**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My dear children,

In Jesus Christ is to be found the path that humanity has lost. Today I invite you to prayer so that many souls may be able to be conducted to the Heart of My Son.

True prayer done with the heart will reveal to you the path that you must tirelessly follow towards God, going through tests and learning experiences that make your spirits mature.

My children, the pathway towards My Son will bring you to the Kingdom of God. Therefore, dear children, keep in your hearts the flame of persistence, to be able to reach redemption as humanity.

Dear children, the constant state of prayer done with the heart will build in you a temple of love and peace, a temple that is strengthened in the experience of service and charity.

Little children, My call announces to you that humanity is at the moment of forgiving with the heart, but if souls do not live this state of forgiveness, how will the hearts receive the absolution of all their faults?

Dear children, prayer will lead you to find My Son who awaits you to share His Bread of Life and of Redemption.

Know that the state of redemption begins with the opening of the heart. I want that you build a simple heart so that God, the Beloved Father of all creatures, may live within you.

I accompany you on this day with My Heart of Faith and Love. Rejoice your lives in My Son. He loves you infinitely.

Thank you, children, for persevering in responding to My call.

Peace,

Mary, Mother of the Divine Conception of the Trinity
