SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE ANNUAL MEETING OF THE GRACE MERCY ORDER

Before My Return, I will come and ask My angels to expel and banish human egotism from the heart of humankind. When this happens, the world will finish changing and a new cycle will begin. Hearts will no longer feel alone, because from Me they will receive everything they lacked from the beginning of their lives. Souls will rejoice in meeting Me, and I will return to give to drink of the Blood transformed into Light and to eat of the Living Body transfigured in Glory.

When that time comes, many of those who live on the Earth today will no longer be here, but I will count on all those who once set out to search for Me among the shadows of the world. But do not fear, because much will take place.

My Words will always remain among you; they will be the consolation for the difficult moments. After so many meetings, I come to prepare you in My Lap, in My Cenacle and in My Heart.

Let no one tire of aspiring to merge with Me; the Lord will give you the key to overcome the times that will come. Join My circle of Eternal Love. If you are in this circle of Divine Love, nothing will surround you, but you must always search for the way out through truth and acceptance.

On your countenances, today, I see in you an incessant and uninterrupted search for My Countenance.

Know that I Am no more than the Lord, My Father is your Father, My Supreme is your Supreme, and in this Kingdom, we are all one.

Do not allow the bitterness of not being able to take the steps embrace you more than the power of My Glorious Love.

Today I gather you together in the Name of the Lord, to commence a new stage of good times, of good results, of an adorable consecration which is seen by My Merciful Eyes.

Happy are those who persevere through My Trust. I will never leave those who call Me and those who seek Me alone, in spite of the errors committed.

I Am the True Love that transforms all things. I Am the Great Cell of Light which is born of the Heart of My Father. Whomever courageously calls Me will be surprised by Me in the nights to come.

My Silence teaches you many things. My Peace transmits celestial serenity to you.

Do not remain in the things of this world. Until I return, the things of the world will worsen, but fix your eyes on My Peaceful Gaze.

My Heart offers Itself as a mystery of life for the good and for the bad, for My Love is great, and will be greater in all those that sincerely and truly seek It.

Feel yourselves worthy of that which you would not be graced, for My intervention is perfect and kind in light of My Father.

Today, I am born and come from the heart of this universe. I renew and transform all things. I Am the King of humility. I Am the same who suffered and died for you, out of Love.

And now that you have risen in life, come to My Arms. My Heart will console you and nothing bad will happen to whomever dares to be with Me, for I Am the Light that dispels all darkness and shadows within and outside of beings.

I Am the living donation of the Great Love of God, your Father. I want to give My treasures to the redeemed. I wish to meet with those who have fallen in the past.

Declare yourselves to be My apostles of the new time; in this way, the Inner Christ will be born who will be at your service when I am no longer among you; for everything has a time for the Lord, a different time than that of the world.

Now, My Footsteps mark a new pathway for you. Blessed are they who, for Me, cross the abysses and the hells of this world to save those who are very thirsty for My Love.

Carry My legacy stamped in your hearts, and let it be the flame that transforms you day and night. Be like Me, good missionaries.

Under the Love of the Father, be blessed.

Thank you for living the mystery of My Heart.

My Peace for all the beings of the Earth.

Yeshua, the Glorified Christ
