APPARITION OF THE VIRGIN MARY IN THE CITY OF PUNTA DEL ESTE, MALDONADO, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On the eve of Christmas Eve, I come again, dear children, to give you My Immaculate heart so that you may be strengthened and continue forward, in these difficult times of tests and challenges.

Today I come to bring you My Celestial Kingdom as a blessed prayer for your lives; for as your Universal Mother, I want you to always be under My immaculate Rays, so that in this way, My Celestial Grace is able to act in your lives and families.

In this time of chaos, I come to pronounce the Peace of God, in spite of the indifference of humankind, of the injustices of hearts that many, in this time, perpetrate in light of the Celestial Kingdom.

As Mediator of the Holy Spirit, as Mother of all humanity, as a part of this race, I come to intercede for all of you; but My intercessions, dear children, will have their timing. Thus, beloved children, prepare your hearts in trust, let your arms open to receive My consolation and in your hearts, receive the essence of My maternal Love.

Today I come to free your lives and your cities through the Grace God has allowed Me to carry out here. Uruguay must build important things for the end of time, and it is in you, My soldiers, to create the necessary conditions so that the Will of God is able to manifest. In this way, My children, you will be mirrors of the Supreme Will and will invite other children to follow the steps of the Will of God.

What I speak to you about, My children, may be very distant matters for your minds; but, beloved children, through the Divine Verb, I bring you the word of simplicity and of humility, which must be incarnated in your spirits so that, in the next time which will come, you are prepared to receive My Son. He is already coming in Spirit and Life, in Soul and Divinity; many hearts of the world are already inwardly receiving Him.

And you, beloved children, when will you take the step to receive the inner Christ? In this way, My Son will be able to act, carrying out His Works of peace in this world. As good instruments of the light, unite with My Immaculate Heart. Let your true inner vision be a permanent search for the Kingdom of God in your lives.

What I need, beloved children, is that you be Sacred Families, lights for a world in darkness, stars in the universal firmament, of whom I can avail Myself to pour out My Grace in this humanity.

But how much the Kingdoms of Nature are suffering. I invite you to continue with prayer. It is necessary, My children, that your prayers reach the eternal Heaven so that God can hear you and pour out His Mercy through the Divine Messengers.

I know that many of your hearts suffer all the time. Experience the lessons with courage. Fortify your faith and walk confidently toward My Immaculate Heart, because I promise to protect you, safeguard you from all evil, open the doors for you to a new path; and in this way, My children, you will be able to recognize Christ, Our Lord.

I come to this place, as I have gone to other places of the world, waiting for the inner lights to be able to awaken in your hearts; for God has need of whole and simple servers, of builders of peace for the times when there is no peace. In this way, beloved children, you as humanity will prepare the way so My Son is able to come and share the redeeming Supper with all of humanity.

I Am the Mediator Who prays for you all the time. I need you to unite with Me so you are able to understand My petitions and can concretize them in these times of chaos.

Sister Lucía de Jesús transmits the Words of the Virgin Mary;

Those who have accompanied Me from the beginning know that, year after year, the Divine Messengers receive a celestial opportunity for placing the Christic Principle in the essence of human beings, those who open to discover Higher Truth, which will transform this race into a likeness with their Creator, with His Son, sent to the world so long ago to show you the Way, the Truth and the Life which should be not only His, but also that of all of humanity.

My children, today I leave you the question: Where is that Principle which I placed so long ago in your essences, and that year after year, I renew so it may help you overcome the limitations of material life to unite with God, with His Creator Universe?

Today I want you to search for this Living Christ in your essences and in your hearts, which I placed there so it could blossom and be the reason for the awakening of other creatures in this world.

In each of My children I want to see the new Birth of Christ. This year, I want you to remember all the Words I have given you in previous years; so that in this way, you can allow the impulse I left in each of you to be renewed, because it is alive, but yet latent within you.

I want that Christic essence to be renewed, purify you and transform you so that not a year more goes by in your lives without this Christic Principle manifesting in your beings and expanding throughout this humanity through the living testimony of each of you.

That others of My children who are sleeping awaken from the dream of material life, so their spirits, which have waited for so long, may accomplish their mission on this planet.

My children, through My Words, I want to leave a small step so your consciousnesses are able to awaken in this time. Study My Words and through them, discover all the truths that in other times you were not able to perceive, because now, your consciousnesses have already matured enough and you have opened enough to discover that My Words go beyond that simple verb you find on the paper.

Each of the Words I have pronounced in this world represents a doorway for humanity. A doorway that wants to lead you to the Celestial Origin of human essences, to a perfect union with My Son,

which you must discover is the Heart of the Universe, that Heart that moves all the events of the world, that Heart praised and respected by all the Great Consciousnesses that dwell in Infinity.

This planet, My children, must recognize that a single King exists, and that King will show you what steps you must follow to unite again with the Creator of all things so you can manifest and accomplish the Divine Purpose for this world, and thus, for the whole universe.

In this coming year, I want you to discover that this Christmas is not just a commemorative date for the world; it is not just to remember the Birth of Christ. It is to have Him be born in your hearts, to make Him come alive in each of your cells, in likeness to each of you.

Each Christmas that goes by should be the birth of a new cycle for this world, a cycle in which humanity approaches the Christic union so desired by the Creator for His creatures.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

While I speak to you, I contemplate the world. Imagine for a moment, My children, what My eyes are seeing in humanity. My hands are stretched out to humanity so that all My children can take hold of My Heart; could it be that everybody will dare to take this great step in trust?

