APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERIAS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Today, I come from Heaven, dear children, to call those who have still not awakened, through those who have been consecrated to My Immaculate Heart.

Today I am here as the Queen of Peace, as the Mother of the whole universe, as the Guardian of Faith, as the Protector of hearts and those who say 'yes' to My call.

I hope that your consecration as My children is to honor God, the Almighty, and His Beloved Son, Who will soon return to see you in prayer and working for the Plan.

Dear children, today I open My Mantle to show you all the nations of the world, mainly those that have still not been consecrated to Me, since 2,000 years ago. I still hope that the hearts that I wake up, in those nations, will manage to achieve it.

The Middle East must be My reign of Peace, and you, beloved children, must accompany Me in transmutation as in prayer.

You have no reason to fear these things; there are many souls in this place that truly suffer and you know it.

I come here to give you, every day, My Celestial Kingdom, which is the Kingdom of My Son and of Saint Joseph, the Kingdom of Paradise.

Today I need your hearts to deeply open a little more, because I am not here alone, I am with the angels that guard My task and the task of all My children.

The Americas need to fulfill that promise. In all the nations of the Americas, I am present through My different Aspects, from Alaska to Tierra del Fuego, in Argentina.

I am the same for all the cultures, but all the peoples recognize Me through their devotion and by what I have manifested throughout time in My Apparitions.

I am in Salta as I am in Medjugorje, just like My Presence is never erased in Fatima, in Lourdes and not even here, when you call the Mother of Figueira.

I am that great Tree of Life for you, beloved children. You must accomplish My Plan in this place, the one God has proposed for this part of the Americas; and know that it is being achieved through faith and prayer, which is what I need from all My children.

Each step you are able to take in your consecration is great for God and for His Original Project.

Beloved children, live this opportunity I give you daily; because when I am no longer here nor My Son or Saint Joseph, you must continue working with all the pilgrims that will come here to seek the source of My Love and My Peace. For this reason, the Marian Center and the rest of the Centers I have consecrated exist, just as I will consecrate Fatima and Lourdes to My Marian Work.

I would like you all to be able to enter into My Immaculate Heart and that you drink of the Fount of Love of God that I bring you to cure your wounds and your suffering.

Today, I am speaking with you because I know that you listen to Me. But more hearts should listen to Me through you, in the example of prayer and of charity; in the example of expanding My campaign of Peace through the world, so that My Plan may be established and your Heavenly Mother, together with Her Glorified Son, defeat the adversary in the last time remaining to it.

The Earth will tremble and will be purified, so that it may be purer. But I will not stop aiding you because you have trusted in Me from the beginning. I do not cease to be present in your homes when you open the doors to prayer, and in each one of your relations, which I attempt to reach every day with My Love and with My Redemption, which is the Redemption of My Beloved Son.

Beloved children, I would like you to be a part of My spiritual life; that the Kingdom of the Heavens were not so far from you, as it has been for many souls. I bring the Kingdom of the Heavens in each Apparition, in each world, in each gesture of Love and of Peace.

I bring you the new code of My Son so that you may hold it in your hearts and souls, and it be able to sow itself in the depths of your essences, and in this way, talents will wake up.

Today I speak to you sweetly because I know that you need it, because I know you need My consoling and maternal embrace.

I am not the one who loves, it is God who loves through Me; and I would like to love your brothers and sisters through your hearts, dispelling their doubts and faults through My Original Purity, the purity of the Kingdom of Lys-Fatima. For that to be possible, My beloveds, in the presence of all the universe and the invincible Love of My Son, with My Heart, I would like to listen to a song in honor of the Kingdom of Lys, in honor of all the essences that wake up and the servers who work for the Plan in all of Europe and the whole world.

On this 13th day, the Gardens of Lys open to bless you and so that you may walk through them spiritually with Me, in the perfect beauty of God and all His creative manifestation.

Before consecrating you as Children of Mary, I must take you to the Original Purity and the essence of the Love which will unify you with God.

Friar Elías del Sagrado Corazón de Jesús:

The Mother, indicating the choir, says:

I am listening.

Sing with Me, My children, to open the doors of the Kingdom of Lys.

Song: "Lys, Mary, Lys".

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

It is from that very pure Garden that your little essences come, because My Heart has Its dwelling place in that Garden; and each of you, My children, is born of My Maternal Essence, is born from the Spiritual Womb of your Heavenly Mother.

Today I bring you the Kingdom of Lys so that you may be reborn in spirit, so that you may experience the purity that will allow you to face the times to come.

Today I bring you the Peace of Lys, as I brought it to you in previous times through the little ones of Fatima.

In that time, those three little children were able to open the doors of the Kingdom of Lys to establish peace and avoid a war in this world. Now, My children, the war is already established and it is not just between the Light and the darkness; chaos and evil also fight with each other to deceive souls.

Thus, today I bring you the Kingdom of Lys, which is My Kingdom in Fatima, so peace may be established in your lives, and through you, in the heart of each of My children.

