APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

As Lady of the Nativity, I come to announce My withdrawal from the world. As from the coming year, My dear children, I will only be with you on the 13th and 25th of each month, but I invite you to continue to experience My school of prayer.

The very definitive times are approaching. Humanity has already heard the Message of God a lot.

Woe to those who have been deaf and blind, and who deny the Word of God at this moment! You must be merciful and pray for all.

Today, I come to announce My withdrawal to humanity, the Supreme Life that exists in the Heavens has called Me to return.

Thus, My children, this means that the Shepherd is drawing closer. The Master of masters will approach humanity, and through this last Apparition in this part of the world, I will have concretized My mission to God.

And so I invite you, My children, to continue to pray. Each day more, your prayer must be fervent and constant; in this way, you will be able to overcome the tests that will come and the limitations you will be able to transcend, because My Immaculate Spirit will be among you in the cenacle. I will not stop speaking to you and transmitting My pure Love to you.

So I will continue to invite you, My children, so that on the 12th and the 24th of each month, you gather together in prayer and glorify the Lady of the Divine Conception of the Trinity. In this way, I will be able to see, My children, that your hearts have understood My Words.

The time will come, My children, when My task will stop being public, and each soul, each heart must take up its own flag of salvation, and like an army of Light, carry among the souls the banner of Peace, waiting hopefully for the victorious return of Christ to the world.

The Apocalypse is closing, the Scriptures are being fulfilled. Read the Gospels and be up to date every day.

Through My Apparitions, I have given you many signs. Prepare, study and pray.

Graces do not come in vain and you, after this world, must testify to God to all you have received from My Immaculate Heart, because all has been through the intercession of My Grace.

While Christ is being born in many hearts, in other hearts, Christ has not entered. Woe to those who have closed their heart to My Son and allowed themselves to become involved by the things of this material world!

The Grace of God has come to aid humanity; that is why I invite you to be consistent with My call, and that from this moment and from this date, after so many years of Graces, you may be the living message of My Heart.

Many will have need of your healthy examples. God expects your hearts to already be mature and ready so that each soul and each being take on their true mission in light of God.

I will not stop guiding you, My children, as it was in other places of the world, where My Holy Aspect appeared to humanity.

My Presence has not been erased. My Spirit is omnipresent and permanent, and all the children that have come to the place of My old Apparitions continue to feel My Presence and My maternal Love.

Thus, I need you to be brave and willing to face the end of times with courage, without fear and without apprehension.

The Light of the Heart of Christ will be your guide and all your instructors will be there to help you. God has placed them on your paths so that you would be able to grow quickly in your conversion, loving the transformation and the sanctity.

Dear children, while My countenance of Light cries for this world, for all those who did not accept the Nativity, God sends Me to you because My Spirit is consistent and kind, and from each child of Mine, I expect a great spiritual growth, with which souls will be able to live the great Message of Christ, the advent of the Redeemer for the times of chaos, through the teachings I have transmitted to you, in the same way the other Sacred Hearts did.

Shortly, the instructions of Light will be in your hands through the books I have sent to be manufactured, so that the living Message, the Word of Life, the Divine Verb and the Divine Hearts may be present in your homes so that, in the end times, you can count on tools that will be able to support your hearts through the Words of Light and of all the Messages We have left you in this part of the world.

When your hearts feel prepared, disseminate My Message. I will return to this part of the world to seek My apostles to take you to the redeeming Supper of My Son.

I thank you, dear children, for having accompanied Me during these years. God blesses you every day.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

As long as you remember My Words, which I placed in My Sacred Books, each of the codes I transmitted to your souls in those instances when My Heart descended to the world, they will emerge in your hearts to strengthen you further and to not allow, My dears, your spirits to be discouraged in the face of the difficulties of the world.

Do not be sad about My withdrawal, but rather unite more each day through prayer, through acts of fellowship, which will transform your hearts into invincible hearts in the face of the tests of the world.

For humanity, the coming year will represent a moment to put into practice all that you have learned. Through your faithful example you must activate those souls that did not hear My call, but that committed to Me and I need to wake up in this end of time.

Many "Pauls" must emerge in the world, those who, in spite of not being before My Heart, will recognize My Presence through the example of others, through the example of My faithful apostles, who through Me, walk in the direction of My Son.

