APPARITION OF THE GLORIFIED CHRIST JESUS ON THE FIRST DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Friar Elías del Sagrado corazón de Jesús:

On this day of Jesus' triumphant entry in Jerusalem, let us prepare ourselves, in solemnity and reverence, to receive our King, through the song "Pater Noster."

In the name of the Father, the Son and the Holy Spirit. Amen.

The day of Universal Judgment has come, and, each day that passes, this moment draws closer to humanity. But do not think that this moment, this great universal event, could be a punishment for the planet or for all its inhabitants.

This is the time of correction so that the energy of impunity and world injustice may be eradicated from the human consciousness and, in this way, it may be liberated from all inhabitants of the surface of the planet.

For this reason, this day is approaching, and all of you see, with your own eyes, these events happening, which are very painful for the Eternal Father, very inexplicable situations for millions of souls throughout the world.

But on this day, when you receive Me and glorify Me, once again, I come to grant you spiritual amnesty, not only for those present, but also for all who are hearing Me at this moment and who believe in the Word of the Lord.

For this reason, we are, not only as a planet, but also as a universe, at a great moment of inflection, when the powerful currents of the universe, through the manifestation of the Angels and Hierarchies, silently activate to help humanity at this moment.

And although, at this moment, war, persecution and death are the news throughout the world:

Rise up, companions, because the day of your redemption is near!

Rise up, companions, because the Heavens will open when I return to the world!

Rise up, companions, and sustain with faith the banner of My Peace!

You have come, at this time and at this moment, to live these events for Me. For this reason, as My sacred sheep and as My beloved apostles, you will be placed by Me wherever I may need you; this will allow Your Master and Lord to enter those places in the world that are most in need, not only of Peace, but also of Mercy.

In this Sacred Week, which is culminating, but also definitive for Me, I invite you to enter the same Christic Spirit of Love so that compassion in your lives may show and reveal to you the true necessity of these times, which, as you know, My beloveds, is not limited to your purifications and tests, but also includes the mandatory need to serve Me, to announce Me and to testify to Me in the place of the world where I might need it so.

For this reason, what is most important in this Sacred Week, besides the fact that your hearts already have to be ready, is that your hearts must already be open to listen to Me, because Heaven and Earth shall pass, but My Words shall remain alive and hidden in the hearts that trust Me.

Now that you are at the doors of the Temple of the Father's Celestial Church, let us prepare this moment, blessing this altar that you have offered to My Heart, through a loving yet simple offering of two souls that I have chosen so that, on behalf of humanity and on behalf of My beloved Africa, you may glorify the Lord, at the doors of the New Jerusalem, where all are being contemplated and received by the Celestial Father, Adonai, through the Presence of your Master and Lord.

I invite you to stand up.

Friar Elías del Sagrado Corazón de Jesús:

And at this moment, let us bring the incense that, at the beginning of this Sacred Week, will be offered to Our Lord by the sisters from Ethiopia, Martha and Tseguereda. You may come here, before Our Lord.

Let us keep concentrated, at the request of Christ, so that our consciousnesses do not become disconnected from Him, but rather that, through Him, we may sustain this moment of planetary intervention on the first day of the Sacred Week, which Our Lord today blesses and opens for all.

Today, My Heart gathers here the universality of all peoples and races, which, throughout times and generations, have participated in the sacred opportunity of the Project of God, through different cultures, races and peoples, just as it was with the people of Israel.

This incense that you are offering today to your Master and Lord represents the greatest offering for this cycle that prepares the Return of Christ, when the souls of the world unite to Me, to prepare this sacred moment of the coming of the Messiah, the Savior and Lord of the world.

For this reason, this incense, brought from the lands of Ethiopia, not only glorifies the Lord, as it was in the Grotto of Bethlehem, but it also prepares the great planetary moment during Good Friday, when your Master and Lord will again die so that you may have abundant life and live through Me.

I sanctify these elements, just as I sanctify this altar and all who are listening at this moment.

May hope awaken again within you, hope that will lead you to Peace and the Light of God, because the end of calvary is near, and you will participate with me in the Sacred Table of the Return of Christ where, together with the angels, saints and blessed ones, you will eternally enjoy the Presence of the Lord.

May the bell towers of the Cosmos sound. May the doors and dimensions open at this very moment so that, through Saint Michael the Archangel, Saint Gabriel the Archangel and Saint Raphael the Archangel, souls may receive, in the depths of their being, My impulses of Christification and holiness, for the victory and triumph of My Heart, for the centuries to come. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Thurible

Christ is asking the sisters to pray Our Father in Aramaic, as an offering for the important task that He will have in Africa, through this Work, in some countries of that continent, and so that many more African nations may receive the regenerative codes of Love and Forgiveness.