I want you to be forerunners of My Peace, through prayer and also through life examples, just like the apostles of My Son. When they preached, from their mouths not only words emanated; they radiated the Presence of Christ to everybody, they radiated the Divine Verb, the Gifts of the Spirit of God that were imprinted on their consciousnesses.

When I ask you to listen to Me and read My Words, it is so that they are also able to be imprinted within each of you, and in this way, announce My Presence in this world and in the whole universe; let them not only be words spoken by your mouths, let it be the Spirit of God that manifests through the love and truth that your hearts are able to experience.

It is for this reason, My children, that I need so many missionaries in this world, that I need so many hearts that not only have an experience on Earth, but live a true mission, live a spiritual mission of drawing close the Kingdom of God, of experiencing the real archetype for this humanity, because that is the Will of God.

And it is possible to manifest this as long as you are real, sincere, humble; as long as you are obedient, that you not want to establish your own plans in the world, but rather the Plans of the Creator; because your plans, children, are very small. You are very ignorant because your hearts still do not know the truth, do not know the real Plan of God. But if you open in spirit, in essence, to unite your little hearts with the Heart of the Creator, that Plan, which is perfect and includes each essence of this world, will be able to manifest naturally through your hearts.

Today, from the Kingdom of God, I bring you the true spiritual mission, the real missionary spirit, so it is able to manifest in your essences; so that you may be executors of this Plan, just as My angels are, those who are here around Me today, manifesting the Will of God on this day for each of your lives; those who bring the gifts of the missionary spirit from the Heavens to place in you.

Let yourselves, My children, experience that spirit and fulfill the true mission of sanctifying and consecrating this world, not only to My Immaculate Heart, but also to the Heart of My Son, to the Heart of the Father.

Let this Earth be able to experience Divine Thought, that perfect idea emanated by God in the beginning. This is possible if you accept responding to My call, beyond all that you always wished to experience.

For My Immaculate Heart there are no limits, no age, no skills. All can be missionaries in spirit, because the true mission transcends the physical movements you could carry out. The true mission is accomplished when your hearts are open and allow Me to love through you.

Thus, I gathered here together the missionaries who came from the East and also those who went to Chaco, because I want to imprint an impulse of Light in those hearts that will multiply and expand to all the servers who would like to be consecrated to My Heart as missionaries of Mary.

Thus, today, children, I bring you the impulses of Lys and also the impulses of God, and in this way, I pour out an unprecedented, infinite Grace for those who know to live it from the heart.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Through the song of the young people, dear children, all the young people who take drugs, who are lost through alcohol and disunity, went through the Gardens of Lys through your mediation. My Immaculate Heart helped you to strengthen your path in the search for the Eternal Light.

Before I rise up to Heaven, My Words have consecrated all of you, those present, and those who listen to Me open of heart and soul.

Let those who will be consecrated today to the Immaculate Heart, to a life of service as a vow, to a life of prayer as a vow and a life of fellowship as a vow, stand up.

Bring water here to Me for blessing.

Dear children who will be consecrated, I will draw the rain of My Graces and My Peace to you through the blessed water, which is the most visible symbol of purity and chastity; an element lovingly created by God, your Eternal Father, in the beginning of the universes.

Water purifies you. Water sanctifies you. Water renews you, frees you from sin and leads you into finding peace. That water will be sprayed on your bodies by a priest who in My Name and the name of the Most Holy Trinity, will impart the blessing to you.

Today, I bless the Mother of Colombia, Chiquinquirá, the Mother of all the original peoples of the Andes, which I have instituted as Pilgrim of all of Colombia and the countries of Central America, together with the Virgin of Guadalupe and the Virgen of Coromoto, and in union with the Virgen of Cuapa.

In these Aspects, dear children, I reveal My Attributes to you, the Attributes of the Universal Mother.

Chiquinquirá is the Attribute of Union, of the unity of souls of the whole Earth with God.

By the authority granted Me by the Grace of God, may this water be constituted of all the Gifts of the Holy Spirit, by the infinite Grace of God and His unfathomable Mercy, through the powerful Heart of His beloved Son, Jesus Christ, Our Lord, Who will come for the second time to the world in Glory among the clouds and will pour out His Graces as a rain of Light over those that had persisted in faith until the end of days of the Universal Judgment.

The guardian angels of your Heavenly Mother place their hands of Light over this water. May it bless those who are being consecrated today and who are beginning a path of prayer and of service for the Plans of Peace of your Heavenly Mother.

With the supreme authority of the Father, the Son and the Holy Spirit, I consecrate you all to My Immaculate Heart.

Let us listen to the hymn of the Children of Mary, in devotion and faith.

While I rise up to Heaven, I would like you, children consecrated in this annual meeting with My eternal heart, to in your prayers take on a soul of the East, so it may receive the same Grace you receive every month.

Do not choose anybody; simply pray with the heart, because God sees everything.

I thank you for responding to My call.

Thank you, children, for all that you give Me!

Friar Elías del Sagrado Corazón de Jesús:

Thank You, Mother, for all that You give us!
