ANNUAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In these times, the world does not seek the Light. I come from Heaven to make it known, that powerful and sublime Light that emerges from the Heart of God for the world and for all the universes.

Today I am here with you, dear children, with My Most Holy Heart, commemorating this special meeting with My Consciousness, which unites all your consciousnesses with the Son of God, Jesus Christ.

On this day, I come to restore your lives; to restore your material and spiritual paths so that you may follow My call, directly to the Heart of the Creator.

This is My greatest wonder for your lives, that you follow a single path through My Immaculate Heart. For this reason, I come to call you, not only to prayer, but also to a fulfilling of your spiritual task in this mission of the 144,000, of the new apostles of My Son.

Do you perhaps believe you are one of them?

I come to reveal this prophecy to you, because the sign that the world needs to deeply change, before everything happens, is visible in these times.

My Voice is not only announced in Medjugorje; I come to this part of the Americas, not only to consecrate the Plan of God, but to also, through the peoples, have the new apostles of Christ emerge, those who will impart gifts and graces to all those that need them. Thus, My Heart is persevering, beloved children.

Today, a cycle in your lives closes. A new spiritual and higher cycle is coming to the world. It is beginning at this very moment, in this real time of God, in which all are invited, through the upliftment of the prayer of the heart, your communion with Christ and your repentance, to place yourselves again and again in light of Divine Laws.

For this, I come clothed in the Sun, to illumine your paths, to open your eyes, to open your hearts and thus, you may feel the Purpose of God through Me.

Today, My whole Consciousness is manifested in this place; just as God allowed it in this end of times, in which all are called to experience a profound reflection in the consciousness, to change the habits of your lives, to correct your paths, to follow the path of the Shepherd which is the real path, is the true Hierarchy of this galaxy, in this solar system and in this little world in the whole universe.

Do you know what this means, dear children?

I come to reveal the mysteries of God to you. Those deep secrets that, in the Divine Life of the Sacred Hearts, of the Sacred Family, were fully lived in the absolute trust that everything was true for the evolution of the hearts of the world.

I come with the aspiration of a good Mother, to institute the principle of a New Humanity here, strengthened through faith, love, unity and mainly, a trust that your lives, purified in Christ, will find the goal that you have sought for so long.

Your goal, My children, is to be found beyond other philosophies. I invite you to experience the philosophy of My maternal Heart, which is the perfect vibration of the Love of God manifested in the Heart of your Heavenly Mother.

Today I again present you with My Immaculate Heart, as a perfect offering to be able to experience redemption and peace, within and outside of yourselves, so the confusing paths fade and the Light of God again emerges in all the steps you must take toward the Lord.

My Heart is a Star manifested before you, which comes from the universe, crossing these thresholds of Light, to pour out the Graces that God has granted on this day. I would deeply like that, every day of My omnipresent Life, you could see Me; but trust, trust in the Will of God.

It is already a Grace for your hearts that you have been assembled on this holy day to renew your spiritual vows with the Creator; release your ties, leave the paths of damnation, the material lack of control of the life promised by this sick humanity.

Today I come to heal many of your hearts, hearts that are sick and have need of the relief of the attributes of the Universal Mother. If you live these attributes, I assure you, dear children, that you will not lose that path to infinity that you are invited to experience in this beginning of peace that I disseminate for your lives and the world.

As Mother of this humanity, Mother and Princess of this world, Commander of all these hearts, I come on this 8th of August to unite your hearts with the Sublime Spirit of God, which you know as the One Source.

My Heart is that Portal that today is open to your souls, in front of your eyes, with deep maternal Love, with the gaze of a kind Mother, so that everybody dares to enter into Me and consecrate your lives, according to your possibilities.

I come to give you this last offer on this date. This is the greatest Grace God has granted Me after eight years of patiently walking by your side, in love and in truth, so your hearts would be able to grow in faith and be nurtured by the Holy Spirit of My Son.

God granted, beloved children, that My Son come here to open the doors of this Aurora, so that hearts could be freed, redeemed and healed through the Archangel Michael. But that is a task, is a spiritual mission of Our Sublime Hearts in light of this unfaithful world, which seeks for results in other things, on other paths upon which souls are lost and distance themselves from God more each day.

Thus, the universe is around My aura, My blue aura of Light, to radiate the fortitude to you which you need to feel encouraged to follow in My footsteps, so simple and humble that in truth, dear children, if you dare to experience them, you will concretize your works, which are the Works of

God for the world.

But today, I am not here alone, but rather surrounded by the angels of Heaven, by all the Heavenly Hierarchies that respond to the maximum Will of the Creator. Today I am uniting this Spiritual Universe, where I am, with your material life, a life of sorrow and pain that must be rescued by My Spirit of Peace, before everything happens.

While I speak to you, dear children, I am working on your hearts so you may reach the Light, the Light of the redemption of Christ, so necessary and urgent for rehabilitating as many hearts as possible that walk in the darkness of My adversary.

But with My feet, on this soil of Aurora, I step on the head of the serpent; so that it stop causing souls to be lost and I, as from now, be your Governor, your Universal Mother, your Guiding Star, that will guide your steps, your paths and your families toward a new Repairing Communion with Christ, at the definite moment of His Return to Earth.

Happy are those who believe without seeing, because in truth, they know the Kingdom of God.

Happy are those who hear with the ears of the heart, for they will feel the Holy Spirit of the Creator.