My dears, many must still wake up in this time, and it will not be too late; but the sooner they wake up, the better they will be able to fulfill their mission, and the Purpose of God will be more strongly manifested in this world.

For the victory of the Lord to be a reality in this world will depend on each of your souls, because the Divine Messengers have already left the seeds in the essence of each creature, and in this time, They are accomplishing all the requests of the Creator.

It will be up to each one of you, My children, to just do what I taught you in these times, and to never forget the Presence of My Son in your lives. And through Communion and Confession to the Most Sacred Heart of Christ, you must keep this fire of your hearts ignited and alive; this flame, My dears, must ignite each essence of this world which approaches you. Let there not be a single soul that approaches a soldier of Mary that leaves without this flame being lit.

For this to happen, your hearts must be permanently open. My teachings must not be lost in your consciousnesses; but each day, may you grow in prayer, in spirit, so you may be brave Marian soldiers, and these codes that today I placed in your hearts be able to produce results, and in a future time, generate new seeds for the souls that will come to this flock of the Lord.

With My Immaculate Heart, I welcome all your little hearts, which listen to Me in all parts of the world, so that here, within Me, you are able to grow and mature in spirit, can open to Celestial Truths, and never doubt when your eyes contemplate the Presence of the Redeemer Who, in Spirit, Divinity, Body and Soul, will come to this world.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

The prophecy will be fulfilled; for this reason, remember, in the times to come, the Presence of My luminous countenance in your hearts, My Immaculate Heart, My holy hands that have blessed you.

Dear children, remember that I still have the ardent desire of fulfilling My Will, of carrying My Message and My Peace to Ecuador, Peru, Colombia, Nicaragua, Honduras and the United States. If this were to be fulfilled in the coming year, a large part of humanity will become rescuable; and this goes beyond the material matter, My children.

I want you to be able to learn to observe from spirit. Through your consecration and the requests you have fulfilled, you have allowed My Immaculate Heart to triumph, but there is still a little more, My children.

While My Spirit withdraws from this humanity, I invite you to prepare as good missionaries. Remember that I will always need you in My pilgrimages to carry the essence of Peace.

And as I have done in other times and moments, throughout these months gone by, today I consecrate a whole community which has been the testimony of My living call, and which has been the testimony of the manifestation of this Marian Center. Through these little spirits, My Work has manifested in Uruguay, in the same way it has happened in Brazil and in Argentina.

Could it be that many more places in the world will dare to concretize My last request for Peace?

I invite you to joy and reflection. God knows that through you, everything will be possible; for this reason, I ask it of you, My children.

I must reach the last places of the Americas, to the peoples who have suffered a lot and that in hope, venerate Me through My maternal Presence, as it was in Nicaragua when I once appeared there.

I invite all My children of the Fraternidad Community to receive, on this evening, My maternal blessing. Come here, My little ones.

Prayer: Hail Mary (in Latin).

My dear children, as Our Lady of Nicaragua, I consecrate your hearts and place your essences under My Mantle of Light so that always, in a Spirit of Peace, you are protected from all evil and in the coming time you are able to announce the Coming of Christ.

As Our Lady of Nicaragua, with complete gladness and joy, I consecrate Central America to My Immaculate Heart.

May this Holy Lady, Who once appreciated this Nicaraguan village, be able to travel through the most humble and simple places, carrying the blessing of Our Celestial Mother to all the hearts that receive My Immaculate Presence in their homes.

As Mother of Nicaragua and Mother of humanity, of all the peoples and races, I consecrate you, My dear children, on this last transition date, under the blessing of the Father, the Son and the Holy Spirit.

I thank you for responding to My call!

Wait with joy for the Return of Christ. Your thirst has been satiated.

Friar Elías del Sagrado Corazón de Jesús:

The brothers and sisters of the Fraternidad Community, at the request of Our Lady, will kiss the feet of this image of Our Lady of Cuapa. And from here, at the foot of this altar, we are going to give thanks for this opportunity Mary has given us, on this evening, sending a ray of gratitude to our Celestial Father.

For this meeting and this blessing, thank You, Mother, for all that You give us! Amen.