Through these consciousnesses, your Master and Lord blesses all exiled and refugees throughout the world, especially those who flee wars, dangers and adversity, so that, in My Name and for My Name, they may rebuild their lives and families forever. Amen.

"Adonai, Beloved Father,
who listens, in Your silence,
to the voices of Your children, who cry for You,
sanctify this altar and all the elements
that will be offered on these days
to remember the Passion of their Master and Lord,
for the Redemption and Peace of the entire human race.

May the doors to evil be closed.
May the doors of the Light open
so that the angels may descend
and grant Eternal Life, at this moment,
to all consciousnesses."

Friar Elías del Sagrado Corazón de Jesús:

Water.

"Most Holy Father of the Universe,
You, who have the power to resurrect all life,
You, who have the power to heal all hearts,
You, who have the power to again raise all Your creatures,
through the water that You have created
in the image and likeness of Your children,
bless the whole world,
bless all those who listen
and, especially, bless, Lord,
all those who flee wars seeking peace,
so that those who take refuge in Your Heart,
through the humble and simple refugees,
may be recognized, honored, respected and loved,
just as You love them, Lord.
Because I have promised to You, Eternal Father,
to return, first for all of them,
so that they may participate with Me in the joy of the New Earth."

I withdraw into the hearts that listen to Me.

I find relief in the hearts that embrace Me.

I rejoice in the hearts that receive Me.

I rest in the hearts that open.

Thus, I sanctify all that I touch, in order to glorify the Lord, the God of the Universe.

Thus, I prepare you for the coming times so that, together with me, you may build the bases of redemption for the good of the world, for the peace of humanity.

Friar Elías del Sagrado Corazón de Jesús:

Let us celebrate, at this moment, the Holy Eucharist, in the Presence of Our Lord Jesus Christ and, on this first day of the Sacred Week, we will celebrate this moment, at the request of Christ, for all refugees so that, at the request of Our Lord, they may be heard, welcomed and loved as a part of this living humanity. And Christ invites the sisters from Ethiopia to accompany us in this celebration. Let us prepare ourselves for this exercise.

"Father, glorify all that You have created,
unify all that You have built
and accept this offering of the altar

so that You, Father, may be glorified, adored and honored
for the times to come
through the humble and simple hearts
that vivify and adore You."

At the doors of the New Jerusalem, before the Angels and the Archangels, before all beings of goodwill that at this moment are congregated, by My Love, in this Sacred Week, I again offer the same sacrifice that I once offered you.

That moment that I shared with My apostles, today I share it with you again, taking the bread and offering it to the Father for it to be converted into My Body. Thus, I break it and again share it with all of Mine, saying to them, "Take it and eat it, for this is My Body, that will be given for humanity for the forgiveness of sins."

We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

We adore the Body of Christ, for the redemption of the entire human race, so that the one thousand years of peace may be established.

In the same way, before this Supper ended, I take the Chalice in My Hands again, offering it to the Father so that it may be converted into My Precious and Divine Blood. Thus, I offer it to My companions, saying to them, "Take it and drink it, for this is the Chalice of My Blood, the Blood of the New and Eternal Covenant, which today is shed by your Redeemer for the remission of all faults. Do it in remembrance of Me, because I am already returning."

We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

We adore the Precious Blood of the Lamb of God, which takes away the sin of the world, liberates us and grants us Peace.

May the Peace of Christ descend to Earth and, in an act of reverence, let us give peace to our brothers and sisters.

In this Sacred Week, I want to see and feel you with the same faith and conviction as the centurion, and that, before Me, with devotion and fervor, you may repeat this simple yet profound prayer:

Lord,
I am not worthy that you should enter under my roof,
but only say the Word, and I shall be healed.
Amen.

Behold the Body and the Blood of Christ, let My companions rejoice, for I have promised reconciliation and life to them.

Friar Elías del Sagrado Corazón de Jesús:

Thus, we announce, in the Name of the Lord, the Spiritual Communion of all those congregated in the Love of Jesus who are present throughout the whole world.

And, at the request of Our Lord Jesus Christ, we will accompany this moment of Communion of all those present, live, so that each one who is present at this moment of Communion with Christ may make their offering for this Sacred Week.

While the priestly brothers prepare to distribute the Communion, let us sing, as one heart and one voice, a song He has asked of us: "The Song of the Centurion."

I want to convert your hearts into living tabernacles of My Love, because My aim is that you may be instruments of My Father so that I can heal the Earth and thus renew the planet. This is My aspiration for each one of you.

I thank you for having responded to Me, and, in this Holy Week, may your essences receive the Codes of My Passion for the redemption of the entire human race.

In the name of the Father, the Son and the Holy Spirit. Amen.

You may go in peace.
