DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Seek within yourself the true union there is with Christ and, through Him, with God. The Lord has already been before you many times; some of those times, you were able to feel Him, others not, but He left a seed of the tree of Christification within you, so that you may be in likeness to the Christ that was born in His Son.

Your soul suffers and feels lonely, for it has not recognized Divine Omnipresence yet and ignores the Presence of God and of His Son in everything and everyone. For you, Omnipresence is still a theory which you know but do not fully live.

Christ was not before you and then left; Christ illuminated you with the most intense ray of His Solar Light, and you were able to feel It, but His clarity illuminates all things, within and on the outside, all the time.

It is now time for you to recognize that you are united with Christ, united with God, because a part of the Project of God must be born from you, which will seek nothing less from humankind than the Christs of the New Time.

Contemplate the Lord in the Eucharist, as well as within yourself. Contemplate Him with the eyes of your heart, in an apparition or hidden in all things, and find Him.

May the peace and unity with Christ be a reality for the human heart.

The Most Chaste Saint Joseph, who united with Christ and God for all eternity.
