WEEKLY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My Ray of Justice will descend to the Earth following the time of Mercy, for this all must be prepared to listen to the last words that I will pronounce to the world.

Meanwhile, that My Disciples may be prepared in love and in truth so that they may gather inner strength and walk together towards the Purpose. I call you to seek the path of simplicity and of silence, virtues that will allow you to discover new keys that will open the door to the encounter with God.

Now is the moment to reverse the faults through the Divine Mercy, you are still on time to be able to do it and to ask for an opportunity of redemption and of peace, because the time indicates a new path to be traveled by those who have been called to surrender themselves to the Greater Divinity.

In this way you will be able to take the steps and find in the difficult moments the guiding lights in your paths. My Love shall permeate you entirely, My call is for all.

Now it will be important to construct within yourselves the communion with the Infinite God, and I offer Myself to your hearts to rescue you, and guide you in the moments of greater tribulation in the world.

My Dwelling may be the fruit for your lives; it is only enough that you give Me the permission to be able to act and work.

Under the Mercy of God, be blessed.

Thank you for entering into My Heart!
