EXTRA MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED FOR THE 15th MARATHON OF THE DIVINE MERCY, IN THE CITY OF ASUNCION, PARAGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Open your arms and receive My Love.

Open your heart and you will be consoled.

Open your soul so that My Fire may elevate you.

Open your sacred spirit and let Me work.

I look for the simple ones so that they may live in My Celestial Works. I call the humble ones so that they may be My Testimonials. I invoke all the hearts so that they may recognize My Return.

Open to Me the door of your life because in this way I will let you to know the meaning of your existence. You were created, you were thought, you were gestated in the Divine Thought of God. From there comes the mission of your life, the unmistakable purpose, the call to the immediate donation.

Ascend in spirit to My Kingdom of Peace and transcend all the material life. Let your spirit act, manifest itself and be able to recognize its true origin and awakening.

Open to it the door to the Universal Life, commune every day with celestial principles. Be charitable. Be humble. Be free from your own self.

Consecrate yourself as My Servant. Confirm yourself as My Apostle.

Aspire to be My Disciple by means of the lessons of life. Only unite yourself to My Spirit and let My Fire transmute, remove your cells, purify your impurities, transform all your being.

Accept My last call, listen with the heart to My soft whisper that calls you to redemption.

Hold Me tight, feel Me near, I have never separated Myself from you. Let die the old that lives within you, renovate yourself by means of the greater impulse that today I give to you. Do not seek to understand the mysteries of My Presence, love the unknown universe and be part of the laws that will consecrate you.

Abandon yourself to Me in trust, lie in My Arms, listen in silence to the merciful beating of My Heart. Revive My Passion, seek to accept it, in this way you will find the key of sacrifice.

I promise you Eternal Life, I will find you in Paradise. Feel yourself as a complete server, a pilgrim that walks in purification. Become like a new wineskin between My Hands, in this way I will deposit My Rays upon you and I will be able to place you on the altar of My Father as an offering of eternal prayer.

Sustain yourself in Me in moments of captivity. Pray to Our Father for the salvation of humanity and of all the minor kingdoms. Convert yourself into a flower in order for it to express the true beauty that dwells within you. Convert yourself into a crystal of light so that its brightness may illuminate the world with peace.

Be a part of Creation. Be a conscious part of where you come from. Everything has a beginning and everything will have an end. Take the risk to follow Me, My Promises of love are greater than your difficulties.

Conquer My Heart, I will give you the greatest love of all the universes. Let Me dwell within you.

For this I have come to Paraguay so that My Flocks may recognize Me as the Shepherd among the shepherds. I intimately desire that all the souls may be served from the Source of Graces. That all may enter again into My Heart so that they may be healed.

I have come in search of My most simple Apostles. I have come here to share with the honest hearts. I have arrived to Paraguay in order to envelop with My Mantle all the Guaraní Nation, that which also vibrates in the Heart of God.

I hope that all may be able to recognize themselves as My Redeemed ones, as the worthy children of God.

Under the Mercy of God, be blessed.

Thank you for awaiting the arrival of My Sacred Heart!

Glorified Jesus Christ
