**APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

**Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

I am the Door to the Holy Alliance with Christ; whoever seeks the Messiah will find Him through My Heart.

I am the Mother of Wisdom, My divine knowledge is poured out through prayer.

I am the Guiding Star of the Universe, whoever follows My steps of Light will never be lost.

I am the Great Mother of the World, the Supreme Consciousness of God manifested in virginity and purity for the souls who seek healing and liberation of the heart.

I am the Mother of the New Jerusalem. Through My footsteps in the world, My children follow the path of the portal to find the new city of Light, the Celestial Jerusalem that approaches the Earth with the Return of My Son to this suffering world, which He will liberate again so that many may raise their eyes and see in the sky the Greatness of God, which is eternal and perpetual for those who want to see it in their heart.

I am the Mother of Silence, My silence pronounces words of Peace, radiates Love to the creatures who are in perpetual devotion to My Heart.

I am the Mother of Consolation, the one who helps each of Her children, especially those who have fallen.

I am the Mother who opens new doors; I free hearts from prisons so that they can see the light and hope that approaches, in this time, to those who want to see through My silent Heart, which opens a new path of Light for all.

I am the Mother of Paradise, My Gifts and My Graces come for all. Through the Holy Spirit, I awaken the Sacred Gifts of God in each of My children, because I am the Mother of hope, the Mother of joy, the Mother of kindness and charity.

I am the Lady of humility, who envelops you with Her Mantle of Peace.

I am the Mother who protects and safeguards you; and who, in the silence of your hearts, listens to all your supplications.

I am the silent Mother, who walks beside each one of you to take you by the hand to meet Christ, your Lord.

I am the Mother who comes to awaken your beings.

I am the Guiding Star of the Universe. I am the incandescent Star of the night.

I am the New Aurora.

I am the Great Figueira, which sustains all fruits with love and strength.

I am the Sap of Life.

I am the Flower that beautifies.

I am the Pure Water that washes your wounds.

I am the Pure Heart that radiates love and wisdom.

Now, I am your Mother because I was the Mother of Jesus Christ.

I carry with you the heavy cross of life. My walk and My silence, My devotion and My prayer alleviate your cross because I sustain your crosses and wash your wounds.

With My Mantle, I heal your hearts of all inner wounds. I envelop you in the Sacred Shroud of Christ so that you can be born again in spiritual healing and resurrect to the life of the spirit.

I am the Molecule of Christ.

I am the Breath of the Spirit.

I am the New Dawn that lifts up all those who have fallen.

I am the persevering Mother who seeks each of the children who distance themselves from the Eternal God. I bring you closer to the Kingdom of God, I make you meet the Heart of the Most High.

I am the Mother of Love, Its Mystical Rose.

### **Sister Lucía de Jesús transmits the Words of the Virgin Mary:**

If you want to find out who I Am, only look around, look to the infinite, contemplate the stars, contemplate the Kingdoms of Nature.

I Am, My children, the One who gestates the new life, which is present in all that was created.

Was it not said that within a mother a child is gestated?

I Am the One who gestates the Creation of God. All that which must be born comes from My Womb. Therefore, My children, today I contemplate each of your hearts as essences that came from My Womb, which I must take care of and accompany in your growth.

For this reason, I return to the world over the centuries. For this reason, I come day after day to guide each one of your steps, because I Am that Bearer of the Divine Word, who brings in Her hands the Divine Will of God so that it can manifest itself on Earth.

As a good mother, My children, I come to teach the Divine Creation; I come to form each soul of this Earth so that, when you return to the universe, you can take the perfect lessons that the Lady and Mother of the Universe deposited in each of your hearts.

On this evening, I invite you to contemplate the Faces of the Divine Mother, the Faces of the Universal Mother, who must be found in all. And every time you truly seek one of My Faces, She will come to meet you, She will supply the needs of your hearts. It is only necessary that you call me with fervor, with the truth and purity of your hearts.

I am this breeze that touches your beings today, the breath of the Divine Spirit, which comes to permeate the essence and souls of creatures. Feel My Presence in your hearts because I am also in the essence of all beings.

