EXTRA MESSAGE OF CHRIST JESUS, TRANSMITTED FOR THE 13th MARATHON OF THE DIVINE MERCY, IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Prostrate yourselves before My Merciful Heart. In this way I will be able to help you in different ways.

Today I come from Heaven announcing My prompt Return to the world.

I need that My Flocks congregate themselves in love, that they be able to live My Message, that they be able to follow the instructions of the Shepherd for this definitive time.

Today I come to prepare this supper with you and to commune with your souls and spirits as this is the one thing that is valued by the Powerful God.

See My Rays of Mercy reflected upon you in this moment because there is no greater Light that has come to your aid in these times. And you must give an account of this through a truthful testimony to others.

Whoever answers to My Word will have eternal life. Although it may seem that you are being submerged in the darkness of this world, My Light will never let you fall. My Eyes will make your paths shine and they will indicate the new horizon that each one of you must traverse in My Name.

All are taken to the center of My Heart so that in adoration we may honor the God of Love.

I come once again to repeat My Message because the world continues to equivocate itself. The doors of the Heavens are being opened in this place as a last call to Redemption. And when you no longer see Me pass through here you will wait for Me in silence and in prayer.

I will come to get each one of you in the right and precise moment, but it will not be as you imagine. Your minds will not be able to reflect any truth because it will be through the strength of the heart, which is imperious and infinite in the face of evil.

Unite yourselves and do not lose sight of unity. In this way you will alleviate Me and you will not be taking My time with so many observations that I must make about you. In this way My Eyes and My Heart will be able to be calm, knowing that My Sheep walk towards My Stable, the stable of the heart. In this way I will be able to help those that are most in need and, as you, other ones will be able to wake up to this convoking that My Name, in honor of the Father is making to all.

Know that all are equal before My Paths. Many have crossed with Me in other times, even though others have just come to know Me and to feel trust and plenitude in My Merciful Love.

Today, sitting at your table, I share My Words of love and of truth as I did with My Apostles, in serenity, before the Passion.

I have said much throughout time about how I want to see each one of you. Think no longer that you that will be able to be the same as the others or that you will be able to imitate them.

I invite you to live My Path with plenitude and sacrifice because the treasures that I guard for you are not found in this world, neither in any other person. That which has come from dust to dust will return and will disappear, but what has come from Spirit to Spirit will return and will live eternally in the Heart of My Father.

These encounters with Me are impulses that I leave for you, precious jewels for difficult and hard times. That your thirst may never end; that your vanity may not quench the thirst to seek Me. Do not deceive yourselves and open the eyes to My Light. I bless you all the time as long as you invoke Me, because there is no one better than Me for your lives, but I let you to be free whenever you may not want to seek Me.

The Love amongst brothers and sisters must be fostered by means of truth, in this way you will be able to live My Words in a simple way and you will be an example for many.

Let My Steps mark new signs for you to traverse, which you will see in the coming time, before My Return, when I Am no longer here among you sharing My Redeeming Eucharist. But may My Word not be less strong than yours because by being so you will be going through other paths and the inferior mind would convince you of many things before the time.

Seek the path of the heart all of the time and you will not be lost. Trust in that which I bring to you by means of My Presence. Do not fear to confess your miseries to Me, My Ears are infinite and extensive, and they listen to all the vibrations of the Universe, even the breathing of a child.

As the world does not follow the correct path in this time I come to leave for you the last that I can give to you, that which will not be lost among superficial things. It is My Spirit which will prevail in you in the tribulations and in the falls.

For this I invite you to renovate yourself after one year of Graces, such unique Graces for each one of you, Graces that are distinct to the eyes of people, infinite Graces that transform and redeem the hearts.

I leave My Heart to you with a universal and spiritual emblem, as a flame that will never die as long as you seek it in a true and sincere way.

If God has permitted you to live so many things in this time, everything has a reason, a purpose and an aim that you do not know.

Many have chosen the law of suffering instead of the law of Love to learn in the Light of instruction. But I cannot reverse your decisions My dears, I can only be the Guide and the Star that indicates to you the path towards the mission that God expects you to live in this time, in a simple and humble way.

I lament for those who are not here today and that did not trust in My Voice. Because as I warned you in Rwanda, many did not listen to Me. I hope that this does not happen again in the same way.

Concentrate yourselves in My Heart and may nothing else disturb you. Seek the perfect attunement with Me because evil will never prevail before My Presence. It may laugh at Me as it did on the

Cross, but it will be defeated and it will be extirpated by means of My Will.

The Universe blesses you all the time. Do not seek anything else but My Heart, that which will always welcome you and will give you strength to continue among the darkness' that are here today. I invite you to live the path of serenity, that which I learned in the Passion and on the Cross, which is not known by the enemy. This is the key that makes it lose and give up because Love is always stronger.

The Supreme Love shelters and transfigures, redeems and liberates the cells that are dead from the lack of Light, the Light of God.

I thank you for your efforts to accompanying Me during all this year and I hope that after having been together with Me new doors to redemption may be opened to those who cannot find the path to leave from themselves.

Carry in your hearts the sign of My shepherd Blessing.

May all of those who have failed Me also commune with Me because this is an opportunity to find the final exit.

I bless and I absolve all of those who, today, have opened their heart in trust and in love.

In the name of the Father, the Son and the Holy Spirit, Amen

May your hearts be able to be the new chalices that may receive My precious Blood, the code of transfiguration and of renovation so that you may live from today on healing and forgiveness.

Go in Peace and be Light in the darkness.

I thank you.

Glorified Christ Jesus
