Weekly Message of the Glorified Christ Jesus, transmitted in Fatima, Portugal, to the visionary Friar Elías del Sagrado Corazón de Jesús

Friends and good souls,

May the Peace of My Lord, the Almighty, remain today and always in your hearts.

Heaven sends you the tests of the end of time so your souls, those that said 'yes' to Me, can be strengthened in their trust.

Now, I Am the only way for your lives. I Am the only and powerful Light that will illumine you in the darkness and the despair.

Blessed are those who, in spite of everything, continue in Me and do not separate themselves one millimeter from the Glorious and Blessed Heart of Beloved Jesus, for they will be recognized as the Children of God.

Go and be happy. May your paths be overrun by the power of the Word of Life and by the Source of My Divine and Unfathomable Mercy.

I know you are already tired and that your strength seems to disappear from within you, but you must know that My Shoulders and My Back support the weight of the cross the Lord entrusted to you.

Do not despair, trust in the fullness of My Presence; open the door of your heart so I may enter into you; in this way, you will know the unmistakable Love of My Heart.

You know that always, from the beginning, you have been free, as free as the flight of a bird in the heights.

Unite with My Heart; My Water will quench the thirst you feel; My Blood will cleanse the past and you will be able to be resurrected in spirit to the Will of My Eternal Father.

I am here, returning for all, in search of the seed that My surrender sowed in each soul.

I come to call you to live the sacrifice out of love for humanity, so that you may know the strength of My Redeeming Love.

Under the Love which comes from the Beloved Father, I bless you and heal you in the name of Abba, of Christ and of the Holy Spirit. Amen.

Christ Jesus, your encouragement