### **Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

Today My Eternal Heart is magnified by being among you. My Heart glorifies God, just as your little hearts do.

But on this very sacred night, when the Star of the Universe shines within the planet, pouring out graces, healing and liberation, I invite you, dear children, to enter the New Jerusalem, to enter the New Earth, enter the New Humanity that My Heart gestates through this great Work of the end of time.

Dear children, do your essences accept to be members of the New Humanity?

Keep this request in your hearts, and in prayer may you meditate on this aspiration of Mine; because the new spirits that will inhabit the Promised Land just like the ancient people of Israel, will eternally praise God.

Angels and Archangels will shine throughout the Earth.

The Manna of life will return to the world, and hearts and spirits will be nourished, sharing with the Redeemer the New Supper, which will not be the Supper of Justice, but rather the Supper of Mercy, the Supper of the glorification of God, the Supper of hallelujah.

Therefore, as His Faithful Servant, I am sent by My Beloved Son to prepare this moment, as a good Mother, as a good peacemaker, a kind and loving Mother who, through each new Apparition, sows a new seed of Light in your essences.

The New Jerusalem came closer tonight. Paradise descended to Earth, and all were able to see it through the heart, through the feeling of love and faith that flows from your lives in such a difficult time.

On this night, I bring you once again to My Sacred Fatima, the star that shone in the darkness, that redeemed the impious and resurrected those who were far from God.

Fatima is peace, Figueira is strength. These are my immaculate fruits that, at the end of this time, I want to awaken in the good consciousnesses that serve God and in those who dare to walk in reconciliation with Christ, your King, your Lord, your Shepherd in these times of darkness.

My Light descends to the Earth, Heaven approaches through My Heart.

The new stars of the universe, which will shine in the firmament of this world, are your precious souls, those that must ascend to Heaven after this earthly life and that will find Me at the door of Paradise, of purgatory and hell because your yes to God will give salvation to many souls. The plan will be concretized.

**Sister Lucía de Jesús transmits the Words of the Virgin Mary:**

Tonight, I let a question resound within you, a question that the Lord sends you:

Do you truly expect the Return of My Son?

I want you to meditate, My children, on the Words that I have pronounced over the last few years because My Word descended to the Earth to prepare the hearts of mankind for the Glorious Return of the King of this Universe. Therefore, I want you to ask yourselves if you are truly preparing a dwelling place so that your Lord may first return in your essences, in your hearts and finally you can see Him crossing the sky.

Are you prepared to see Him face to face? Will you be able to recognize him among the multitude?

My children, meditate on My Instructions today and truly prepare yourselves because it is time for My Word to be manifested. It is time for the promises of Christ to become a reality for all beings of this world.

Who will offer to manifest His miracle of conversion?

Who will raise their arms and say their name when the Lord summons His soldiers?

Who will face the doubts of the heart to trust in the unknown, in the invisible?

Who will overcome fear, which is human and lives in many, to live in this world the Infinite Peace of My Kingdom, even in the midst of chaos?

Today, among those who are present here, I want to summon those who will give their lives to bring to this world My Kingdom of Peace, to bring down, on this Earth, this Kingdom that I show you today in the invisible.

Who will offer themselves?

Who will give their life?

Who will truly prepare themselves to receive the Son of God, to receive God Himself made man, to show His image and likeness, to show you the path which all must follow?

The time has come, My children, for the Christs of the New Time to awaken. Therefore, ignite your essences and let the veils of the past fall because I come tonight to renew each of your souls, to make you enter the New Kingdom, this New Jerusalem that intensely descends in each one of your lives.

**Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

Before My Spirit rises to Heaven, I come to bless all My children and all those who unite to My Immaculate Heart, so that this Work of the end of time can be fulfilled.

Therefore, I ask all those spirits to come closer, who will become new Children of My Heart and who will be the arms on this Earth that will work with Me; helping your brothers so that they may also respond to My Call. All can be children of My Heart.

In truth, your response, yesterday, was heard.

