SPECIAL MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY TO THE VISIONARY FRIAR ELÍAS

Dear children of Mine and pilgrims of the Immaculate Heart of Mary:

The Heavens of the Father, the Angelic and Archangelic Armies celebrate this birthday of one of My servants on Earth: Mother Shimani. And today is the day of declaring to you that the always Blessed Virgin Mary will realize special Apparitions on the birthdays of the three visionaries.

This moment, of a special Apparition on a birthday, has the spiritual objective of gratitude, because the visionaries have answered the call of the Queen of Peace. Above all My special Apparitions on birthdays renew the divine and universal commitment in the consciousnesses that I have chosen in the name of the Lord and in the name of My Son.

For this, today I invite all the pilgrims to revere and give thanks that My servants, as the visionaries at the different times in which My Apparitions have occurred, have answered out of love to the Plan of God.

Dear children, the one who has the Grace of seeing Me, feeling Me and listening to Me for so long, is the soul that needs redemption the most, and in this way, in love, it serves the Most High permitting that the plans of the Universe be accomplished again on Earth, as well as in Heaven.

An infinite mystery of love is guarded in My Heart and in the heart of all the visionaries that over the centuries, My Immaculate Heart has radiated, to all of them.

This mystery is the Infinite Love of God, the love for the Resurrected and Merciful Jesus. This is what the visionaries learn, to live from an unknown love, from a divine love and their sacrifice in having absolute faith in the Love of God and in all the calls that they hear from Heaven.

My children, today I reveal to you all these reflections so that your hearts do not lose the true sense of the task that My Maternal Consciousness accomplishes through the imperfect instruments that I choose for My Son.

May today you recover how simple it is to answer to the holy call of the Universal Mother, and with what simplicity I present Myself day by day to you to awaken you to conversion, and to the forgiveness of God.

Through the special Apparitions on the birthdays of the visionaries, all the souls that correspond to the cycle of the Apparitions of the epoch and that are lovingly related to the task of each visionary, receive by means of these instruments a special Grace that is cultivated in the heart.

And so, dear children, may you unite yourselves today to this encounter with Me, because once more I pour My Graces upon you. That you may bring all My Immaculate Love in your hearts and that you may diffuse it as a healing love for the most thirsty souls. If in truth you knew how much I

love you and how much I have given to you throughout time, your souls would live in bliss and eternal praise before God the Father.

That these moments of union with My Maternal Heart open for you the door to your redemption.

Maternal blessings for this birthday of Mother Shimani, and that those who have not been born yet may find the birth of the light and of salvation.

I thank you for responding to My call!

Peace for all,

Mary, Mother of the Divine Conception of the Trinity
