APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Today, I come to bring the world a Message of Peace and of Joy. The time of Grace is possible for all, dear children.

God grants His children what they ask; for this reason, I ask for awareness.

I Am your Little Mother, the Queen of Peace; take My requests into your hearts. In this way, you will be able to immediately be in My arms and see that the safety I promise you is a celestial safety, a Maternal and Pure Love that does not come from this world, but rather from the Universe of God.

Thus, dear children, open your arms to take My Graces into your hearts. It is only through the center of the heart, dear children, that you will be able to experience the Eternity of God, the true promise of the New Earth that many souls seek but few see, that many souls seek on other paths where God is not found.

For this reason, you who are awake, dear children, open your eyes to see the Truth I give you, the Truth of the Love of God, the Simplicity of God and His Great Humility in all the universes.

If you embrace the Humility of God, dear children, the world will be able to change the lack of humility in many of My children of this world.

The great disaster of humanity is bringing huge consequences, because souls forget to dedicate their lives to prayer. Throughout time, dear children, I only ask you: remember prayer.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

On this night, I thank you for having responded to My call for prayer; thus, I tell you that I wish it were not necessary that My children suffer so that you ask for Mercy.

My children, I want you to carry into your hearts and consciousnesses this fervor with which you prayed during this entire night, with which you asked God for Mercy and came to His Feet, because it is in that way that I want to see you praying all the time.

I want you to never lose the fervor of your hearts, that true cry that comes from within you in face of the needs of the world. I want you to know that many needs exist that are unknown to your eyes, but that the Heart of God feels each day.

To restore the Heart of the Lord and for the salvation of all souls, you must pray beyond the events of the world, for in this way, My children, even the events that are still being generated in the

universe because of the actions of human beings, will be able to be dissolved by your prayers.

Today, I only tell you to trust in My call and that you respond to this motherly request, knowing that My Eyes cover the whole world and far beyond this material plane. Day and night, My Heart contemplates the need of each soul of the Earth.

When the Lord gives Me the opportunity, as the Luminous Bird, I enter the abysses to rescue souls that need Mercy. But many of My children are submerged in ignorance, in a darkness of the consciousness and of the heart. Thus, their only hope is that other hearts open and pray for those souls they do not know.

In your hearts, My children, place all the intentions of God, Who contemplates each space of the universe and feels in His own Heart the pain of each of His creatures. Regard the Heart of God through fervent prayer, through fraternal actions that balance the lack of fraternity in the world.

It is for this reason, My children, that at this time I ask you live in community, and I need the members of these communities to be able to live a truly fraternal life, to be able to provide examples of humility and of faith, dissolving the differences that exist between hearts and cultivating the true love My Son left on the Earth.

If you open in this way, the Spirit of God will be able to place the archetype of the new life on Earth in each of your consciousnesses, so the Light-Communities of My Son are able to be a living seed of this life, a preparation for the new time, in which all of humanity will be able to find encouragement and peace.

My children, today I tell you that I aspire that everybody be able to find the refuge they seek in the Light-Communities; that those children of Mine that are lost in material life and seek for a spiritual life be able to find relief for their soul and the awakening of their spirit in this place.

Thus, I tell you, My children, that besides prayer, you must live a life of love, and in this way, balance all the events of the world.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

You know, dear children, that God has power over all things, but at this time, God wants to reveal the power of Love to you, that which transforms and changes the heart completely.

Dear children, with this I want to tell you that My visionary children and the collaborators of My Marian Work are experiencing needs to be able to fulfill My call.

That is why today, dear children, by the authority God has given Me and in light of the Graces I have poured out in these last five years, I ask you, dear children, to help from the heart, that you feel with your heart what I am managing to stop in the Americas, and mainly in Europe.

All these events which occur, dear children, are wounds in the Heart of God. For this reason, He has allowed Me to intercede with the fullness of the Grace and the Immaculate Love He gave Me, in life, when I was with you on Earth.

If this Work were not able to continue, dear children, I will come back here, to Aurora, at the end of the months of November and December. The Apparitions will not be able to be in Brazil, because the triangulation I am building between Argentina, Uruguay and Brazil would become weaker, and thus you would suffer many things, because with so few children, I must carry out great planetary Works.

Today, dear children, as Mother, I confess to you; because a good Mother knows Her children, and a good disciple knows their Master. Thus, I call on you, dear children, so you are able to help Me; if not, My Work will stop.

I thank you!

Go in peace and walk in faith, because faith will transform the events.

From the beginning, I thank you.

In the name of the Father, the Son, and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

We will finish, at the request of Our Mother, doing the prayer we know of the Celestial Father so that the Plans of God can be accomplished and restored.

Celestial Father Who guides us all,

Accept our offer of surrender to You.

Guide us on the path of love,

so Your Will may be done.

Amen
