

## Spiritual Trilogy of Prayer, Devotion and Contemplation

### *Of Prayer, Devotion and Contemplation*

In June of 2013 Our Lord began to transmit to us this powerful spiritual exercise, this Trilogy of Prayer, Devotion and Contemplation that was completed by Him in His Special Message for September 13, 2014. His words were:

*"If in truth you put Me in first place, every day, before anything else, your souls would find out the mysteries and the secrets of My Sacred Passion in depth.*

*For you to see how important My Offer before the Celestial Father was, I will reveal to you the Rosary of the Seven Agonies of Jesus, the seven states lived by My Heart and Soul during the sorrowful course of the Passion. The Seven Agonies experienced by Me represent the before and after in the purification of the sin of humanity and of its perdition. The agonies represent a molecular change of a corrupt state into a sublime state. This was My main task through the suffering in the Passion and on the Cross."*

Afterwards He indicated to us:

*"If you pray it with love and honor, along with the Devotional of the Five Sacred Wounds and the Devotional to the Powerful Blood, in this spiritual trilogy of prayer, devotion and contemplation, you will find prompt help for your difficulties and problems. If at least every fifteen days you pray to Me the Rosary of the Seven Agonies with the Five Sacred Wounds and the Powerful Blood, I assure you that your life will change and this will have repercussions within your family and all of your brothers and sisters."*
