APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My children,

Continue to play because I also am listening.

When I send you into the world, it is for a greater purpose, and in this way, the mission of each being becomes infinite and profound.

My maternal purpose is that you be ambassadors of peace in the nations you visit and travel through, with the purpose of carrying peace to all the corners of the Earth.

In the same way, I have asked this, throughout the centuries, of so many other children, that they be ambassadors of peace and of prayer.

Now My path expands toward other horizons and you will be the mediators so this may happen.

On this day, July 16, My Heart comes with the purpose of pouring out My blessings upon you, which will strengthen you and allow you to carry out the works that I request of you day by day.

Thus, do not fear, otherwise, you will not be able to accomplish them.

Place your active faith, and let your heart be on fire with this faith.

In this way, you will be able to concretize what I ask of you through the Holy Spirit; because you will not do it for yourselves, My dear children; God will do it through you. My hands will labor through you and My Heart will be illumined through your hearts.

In this way, My dear children, I gather you all together in a greater mission so that, at a future time, in a coming time, you are able to know the Will of God which continues to be alive and resplendent throughout the centuries and the years, trying to manifest itself in all creatures.

Today, on this night, dear children, I invite you to live in My trust, which will be necessary for the times that are coming and, in this way, you will concretize what I desire with so much love and peace.

In this time, dear children, in which I pour out My Graces upon the world and humanity, I come to bless My Work which is taking place in this part of the Americas; and on this birthday, I bless this channel, this daughter of Mine, who has given of herself to carry out My Work and who has responded to My call as so many other children have.

Thus know, My dear ones, that each of you is a part of a piece of this Plan and if there is one piece missing in this Great Plan of God, how will the Divine Work function on Earth?

Dear children, through My Love, I invite you to confirm yourselves to My Immaculate Heart in the task each one is to do; it does not matter that the task not be important. God sees all things equally, all His children are important and all His laborers as well.

Thus, dear children, unite as a network of love and of work; be the nets of Christ in His Hands, so He may intercede for this needy world.

In this way, like somebody who sings so lovingly to Me, or like somebody who cooks for other brothers and sisters and seems to be forgotten among many, My Heart is present in the simple things.

Dear children, I achieved My Maternal Divinity by laboring through simple things, seeking the humility of God in all things and manifesting the sincerity of the heart.

In this way, dear children, nobody is more important than the rest; each one is a part of a Precious Plan of God, and if this did not happen in this way, humanity could not be redeemed.

Thus, My Immaculate Heart calls out to the hard of heart, as well as those who have a heart open to My Heart. For Me, all children are important, those who are in hell as well as those who are in Heaven, those who succumb in this world as well as those who stand up.

All nations are part of My Redeeming Project of Love, and it will be possible, My children, though you; thus My Immaculate Heart will triumph.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Today I place My Mantle upon the head of each one of you, not only of these children who are here. I also want all those who accompany Me from all parts of this world to feel contemplated, so that you may know, My children, that My protection is upon your lives, that I contemplate each of your prayers with love and with joy.

Today, I want to give special thanks to a group that responded to the call of the Most Chaste Heart of Saint Joseph, so you may know that it is through those simple things that the soul and the spirit take a step toward a meeting with the Creator.

I want this group, which today is in the northeastern part of Brazil, going to the "Sertão", to know that My Immaculate Heart will follow this task together with the Most Chaste Heart of Saint Joseph. And may it also know that in each simple activity it carries out, there will be the Hand of God, making your actions divine and pouring out redemption upon the souls that most need it.

My children, on this day, I want to prompt you to take steps so you may follow the instructions that the heart gives you, that you are able to follow, without fear, the adventures the heart sends you; because a great adventure in this world is to be alive to respond to the Call of God, that Call that manifests itself within His creatures and allows you to love a fellow being as you do yourselves, and further, My children, that you may love one another just as God loves you.

Today I want to give you My Love, pour out a special blessing upon each of your beings, so that you may know, My dears, that My Heart sees everything, contemplates the purest intentions of your souls and only sees what is beautiful manifested by your souls; so that in this way, My blessings are able to multiply the beauty of your hearts and you are able to grow in likeness to God, in likeness to His Son, Who is pure Love, which beats in your souls, in your hearts.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My last petition, on this night of Graces, is for My children of the United States: do not separate, dear children, My purpose will always defeat evil, unite with My Immaculate Heart through prayer.

In this so simple but real way, you will allow the doors to open immediately so that I may also redeem that nation, as I have done in other times, in States of that country.

Thus, dear children, respond to the invocation of My Heart, that all this work which will take place shortly be the result of peace, be the goal and the very clear mission for all.

For all these things and for the responses of all My children, I thank you for waiting for Me on this night.

Thank you for responding to My call!

God bless you, dear children.

Peace on Earth.

Friar Elías del Sagrado Corazón de Jesús:

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

We would like to share that today, before the meeting with the Virgin Mary, Our Lord came accompanied by the Archangel Michael.

(At this point, Mother María Shimani, reads the Special Message of Christ Jesus, in which He requests the building of a hermitage at the Marian Center of Aurora in honor of Saint Michael the Archangel, and also transmits the prayer "Request for Liberation to Saint Michael the Archangel".

Our Lord, Christ Jesus, told us today that when He is no longer permanently close to us, transmitting His instructions and His Messages to us, He will leave the Archangel Michael in His place so we will be able to always turn to Him when we need to.

He also explained to us that anyone who comes to the Hermitage, by mandate of the Son of God, will be freed of all their ills.

Although we do not know very well what it's about, because we are really very ignorant when it comes to celestial mysteries, we completely trust in what Our Lord told us.

Tomorrow we will get to work on this hermitage, with everybody who wants to help us, because in August we are expecting Our Lord to be pleased.

So we invite you all to experience this holy madness a little bit with us, of pleasing Our Lord, Christ Jesus, and prepare this place for that task He wants to do.

We thank you all for having accompanied us and as we always say, now we will meet in the Heart of the Divine Messengers.

Thank you very much and good night.