Today I am here, among you, sharing My Mercy; but there are many other children that have need of this Grace. I invite you to be carriers of My Message, a simple and living testimony for humanity; because that very simple thing will help humanity be able to change.

On this night of Graces and blessings, My Heart is grateful to all the groups of prayer of Uruguay, and I encourage beginners to join the groups of prayer, to build the pillars of Light in each of the departments so My different attributes can be lived in each part of Uruguay, and thus become a sacred nation, rescuable, blessed and redeemed by My Heart. If you take this step of disseminating the groups of prayer, you will help all of Uruguay to receive a greater time of peace and of Grace. In this way, you will gladden My Immaculate Heart and the world will again transform.

On this night of Graces, in which My Heart is exposed to all of you, I invite the new Children of Mary to kneel before the Kingdom of God. Approach My Heart so I may bless you and show you once again, as a true testimony, that the consecration of the heart will create the universal condition for the salvation of the planet and its Kingdoms.

Do not forget, My children, that you are the Human Kingdom and must deeply love the Younger Kingdoms that serve God since the beginning, to help the Earth in its perfect elevation and harmony.

Thus, I consecrate you as My children, and I invite you all to also consecrate your lives to My Immaculate Heart. Do not fear what you will experience; I am always present in the silence of prayer.

Let us sing joyfully for this blessing.

Song: "Immaculate Lady of Peace."

My Spirit rises up to the universe; I pray for you and your families, with the ardent aspiration that you become consecrated just like the Sacred Family of Nazareth.

Through this meeting and through those that will come, by the permission God has granted Me, I consecrate you in the name of the Father, the Son and the Holy Spirit. Amen.

Thank you, dear children for responding to My call!

Peace will prevail.

Prayer: ["Act of Consecration to the Divine Heart of the Celestial Mother."](#)

Friar Elías del Sagrado Corazón de Jesús:

Brothers and sisters, at the request of Our Lady, we want to share a brief experience, during prayer, that has to do with the Guardian Angels of each of us.

As we prayed and went deeper into the practice of prayer, the Guardian Angels recited the prayer of the Universal Mother behind us; as we continued to pray, they were working with our cells. I couldn't tell you nor explain how this was happening, but so it was.

The angels would enter each one of our cells, as if they were surgeons, and withdraw things that had to do with our pain and our past. They were implanting codes of Light produced by the effort of our prayer. In the way in which we generated the prayer, if it was from the heart, that prayer would create the condition so that the angels could withdraw the Light generated and place it again in us, and in this way, many things were being dissolved.

When the moment of the Apparition came, the Mother came truly kind and loving, as the Queen of Peace, and the whole time, She had Her Immaculate Heart exposed. She was speaking to Uruguay; we perceived that Her voice could not only be heard here, but in each corner of Uruguay. She was speaking to the inner world of each Uruguayan, and as She did this exercise, she was establishing the Will of God in the consciousness of Uruguay, something which was spiritual, a task that the Mother was carrying out during the Apparition.

She also showed us, during a moment of the Apparition, all the groups of prayer from here, from Uruguay, fused together as if it were a single pillar of Light which worked for the Plan. In reality, Mary said that this was Her aspiration for this country. That if we managed to fulfill this goal, this purpose, everything will have been said, She said, everything will have been accomplished, everything that corresponds to Uruguay in the Will of God.

That is what happened.

Mother María Shimani de Montserrat:

To think that with so little, we can fulfill the Will of God. Do we really understand what the goal of the Divinity is? Will our hearts be brave enough to accomplish this goal of forming groups of prayer that pray for this nation and for all the nations of the world, who pray for the Kingdoms, who unite with the Immaculate Heart of Mary so She may carry them into the Heart of Christ? Do we dare do this?

We are a small country, that because God saw it was so small, He filled it with everything that is beautiful, and we have to defend that beauty and that Love which God placed there. We are simply asked to pray. Through this prayer, as happened today when we were all very united in pronouncing this prayer that Our Lady needs, with so little, She allowed the Guardian Angels to dissolve something in our consciousnesses which in many lives it would not be possible to dissolve.

The universe is perfect, God is perfect, and when each of His creatures lifts up a true prayer to His Kingdom, He pours out all His Graces, because He has a perfect Plan for each of us, a loving and kind Plan, a perfect Plan which makes us worthy children of God, which makes us creatures that can achieve the happiness of knowing God; and more than that, of knowing God, of being able to experience Him in our little lives.

So we invite you, as we have invited so many brothers and sisters in Uruguay, to be strengthened through prayer, to learn to permanently channel that Light, to be able to dissolve our pain, our past, our anguish, to place all of our life in the trust of the Divine Messengers and, as from today, to walk holding Their hand always.

Who of you doesn't aspire to speak with God and have God answer and show you each matter, to be able to live what is correct and luminous? Who doesn't want to speak with the Little Mother of Heaven and feel how She places each answer in our heart, and how She makes us unmistakably feel that answer?

Begin to pray. Ask about something while you are sincerely and devotedly praying, and each of you have that personal experience, that Mary places the answer in your heart. With all our heart, we challenge you to do this, because you're going to get a big surprise.

To all those who are following us through Misericordia María TV, we invite you to sing a last song with us, a song that has always filled us with joy. We're going to sing "Unite with the Heart of Mary."

Thank You, Mother, for all that You give us!
