APPARITION OF THE VIRGIN MARY IN THE CITY OF CORDOBA, ARGENTINA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

The world suffers, but the Queen of Heaven comes to liberate it. The healing of the universe comes to the Earth for all.

Dear children, it is time to open your hearts to peace, so that the evils may dissipate from your lives and you may be reborn in the Spirit of God.

Today, I am in this city to bless it once again, to bring the Merciful Presence of Jesus to your spirits.

Let your eyes open up to the signs of Heaven. It is time to live in My eternal Peace. The Powerful Star is indicating the new way to you.

The new flocks gather in the Lord and proceed on the way to redemption, toward the Sacred Temple of God, that will renew them and heal them, that will liberate them from all evils and they will be reborn again in the Love of God.

Today, dear children, I bring you the Mysteries of Heaven, the Higher Rays born from the Heart of God. The Eternal Father ardently desires to live in your lives. My Immaculate Heart has offered to fulfill this promise.

I come from Heaven to bring you My Peace, the favorite essence of My Immaculate Heart.

Dear children, I perpetually pray for your hearts. In your lives I need to build warriors of prayer, who can accomplish the call of Heaven which My Heart brings you in this cycle, to generate the freedom of humanity and forgiveness of the sins that offend God and distance souls from God.

I need you strong in the Rosary, that the beads be a weapon of protection and a constant emanation of love and wisdom; for in this way, dear children, the wise Spirit of Christ will be in you in the end of these times, so that you can recognize Him and live in Him permanently.

Adore His Most Sacred Heart that, day after day, is offended by the actions of souls.

Today, My Kingdom is not only in you, dear children, but it is also in purgatory and in hell, to liberate hearts that have fallen into error.

Beloved children, raise the flags of peace, raise the banners of love and that your hearts may be perfect stars of faith, so that the darkness may be dissipated from the world and many years of peace may reign among you, waiting for the prompt arrival of My Son Jesus.

Dear children, I need you to be determined, ready to serve in this very definitive era. I only want from your hearts, a flame of prayer; a perfect communion with My Son Jesus every day, that repairs His Flagellated Heart, and that you may be born in Christ to face the difficult moments.

I know that many demons are scattered throughout the world, and the temptations are stronger than the power of prayer. But today, I give you a celestial key, invincible and powerful, that defeats any evil: a unity among the groups of prayer, souls who gather together to pray in the Lord. In this way, you will create celestial spheres in your homes, pillars and banners of light that will expel any evil or sickness.

Dear children, I was on Earth among you. I learned to pray just as you did. But it is necessary, dear children, that you place love and strength in the prayer. It will protect you and shelter you, will make you free of yourselves, and you will find the conversion you seek so much, the liberation from constant failures in your lives, because the Love of Christ will enter your hearts.

Today, dear children, My wish is that on this victorious night of light and redemption, you can be reborn in My arms like new children, because My Immaculate and Celestial Heart once again brings you the blessing and the absolution from your sins so that you may walk firmly behind Me.

Dear children, I Am the Bridge to Christ. I Am the Mediator between your souls and the Great Shepherd. I want to carry you into a profound Adoration, into a true Eucharist, into a constant Confession of your hearts, into a new spiritual Baptism that My Merciful Rays bring to all on this night.

For this reason, dear children, overcome yourselves, surrender yourselves to My Immaculate Heart. I do not come to harm you, but rather to open your eyes to Heaven, that infinite gaze that many have lost for the matters of life.

Heal your hearts through prayer.

Let the Sacraments be pillars of Peace and of Light in these times, in your spirits, in your families and in all the human community.

Resurrect the Teachings of Christ. Be living parables of life. Act through love and unity, that you may now be the true manifested Gospel, because the Words of My Son, the instructions He gave you so long ago, in the same way that He gives them to you in these times, are to be lived, are to be professed by all. Count on My maternal and immaculate help.

My arms stretch out to your hearts, My hands warm your hearts, radiate love, grace and unity, forgiveness, healing and liberation; but it is important that you accept My call.

My time for being among you is ending. Remember My passages throughout the centuries. I need you to rescue the teachings I left to the world. Be the true Marian Message for these times. I need you to be living mirrors of prayer, that you frighten away the evils, that you radiate peace to hearts, and find perfect unity and communion with God.

I need you, now and forever. Listen to My call. Listen to My Voice.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

My children, on this night, a ray of liberation crossed the universes, because the Lord granted His Servant the opportunity of opening the abysses of the world to rescue the greatest possible number of souls, to illumine the eyes of those who have lived in darkness for a long time.

My children, today I ask you: who among you will overcome fear and overcome themselves to feel the pain of a neighbour in their own heart and help those who eternally suffer?

This world hides realities that your hearts do not know; and I pray, day and night, so that it not be necessary that you know them. Thus, today I ask that you see the hands that are raised and ask for help to the world. I ask that you fervently pray, that you pray with faith in your heart, to hear the request of those who cry out and whose voice resounds in the world as if resounding in a desert.

My children, today I ask you for a moment of awakening, because the Heart of God is scourged more each day by human actions and by the forgetfulness of hearts. Thus, to those few who came to meet Me, I ask that you are able to awaken for many who live on this Earth.

Today, I ask you, My children, to encourage your hearts to serve for all those who do not serve, to pray for all those who do not pray, to cry out for Mercy for all the Kingdoms of Nature, which each day are more outraged.

My children, I do not want to wound your hearts with My Words, but I need to count on each of your souls. And so that you may truly awaken, I need to show your hearts truths that many refuse to see.

