**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Witness the Sacred Heart of Jesus, because in My Son you will find that which your hearts so much search for: peace.

Today I come to permeate you with My eternal and celestial prayer, a prayer that My Immaculate Heart pours, out of love, over humanity. For this reason, dear children, I call you to strengthen the alliance with God, so that your lives may be able to be in Him.

My children, each act of love and charity will place you in the Kingdom of the Father, within the Plans of Peace that My Heart proposes in this end of times. Therefore, dear children, elevate your prayers with fervor towards the center of the Heart of God, because in this pure and sincere way your lives will be partakers of the Holy Spirit.

Be in vigil so that this holy flame of peace may be able to touch the hearts of many of My children in the world. So that this Spirit of God may embrace and radiate to humanity, there must exist a true path of prayer that is formed by the souls of this humanity. In order to form these groups of praying hearts, I am among you day by day, allowing you to grow as My little children who listen to the voice of the great Lady Clothed with the Sun, of the Queen of Peace.

As a mother I seek that the formation of your hearts in the school of prayer be real, true and humble, because the ones who are most simple of heart will be those who will be able to transmit My Immaculate Peace.

Dear children, I invite you to follow Me in this school of prayer so that your little hearts may correspond to God the Father. Be today, once again, in the Heart of My Son so that the Light of the High Priest may guide you.

Thank you for responding to My call.

In the Love of God the Father,

Mary, Mother of the Divine Conception of the Trinity