Happy are those who repent from the heart, that set aside their ties so that the Aurora of My Heart remove all the evils of this world and the doors of redemption open for the hearts that are lost because of not wanting to follow the Mother of Heaven.

I bring you true, definite words for your lives. I bring you higher healing, the feminine principle, sacred and immaculate, in this universal life.

I come to open your eyes so you may reach your soul and so that your soul live in the Spirit of God, for the centuries to come.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

It is for this reason that I open all the doors of this world that separate it from the universe, and I unite the Time of God with the time of this Earth, to thus heal all the errors of the past, a past unknown to you, that does not come from this world, but which My Heart can indeed see and heal in your consciousnesses.

I come to release the ties with evil of those who say 'yes' to My Immaculate Heart, but let this 'yes' be true and let it manifest in the actions of your lives in the days to come.

I hope, My children, that you did not come to meet with Me simply out of a curiosity for knowing what happens on this sacred ground; that you are here because you are willing to definitely transform your lives, to release the ties of the past and be reborn to a new knowledge, to a new life, to a New Humanity, which must have each of your hearts and each of your consciousnesses as a seed.

Do not wait, My beloveds, for this humanity to suddenly appear, for it must be built through the conscious purification and transformation of each of you.

But the love for God and for His Perfect Plan must be greater than the love for the things of this world; because My adversary will seek in all ways to feed those desires and the aspirations that tie you to the illusions of this world, and in all ways, it will disguise these aspirations so they may seem true and spiritual.

For this reason, open your eyes, not the eyes of the mind, but rather those of the heart; because it is through the heart, My beloveds, that you will hear My Voice and will know that it is the carrier of the Will of God for your lives as well as for humanity, as well as for the whole universe, which on this day, assembles around My Mantle to observe the hearts of the world and contemplate the Project of God.

The universe waits for the response of all human beings. Thus, today I ask that you be brave, in spirit as well as in matter, to set aside the past and surrender to the new future that I bring before your eyes as an opportunity for redemption.

This redemption is available for all, but if you do not say 'yes' to Me and are not ready to transform your lives, this fount of healing will spill onto this ground and will return to its Source without having touched your consciousnesses.

Do you recognize, My beloveds, the great loss it is for this race if you do not accept saying 'yes' to the Power of God that manifests in His Servant?

Let me dissolve the fear of your hearts, to heal the lack of faith, for in this way, I will be able to shape you and protect you so that you go through the times that will come and that, in spite of all the events of the world, you never abandon the Path of the Lord, because the great victory of God is to manifest the full certainty of the perfection of His Project in His creatures, and that these children of God accept following the Light, beyond the darkness that surrounds them.

It is for this, My children, that today I bring you the Light of the Divine Source, which originated the consciousnesses of the Cosmos as well as of this Earth.

From this Source of Light come your essences, which today I seek to re-ignite, so that in this new cycle, a great act of redemption and reconciliation with God will manifest; thus, announcing to the cosmos that the manifestation of the Plan of God is possible and that, at the beginning of this planetary cycle, which announces the end of human decadence, a part of humanity chose to follow the Plans of God.

What I need, My beloveds, is that you not only listen to My Words, but that your paths be straight, that you look firmly at My Immaculate Heart, and that you not walk other paths, but rather on this one that leads to My Heart.

I aspire that you not only be with Me today, but all the days of your lives; that within yourselves, you defeat all the tendencies of this unfaithful world, to follow in My footsteps which lead you to the Redeemer; that you proclaim the Son of God every day, in all moments of your lives; that you announce the victory of the King of the Universe in your consciousnesses through your transformation.

Live My Words, do not just listen to them, because this is the great possibility that I bring you on this night. Live My Words.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On this holy day, I invite you to live the path of the heart, the path of Love that humanity is losing because of distancing itself from God and preferring other things that do not nurture the spirit, that do not make life shine, in the way God foresees.

Thus, on this night, I will bless this Sacred Book, which is the greatest expression of My perfect Love for you. I hope you will carry it as a path to find the Light.

Let us sing "Immaculate Heart of Mary."

Dear children, I bless this Book, because they are the Words that God taught Me, which today I transmit to you with all the maternal Love of My Heart. May these blessed pages be read with a humility of spirit, with the simplicity of the heart that seeks a perfect union with God.

Each time you read these documents, these Words of My maternal Heart, may your souls and the souls of your brothers and sisters be spiritually re-ignited and definitely establish a union with the Father, the Son and the Holy Spirit.

But today I also bless your hearts, because My Grace is poured out over your lives and the lives of the souls of the world. That is the only thing I desire, dear children, that you live in unity and in love so that many things do not happen in the world, simply because you do not want to listen.

I bless these fruits that represent the tree of life. Each one of you is a fruit of My Heart; and through this simple basket, I present this offering to the Creator, because with His merciful Eyes, He will see that they are already ripe to live universal life.

Aurora protects you if you have a simple heart, with the pure intention of seeking union with God.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother is requesting we intone the song we had offered Her, because for Her it represents the voice of all Her children, seeking the simplicity and the humility of Her Immaculate Heart.

She said: "I am here, in My house of humility."

I bless you in the name of the Father, the Son and the Holy Spirit.

Never close the doors of your hearts, for thus I will be able to enter.

Friar Elías del Sagrado Corazón de Jesús:

Now, here the brothers and sisters are going to give an orange to those who are here.

And Mary was telling us that we have these oranges, as the fruit of Her simple Heart.

Mother María Shimani de Montserrat:

Thank You, Mother, for all that You give us!