The world chose to learn through pain, although the Son of God came to Earth to offer a learning through love. For this reason, today I tell you not to ignore the Word of Christ once again, to accept to live His teachings at this time, because it is still possible for many souls to learn through love and to not need to know the pain that the world offers them.

My children, today I tell you that it is possible to experience a lesson of joy and of fraternity of one another; but you need to want to, you need to aspire to live that life. You will need to overcome the world and overcome yourselves through prayer and persistence, and in this way, you will receive the merits for a greater time of peace in the world.

I need to form warriors of Mercy, apostles of a new time who do not fear pain, who do not fear death, because they recognize the Power of My Paradise and know that, far beyond the pains of the world, a Kingdom of infinite Peace awaits them.

Today, I invite you to find your strength in sacrifice, in surrender for the awakening of others. I ask you, once again, that you not fear, that you dispel the fear of your hearts and that you give way to the faith that exists in My Kingdom and that each day I radiate into your lives.

Today, I ask you, My beloveds, that you strengthen yourselves through prayer, because the times of definition have already come to the world and it is necessary that you cry out for Mercy, during the time of Justice, so that others may have the opportunity to emerge from the darkness in which they live.

My children, today I ask that you listen to the Voice of My Heart, because today I cry out to humanity as a mother who cries out for her children, because My eyes not only contemplate your hearts, they contemplate the whole world and, beyond this world, they contemplate the souls who are lost and are no longer among you, but continue to suffer and to cry out for help day and night.

Today I ask you, My children, that you never forget the power of prayer, because the world needs more prayer in these times. What you give God is not enough, because humanity is blind to Divine

Life, and I need those eyes that are able to see and feel the Divinity, that can be in My Presence, to be the bridge for those who are lost.

My children, may My cry reach your lives, touch your souls and your hearts, so that, once and for all, the world awaken from the illusion in which it lives.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

While the Portals of Heaven open up to the Earth, My Grace is poured out upon the hearts that open and upon these sacred objects that are a divine impulse for hearts of faith.

Thus, I ask, dear children, that you open your hands so I may bless you and your families.

Holy Spirit of God,
flood the simple hearts,
heal the wounded hearts,
close all wounds.

Holy Spirit of God,
ignite the hearts that are in darkness,
resurrect the lives that have fallen,
bless all spirits that are upon the Earth.

Under My maternal intercession and by the powerful Presence of Christ, your Lord, may the intercession of Emmanuel, the Father-Mother Universal Creator, the Supreme Existence in all things and universes, the Grace of God bless you, in the name of the Father, the Son and the Holy Spirit.

And thus, dear children, My Star of universal brotherhood is projected in all hearts that open to feel My Words and My Eternal Love.

I will listen to your voices and songs.

Let us glorify the Lord: Grace has descended upon you. Rejoice and live in peace.

I love you always and I lead you through My Immaculate Heart.

I will preciousy remain here, for a few seconds more, to radiate the Light of My Heart to all those who listen to My Voice, in this hour.

I will lovingly receive your pleas and your requests. The time has come, dear children, for you to place your needs in My Heart. The Queen of Peace will respond to your pleas.

Song: "To Look at You".

In the name of the Father, the Son, and the Holy Spirit.

Friar Elías del Sagrado Corazón de Jesús:

Responding to a request of our Most Holy Mother, we are going to distribute these flowers, these roses that were blessed for those present, were touched by the pure hands of our Mother Mary and directly received the irradiation of Her Immaculate Heart, as a spiritual and divine energy which was radiated upon these flowers.

In this way, in the first instance, all the brothers and sisters who have a rose, we are going to distribute them, according to the request of our Mother, to those who most need them, to whom we feel in our hearts. And at the end, we will distribute the roses that our Mother also blessed.

The brothers and sisters who are in the room below can also come forward to receive the roses.

Song: "Luminous Bird."

Before distributing the roses, we want to share with our brothers and sisters a short account of the Apparition of our Mother.

Before Our Mother's arrival, some angels approached directly from the Celestial Universe, coming to this city, and began to deeply work with our essences, with our inner self and with our souls.

At a certain point, before the Apparition, the portals of the Celestial Universes gradually opened and various triangles of light of a blue color were projected out here. We understood that this symbol represented some portals that were opening.

Our Lady, through a sphere of light, crossed through these triangles of light and presented Herself.

She came as the Queen of Peace. She manifested Herself very strongly for us, with a very crystalline and pure gaze, constantly smiling at us, wearing a white veil, a rose tunic, a golden belt, a blue mantle that covered Her.

At some moments, Our Lady manifested Herself as Our Lady of Sorrows. In light of this Presence, we understood that She was calling us to live the Passion during the Holy Week; that we prepare consciously for that moment, because through the Passion of Our Lord, Our Mother said, when celebrated during the Holy Week, the universe is widely available so that we may receive Codes, Christic Codes that were recorded through the Passion of Christ and that are Light for us, for our beings.

During the Apparition, Our Lady approached increasingly closer.

Today, we were faced with a quite powerful and intense Message, and with each word transmitted by our Mother Mary, She lit up with Light more and more, and symbolically further embraced each person.

She blessed the roses. She asked that we distribute them to whom we felt like, and the rest of the roses here will be distributed also, according to the request of our Mother.

She wants each one to take a petal of the roses, because She wants us to understand, through this symbol, not only the state of Grace She poured out today, but also that we be able to imitate the humility of Mary, receiving a simple petal which each one of us will keep with much love or give to someone who really needs it.

So let us proceed to do what Our Lady requested of us, and after distributing the petals, we will close this work, giving thanks with great joy. Some brothers and sisters of the Monastery will do this task.
