere offer of prayer for peace. And today, Jesus has come with Me, in the splendor of His Mercy, to bring you good news: that hope is not lost in the world.

This rejoices Our Hearts and the Heart of God, in the deep spiritual plenitude of knowing that there are souls who correspond to the Plans of the Most High.

Thus, through the ages and centuries, I have come to bring you My Peace and to announce My pleas to you; for I, dear children, am lovingly a part of you and you are a part of Me.

Jesus gave Me to you at the foot of the Cross. And you, have you given yourselves to Me? I know that many have already done so.

Although redemption continues in these times, I invite you, My children, not to tire of being bearers of My Universal Peace; for that deep and true spirit, which comes from My Immaculate Heart, comes to the rescue of the world in these times. And you, My beloved children, in the perfect plenitude of My Heart, will be able to be transmitters of that Peace to the world.

The pain has not yet ended and the war continues between hearts; but, in this part of South America, the seeds of Light, which your Blessed Mother sowed some years ago, are blooming.

Dear children, offer these fruits to the Most High God, they are fruits of Grace, Love and Unity. Participate, My children, in this Spiritual Communion with Christ present, who pours His Rays of Mercy upon you and especially upon those who suffer most from the lack of peace and love.

May your actions, dear children, be acts of love and compassion. For the love you have for Me, beloved children, may your thoughts and feelings no longer be destructive. May your true feeling be the deep feeling of My Son, may your thought be the Pure Thought of God.

I bring you a unique possibility: may you be My peacemakers, the peacemakers of Christ Jesus. Thus, through the universe and the stars, your Heavenly Mother and Her Most Holy Son came here to make this spiritual request, not only to those who are present at this moment, but also to those who listen to My Heart and to the Heart of My Beloved Son.

Today, I open My Mantle before you; I show you My Immaculate Heart, relieved at last by the love of My dear children, but I still have many sorrows for the world.

I would like you, beloved children, not only to be columns of My Peace, but also to be spokespersons of the Peace of the Lord, so that many beloved lost children may also find the essence and the spirit of My Peace.

Today, I am not alone here, I am with the Holy Presences of Jesus, the Father and the Holy Spirit. Today, the celestial choirs are gathered in this oratory of Love merging with the Spiritual Plane of God to establish this infinite communication with the essential mirrors of your hearts. Thus, the Gates of Heaven open in difficult and chaotic times. But know, dear children, that the Divine Word of your prayers brings the gentleness for these times and the peace that many need in this era.

Today, I am here, dear children, again radiating the love of Lys-Fatima to you, because the original purity is possible in your lives.

No longer look at your mistakes or your problems, look at your hearts which are full in My Heart of Light. In the sacred Presence of the Father, the Son and the Holy Spirit; before the Heavens that hear you, your voices will sing: "Lys, Maria, Lys".

Raise your candles for the innocent souls, so that the original purity may be established again in the essences that most need the Mercy of God. I hear you.

Song: "Lys, Maria, Lys".

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I want you to understand, dear children, that all the Words that I delivered to you in recent times, especially in the last days, may have seemed hard to many hearts, but they had the purpose of awakening your souls to find you today in the plenitude of My Spirit. Because you will be able to understand, through all that I have shown you, that the only way out is the one that leads you in the direction of My Immaculate Heart.

Today, you experience and know the power of your prayers, when they are absolutely united to My Immaculate Heart. Do you understand now, My beloved ones, a little of this love that exists within each one of you?

Today, I bring the Kingdom of Lys to this world, not only to this place, but especially to those places on the planet where the adversary is trying to make the purity of the hearts of My little children disappear.

The source of the purity of Lys is endless and, whenever you cry out for this purity in My Name, the Spring of Divine Energy will be poured over those essences that need it most, that are being extinguished by pain and suffering.

Tonight, I want you to know the brightness of the mirrors of your hearts, for I am igniting the Mirrors of Lys, those that today are projected within each soul that hears My call.

Dear children, I want this day to be marked in your lives and that this, which you felt at this moment when you cried out together with My Heart, only grows and promotes the transformation of your lives.

Everything you live must have as its basis what you felt in your heart at this moment, because what I made you feel is what you truly are: divine essences, which merge in God through the Sacred Heart of Jesus.

Today, here, in omnipresence and divinity, I want to leave you this blessing so that you may carry it to all of humanity; so that, through the example of your lives, you may make known the potential of the human heart.

Today, I leave you My Love in the depths of your beings so that you may seek it whenever you need it and whenever you find on your paths someone in need of this Full Love.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Opening the doors of your hearts, My children, the solutions come and the truth is manifested in the Sacred Presence of God who gathers you and summons you to love more and more each day.

My feet will continue to wander not only in the conflicts of the world, but also in the nations that need the Light of My Immaculate Heart.

Therefore, on this blessed night, in which the angels of Heaven congregate, I invite you, dear children, to go on pilgrimage with Me to Colombia and Venezuela; nations that must be pacified with all the prayers of My beloved children. There remains this call to each one of you so that your hearts may accompany Me in this spiritual mission.

But also, I have come here tonight, together with My Son Jesus, so that the Sacred Hearts, in the name of the Greater Good, consecrate these new children who will raise their aspirations to My maternal Heart so that I may feel and know them as a true feeling of always seeking union with the Kingdom of God.

Therefore, My children, children who will consecrate yourselves today, stand before My Presence and I will come to bless you.

Friar Elías del Sagrado Corazón de Jesús:

Now, those of you who are able, kneel.

Prayer: Hail Mary (Portuguese).

Friar Elias del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My very dear children, just as in Kibeho, when I appeared to the young people to give Africa the spirit of the Piety of God; today, I come to give you My Maternal Piety, that which helps your little hearts and which opens the doors to those who walk behind Me.

Today, your steps are directed towards My paths of Light. Today, your souls resume their commitment to My Universal Heart. Today, your spirits merge in God Most High, so that His Mercy may be established in the hearts and peace may reign in these times.

My very dear children, today I place each one of you close to My breast, close to My Immaculate Heart, so that you may feel the fullness of My Light and My Truth.

Today, I gather you within My sacred Mantle so that you may be spirits of prayer, precious instruments of God; Children of Mary who spread the Voice of the Heavenly Mother, who spread the principle of powerful prayer that I have been teaching you, throughout the ages, through the intercession of the Holy Archangel Gabriel, for the Archangel Gabriel announced himself before My Presence.

Today, this Sacred Creator Father brings you the spirit of Piety, Reconciliation, Peace, Mercy and Love.

Today, your debts are erased so that you may be born in My Spirit, in My arms, as Jesus was; and thus, these blessings may reach your families. Do not lose, dear children, the impulse I give you today. Your spirits will rejoice in the joy of My maternal Heart, just as Elizabeth and the holy women rejoiced in the Holy Spirit of God.

By the divine authority of the Grace and Mercy of God, in the name of the peace of the entire celestial universe, I consecrate you in the hope of a great transformation.

Under the Light of the Father, the Son and the Holy Spirit may your hearts rejoice, for you are in the Kingdom of the Mother of God. Sing, Children of Mary, from the depths of your hearts.

I thank you, beloved children, for responding to My call; for today, My Immaculate Heart had its triumph in the world.

Peace, shalom
