WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF BUENOS AIRES TO CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

While in the world the elements of nature demonstrate the tragic reality of the end of times, the Divinity intervenes in all possible situations so that the Law of Divine Justice not be concretized in the material space of this planet.

This is why with urgency and readiness the Hierarchy works without delay to try to relieve the different realities that, moved by the action of silent uncertain doors, unite to the imbalanced planetary mental plane, aggravating the state of consciousness of the planet.

In this sense, dear children, prayer at this moment should be the priority of all, because while consciousness are not under the spirit of prayer, many more of them will be dragged by these uncertain doors, until souls become completely lost.

It is really necessary and urgent that My children recognize and perceive how the situation of the world is so that, decidedly and like mature apostles, you may walk throughout the world together with the Spiritual Hierarchy, to deter that which at this moment is becoming irreversible.

Be attentive and do not be distracted. You must offer each minute of your lives as a state of permanent prayer and elevation so that the legionaries of Christ may also be invisible and yet active through service for the redemption and healing of this humanity.

For this reason, do not be surprised when the Hierarchy changes the destiny of its pilgrimage. When this happens, as it did a few days ago, you must realize by yourselves that there is something that is not well in the region or country where the Hierarchy goes on pilgrimage with you.

The Divinity, My children, will always decidedly and attentively do all that is possible, and what is within the reach of each reality, to fulfill and concretize the spiritual and inner assistance that each space of the planet needs.

With this preamble, we will now prepare for the following stage, which is the most important, as the Three Sacred Hearts will intervene, once again, for Argentina and South America.

I thank you all in advance for your strict observance, at this very definitive moment for the coming destiny of the Argentine nation.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