May those who were liberated from the prison of suffering also approach tonight; because the Mercy of God, through My Most Holy Son Jesus, has opened the door to freedom, to the expression of the divine soul of each of these beloved children.

I invite you, dear children, to join your hands in prayer, to place your hands close to your heart so that I can bless you.

God has heard your call to the Holy Spirit. Tonight, I want your souls to be rekindled, before My Immaculate Presence, so that the Divine Fire may descend on this place and expand throughout Brazil, embracing the whole world with the Presence of the Holy Spirit.

Feel, through this song, the Gifts and Inspiration of God, the Strength of God, the Love of God and the Divine Science that heals you.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.

***Mother María Shimani de Montserrat:***

*The children of Mary who are being consecrated today, come, please.*

*Song: "Ignite My Soul".*

*Well, as we do after every Apparition, we are going to tell some things that happened, so that we can learn how it is that, on the celestial planes, the movements toward the planet are organized; and how it is that the Divine Hierarchy, the Divine Messengers, work in us as humanity.*

***Friar Elías del Sagrado Corazón de Jesús:***

*Today, Mary came very close to us, but before the Apparition, many things happened, one after the other.*

*The Archangels were very present, especially Raphael and Michael, who opened the doors towards the universe little by little, as our Mother gradually approached.*

*Today, we saw as well, at one point, the prophets Moses and Isaiah who brought in their hands a book kept in an ark, They said it was an instrument from Heaven which was being transferred from dimension to dimension to be sown in this place.*

*We saw ourselves before a mystery, but this mystery was so true that we did not doubt that it was real, because God was present through all these things.*

*Today, we also felt that even the Mineral Kingdom was being grateful, nature, as Sister Lucía said.*

*Today, we felt the blessing on the Hill, which was something a little inexplicable. Mary approached with the Child Jesus in Her arms. The Child Jesus was walking among the people to liberate them from many things; just by passing by each of you, the energies were released in a very light and harmonious way.*

*Today, our Mother showed us Her different Faces. At the end of the Apparition, she manifested as Our Lady of Guadalupe, and all the energy and presence of Guadalupe was deposited on the Hill.*

*Also, we felt unity with the Indigenous Consciousness. It seemed that many consciousnesses from other points of the Earth, on the spiritual planes, were gathered here, on the Hill, just like the Kingdoms of Nature, we saw them inside a big ark. We felt the presence of Noah and there was something spiritual that was happening before all of this.*

*When our Mother appeared, behind Her manifested the New Jerusalem or Paradise, which is what we understood from what She told us. This Crystal City, which lives and shines in the Spiritual Universe, was brought today by the Presence of our Mother.*

*Today, we felt the Presence of the Creator in this whole place. He was present through Mary. We perceived the Feminine Aspect of God as we have never perceived it before. This went beyond the Presence of Mary, but Mary was the center, She was the focus that manifested the Consciousness of God.*

*She contemplated our hearts with much sweetness and, at one point of the Apparition, when we were relating what She told us, the Faces with which She was naming Herself, at the moment She spoke about the New Jerusalem, She showed us for a few seconds what God has in Her Heart, written for these end of times, for this planet, for this humanity.*

### **Mother María Shimani de Montserrat:**

*After receiving all that Grace, all these explanations of what happens between God and us, all these revelations that seem like great mysteries, but which become simple when we place them in our heart; because only through our hearts can we understand all these gifts that we are receiving.*

*We have learned a lot of things between yesterday and today. And one of the most important things that we learned is that it is enough to open our hearts and surrender with fervor to our Divine Mother; because what happened last night prepared the Grace that we received today.*

***Friar Elías del Sagrado Corazón de Jesús:***

*I just want to add something that I remembered and that Mary asked us to say because She said that it is important for many brothers and sisters.*

*At the moment when She called the brothers and sisters who are here today visiting us and the sisters who were consecrated as Daughters of Mary, She consecrated this bouquet of flowers for those brothers and sisters as a thank you from Mary to them.*

*And at the moment of the blessing, when we called the Holy Spirit, She also blessed all the images that are here.*
